Storm signal flying to-day.  
Wood sorter scarce and high.  
Good boating water in the river, is the report to-day.  
The epizootic is spreading and nearly every body is snuffing about it.  
The Cape Fear Light Infantry paraded this afternoon and will have a ball to-night at Maria Hall.  
We understand that a new grocery establishment is to be opened on North Front street in a few days.

**Bvt. Maj. Gen. C. C. Augur**, and **Maj. H. B. Russell, U. S. A.**, were in the city yesterday and stopped at the Purcell.  
Some of the most wealthy business men in the country owe their fortunes to the benefits arising from the free use of printer's ink.  
The Fayetteville Cadets paraded for a short time on our streets this afternoon, but soon sought their harbor on account of stress of weather.

We are pleased to know that **Capt. J. A. Duke** has so far recovered from his recent attack of sickness as to be able to be on the streets yesterday.  
When a series of belts and whacks, mingled with groans, yells and much prancing about is heard in a house, it is a parent what is the cause.  
An exchange says it is now possible to get all the gold one wants—in exchange for notes. But how to get all the notes one wants is what puzzles us.

**FASHION NOTES.**—Fur Collars are little worn by ladies this season, and this will give rise to many severe coughs and colds. Dr. Bull's Cough Syrup is a certain and safe cure in every case. Price 25 cents.  
Every time a business man inserts an advertisement in a good paper, he places his business sign before hundreds of household and attracts the attention of many that he could not in any other way.

The stormy weather which we mentioned yesterday as being indicated by the sea gulls in our harbor has put in an appearance to-day and we gave the alarm twelve hours before it was announced by the storm signal.

We tender our thanks for an invitation to attend the Hop of the Comus Club, which will be given at the Hall of the Little Giant Engine Company, on Thursday evening next, the 13th inst. It will undoubtedly be an enjoyable affair, as the Club fully understands how the thing should be done.  
The steamer *Governor Worth*, which arrived here this morning from Fayetteville, will remain in port for a week or so to have her machinery overhauled and repaired. The *A. P. Hart*, of the same line, has taken the place of the *Worth* and cleared this afternoon for Fayetteville.

**An Age of Competition.**  
In this day of the world competition is active in the extreme. But in the long run it's the best which wins the prize of public preference in spite of all the deceptions used to bolster up weak articles. For this reason **DOOLEY'S YEAST POWDER** is recognized as the highest possible achievement in baking powder.

**Attempted Burglary.**  
An attempt was made last night about 9 1/2 o'clock to burglariously enter the residence of **Mr. T. B. Henderson** on Market, between Second and Third streets. **Mr. Henderson** heard the noise and started out when the would be thief bolted and made good his escape.

**Arrested for Larceny.**  
**Harrison Scott**, colored, was arrested this morning upon a warrant issued by Justice Wagner on the affidavit of **C. P. Lockett** for the larceny of \$4.90 from the money drawer of **Mr. Lockett's** barber-shop, corner of Front and Princess streets, on Saturday night last. The trial was set for 4 o'clock this afternoon and defendant was required to give bond in the sum of \$100 for his appearance at that time.

**A Series of Lectures.**  
We are gratified to learn that **Col. Duncan K. McRae** will deliver a course of lectures before the Library Association at intervals of two weeks. The next lecture will be delivered sometime next week and will duly announced through the columns of the city press.

**Juvenile Military.**  
The Fayetteville Cadets, a company of juvenile colored soldiers all the way from ten to sixteen years of age, in nice blue uniforms with red stripes on their pants arrived in the city last night on the steamer *Governor Worth*, and are now quartered at the corner of Dock and Front streets. They will return to their homes on Friday next.

**Invited to Lecture.**  
The American Geographical Society of New York, Chief Justice Daly, President, has invited **Gen'l R. E. Colston** to deliver a lecture before the society in Chickering Hall in New York City on March 11th. **Gen'l Colston**, we learn, has accepted the invitation and will leave for New York in a few days to arrange for the delivery of the lecture.

