Texas, was born at Darmstadt, Germany. November 19, 1828, was educated at the more sheep than bear.' University of Gresson, in the Grand Duchy of Hesse Darmstailt, was engaged as a civil engineer in the construction of several European railroads, emigrated to Texas in 1847, and after passing s me time on the frontiers located at 'San Antonio in 1850; was a member of the State House of Representatives in 1853 4.

and of the State Senate in 1859-61. was elected to the Forty-fourth and Fortyfifth Congresses, and re-elected to the a wife and several children.

CROWNED WITH INFAMY.

The army on the frontier has cvered

tself with imperishable renown and

glory again in the campaign against the

poor, half starved, and poorly armed,

Cheyenne Indians who recently escaped

from Fort Robinson. Squaws and bucks

were shot down with the same merciless

determination with which the valiant Lieu-

tenant General Sheridan killed the old

squaws and decrepid bucks and young

children when he charged into the Peigan

By all means let the army be increased

these heroes with that symbol of chivalric

courage for their knightly conduct in shoot-

ing down old men, women and children.

The more one reflects on the horrible

affair with the Cheyennes, says the Wash-

ington Post, the deeper must be the con-

VIEWS AND REVIEWS.

The second se

THE WORLD STREET

dec_21.

The King of Sweden has stopped a run on a Stockholm bank, and perhaps averted a serious panic by opening a heavy private account with the institution whore solvency was called in question.

It is said to be the intention of the Democratic members of the Wisconsin Legislature to give their vote for United States Senator to the Hon, Alexander Mitchell, of Milwaukee, a hard-money man,

The officers of our navy are paid \$2,645,. 277 every year, and the 7,500 men who constitute the working force get \$2,300,000 There must certainly be either too much officer here or too much pay, says the Courier-Journal.

The son of King Theodorus, of Abyssinia, who was taken to England after the fall of Magdala, is being educated for the army. He is a slender youth of dusky hue, haughty as becomes a descendant of the Queen of Sheba, and shrewd as becomes a prince cradled in adversity.

difference is that the latter don't go good through a straw 'Aunt Julia,' said a blooming girl of 17, what is necessary in order to write a good love-letter?' 'Well,' replied the aunt,' you must begin without knowing what you mean to say, and finish without knowing what you have written.' A Norwich man has invented a plan in

three parts by which no one need lose Forty-sixth as a Democrat. He leaves his life in a burning ho el. The first part states that a man should never stop at a hotel. Omitting the other two parts, the plan is generally considered a success.

Suffering for a Life Time.

Persons afflicted with rheumatism often suffer for a life time, their tortures being almost without remission. The joints and muscles of such unfortunates are in most cases shockingly contorted and drawn out of shape. To afford them even temporary relief the ordinary remedies often prove utterly useless' Hostetter's Stomach Bitters. on the other hand, is avouched by persons who have used it to be a genuine source of relief. It keeps the blood cool by promoting a regular habit of body, and removes Small Pex Camp and ruthlessly murder- from it impurities which, in the opinion of ed the sick and convalescent patients con- all rational pathologists, originate this agonizing complaint and its kindred malady, the gout. .Besides this the Bitters remedy disorders of the stomach, liver and nerves, Bring forth the laurel wreath and crown prevent and eradicate intermittent fevers, promote appetite and sleep, and are highly recommended by physicians as a desirable medicinal stimulant and tonic.

Notice.

S HEREBY GIVEN that application will

be made to the next session of the General

Assembly for an Act incorporating the His-

torical and Scientific Society, of Wilmng-