**Sudden Death.**  
Last night a colored woman, named **Clara Hill**, and living in Thompson's Alley, on the North side of the railroad, while engaged in cleaning some fish complained of an acute pain in the right side, just beneath the heart. In a moment or two after making the complaint of pain, she fell over and before she could be placed upon the bed, life was extinct. **Special Coroner A. H. Leslie**, held an inquest and the verdict of the jury was that death resulted from natural causes, supposed to be disease of the heart.

**Capture of an Escaped Lunatic.**  
A colored lunatic, known as **Crazy Nathan**, who escaped from the Poor House, where he has been confined, some two weeks ago, was captured over in Brooklyn this morning by one of the keepers of the institution above named, assisted by officer **Wobbe**, of the police force, and taken to the Guard House, where he will be kept until arrangements can be made to take him back to his quarters at the Poor House. The arrangement necessary to be made in order to move the unfortunate man is a straight jacket, as he is very violent and has a peculiar way of biting just like a dog. It is said that he will bite a man or piece of iron or anything else that comes in his way.

**City Court.**  
**Alderman Bowden**, Mayor pro tem presiding:  
The first case called was **E. G. Barnitz**, charged with disorderly conduct.—After hearing the evidence in this case the acting Mayor decided to continue the case until Saturday, the 15th inst, on account of the absence of witnesses.  
The defendant was required to furnish a justified bond in the sum of \$50 for his appearance at that time.

The next case on docket was that of **Fanny Gore**, charged with disorderly conduct. At the sound of her name one of the Paddy's Hollow queens, a very disgusting looking white woman, stepped in front of the Bar of the Court and listened to the evidence against her. She entered no demurrer but quietly submitted the case and got off with a fine of one dollar, or five days in the city prison.

**Put Him Out.**  
Last night, at the meeting of the Second Ward Democratic Club, a couple of men who belong neither to the Club nor to the Democratic party, walked into the hall and took seats. One of the members of the Club then arose and stated that it was a Democratic meeting for party purposes, and made a motion, which was seconded and adopted, that all persons present not Democrats be requested to retire. The motion was put and carried, whereupon one of the men arose and left. The other manifested a disposition to remain and talked of his rights, &c., and after some little discussion declared he would not leave unless he was led out. Upon this declaration being made, the President of the Club walked up to him, and taking him by the arm, quietly desired of him to walk, and he walked. At the door the President left him, closing the door between them. We learn that this person visited the meetings in two of the other wards with similar consequences. The man was not a Democrat, nor yet was he a Republican. We decline to advertise him by publishing his name, but we will give him a little piece of advice, which is to steer clear of Democratic caucuses hereafter.

**Meeting of Mexican Veterans.**  
There will be a meeting of the Mexican War Veterans in this city to-morrow afternoon at 4 o'clock, in Judge Cantwell's office in the Bank of New Hanover building, for the purpose of sending delegates to the National Convention of the Veterans of Mexico which is to be held in Baltimore on the 22nd instant.

## Ward Meetings Last Night.

In response to the call published in the paper yesterday the Democratic voters of the different Wards assembled last night at the places designated. The object of the meetings was to consider a resolution sent up by the City Executive Committee to petition the General Assembly to continue the present Board of Aldermen in office for the ensuing term of two years, it being understood that the Democratic Aldermen from any Ward should resign, providing a majority of the party in the Ward should so desire.

In the First Ward the resolution was adopted without a dissenting voice. The Second Ward refused to adopt the resolution, but appointed a Committee to confer with the City Executive Committee as to what was best to be done under the circumstances.

At this meeting, **John C. James, Esq.**, tendered his resignation as President of the Club which was accepted and a vote of thanks was unanimously passed in recognition of his faithful services to the Club and to the party. The resignation of **Mr. James** was tendered on account of the pressing demands of business which prevented him from doing full justice to the interests of the Club, whereupon **Junius Davis, Esq.**, a member of the Executive Committee, was unanimously elected to fill the place made vacant by the resignation of **Mr. James**, and **Col. Roger Moore** received the same unanimous vote to succeed **Mr. Davis** as a member of the Executive Committee.

In the Third Ward, the resolution petitioning the continuance of the present Board in office for five years, was unanimously adopted, and the clause concerning the conditional resignations of present Aldermen was laid on the table. A resolution was also adopted requesting the City Executive Committee to petition the General Assembly to continue in office the present Board of Audit and Finance for two years.

In the Fourth Ward the resolution entire was adopted amid much enthusiasm, and the following gentlemen were elected as officers of the Club for the ensuing campaign:  
President—**W. P. Oldham**; Vice Presidents—**J. C. Stevenson** and **J. I. Macks**.  
Secretary and Treasurer—**J. W. Galloway**.

The resolution was also universally adopted in the Fifth Ward.  
In all the meetings, although at some places there were differences of opinion, the most entire good feeling prevailed, and every Democrat present seemed imbued with a desire to benefit the party and city by his action.

**Attempted Arson.**  
At about 9 1/2 o'clock last night as **Charles Jones**, a colored man, was returning to his home he discovered a fire under the piazza of a building on Chestnut street, between Third and Fourth, belonging to the estate of the late **S. M. West, Esq.**, and occupied by **Mr. James Lyons**. He immediately alarmed the occupants and the piazza was ripped up and the flames extinguished before any considerable damage was done. An examination showed that the would be incendiary had taken pains to insure a conflagration, by placing a lot of small sticks of fat lightwood in an upright position so that the flames would pass up between the frame and weather boarding. Undoubtedly the opportune arrival of **Jones** prevented the entire destruction of the building. There is no clue, as yet, to the perpetrator of the deed.

**Criminal Court.**  
The following cases were disposed of to-day in this tribunal:  
State vs **Edward McCormick**, charged with larceny. Verdict guilty.  
State vs **Henry Hutaf**, charged with retailing without a license. Verdict not guilty.  
State vs **James Heaton**, charged with embezzlement. Verdict not guilty.  
State vs **J. F. Gilbert**, charged with assault and battery. Submitted.  
State vs **James Heaton**, in nine cases of embezzlement furnished **James Wilson** as surety in each case.  
State vs **Jas. T. Burriss** and **Salissa Garrett**, charged with F. and A. On trial.

## Maj. Engelhard is Better.

There have been grave fears of late entertained in regard to **Maj. Engelhard's** condition. He has been suffering with an acute attack of congestion of the liver. Yesterday he was thought somewhat better but last night he was so ill and the symptoms were so unfavorable that **Dr. Haywood**, his attending physician, telegraphed the fact here and this morning **Dr. Geo. G. Thomas** left for Raleigh. **Dr. Thomas** was with **Maj. Engelhard** last week and only returned here on Saturday night.

We are glad, however, to learn to-day, through a dispatch received this noon by **Capt. C. D. Myers**, from **Mr. E. B. Engelhard**, that **Maj. E.** is somewhat better to-day and that strong hopes, which we presume are based upon opinions given by the medical attendants, are entertained that he will recover.

**Window Gardening at Belvidere.**  
Thanks to **Mr. James A. Willard** for a large waiter of vegetables, just from the garden, sent in to us last evening, consisting of kale, spinach, lettuce, turnips, parsnips and radishes, all as samples of what is done by window gardening at Belvidere. **Mr. Willard** expects to have a supply of each of above mentioned vegetables in market everyday for the present and judging by the beautiful specimens received by us we should think that the demand would be very great.

**K nights of Pythias.**  
The Grand Lodge of Knights of Pythias of North Carolina assembled in Fayetteville this morning and the following representatives from this city went forward yesterday: **D. D. G. C. John Haar**; **P. G. O. W. H. Gerken**; **P. C. Carl VonKampen**; **Grand Prelate Henry Premper** and **P. C. John Meyer**, of Germania Lodge, No. 4; and from Stonewall Lodge, Grand Master of E., **Benj. White** and **P. C. J. L. Dudley**.
