Judge McKay was in Raleigh on Sunday.

The balloon man is in the city and the boys are happy.

Some of our subscribers who are in arrears will please come up and pay that exodus.

Will the Corn & Concert Club commence a series of open air concerts and oblige the young ladies?

Persons were squinting at the sun today through a telescope which was stationed at the market house.

The Thalian Amateurs will present soon a beautiful little drama, now in preparation by them, entitled "Among the Breakers."

Chicken lifters were on the rampage last night. We have heard of two gentlemen who lost some of last year's Spring chickens.

A quiet and pleasant home is insured to all mothers that use Dr. Bull's Baby Syrup for their little ones. It contains nothing injurious.

Stonewall Lodge No. 1, K. of P., it now in a very flourishing condition. Last evening ten Knights were admitted to the Endowment rank.

Mr. O. W. Yates and his photographer, Mr. Orr, have been taking stereoscopic views of the city and have found some that are very attractive.

A couple of little colored boys were arrested to-day for rocking a house. They were properly punished and then allowed to return to their homes.

The Baptist Sunday School picnic to Waccamaw Lake to-day was a great success in point of numbers a great many having gone up with it.

Dr. John H. Hill, of Goldsboro, but formerly a citizen of this section and one of the old time Cape Fear gentlemen, is on a short visit to this city.

A match game of base ball will be played at Hilton to-morrow afternoon by the Wilmington Mutuals and Red Stocking nines, both formed of colored boys of this city.

The Festival given at the City Hall last evening in aid of St. Mark's colored Episcopal church was largely attended and must have been very successful in a financial way.

The break in the telegraph cable under the Cape Fear river, mentioned by us yesterday, was successfully repaired during the afternoon and the wires are now working again between this city and Smithville.

The Recent Rains.
Capt. Garrison, of the steamer *D. Murchison*, which arrived here last night, reports that the recent rains have been very severe in Fayetteville and the surrounding section. Considerable damage has been done to mill property on the creeks and considerable of a rise in the river is expected. The water had risen ten feet when he left Fayetteville yesterday morning, at 7 o'clock, and was still rising at that time, although slowly.

Struck by Lightning.
During the prevalence of the violent thunder storm this morning, the kitchen attached to the residence of Col. A. Pope, corner Front and Chestnut streets, was struck by lightning. The parapet to the roof was first struck, and some of the bricks displaced, when the fiery fluid pierced the roof, in a hole which looks as though a musket-ball had pierced the ceiling, and descended to the kitchen room, and sundried the cook, who was then at the stove preparing breakfast. She was insensible for about five minutes, but has since fully recovered. No other damage was done to either the building or its occupants.

Hotel Arrivals.
COLLINS HOUSE.—Wilmington, N. C., W. M. Collins, Proprietor.—From 8:15 o'clock April 29, to 8:15 o'clock April 30:—I R Macks, F J Healey, Washington, D C; D E Boney, Duplin Road, N C; E A Rowley, Williamsport, Pa; E A Keith, Va; Geo D Davis, Richmond; J B McIntire, West Va; J Erwin, N Y; H E Edwards, Savannah.

The Reason.

For several days past strawberries have been very scarce in this market and the few offered for sale were held at advanced prices. We saw a letter from a merchant in Charleston to a firm in this city which stated that Northern speculators had and were purchasing all berries on the market at \$5 a crate.

Summer Regatta.
It seems to be the desire of some of the members of the Carolina Yacht Club that at least a couple of races be had in the river before the regular July race over the Wrightsville course. We hope that the club will conclude to have these races as many will be enabled to see them, who cannot find it convenient to visit the sound.

The Fifth Battalion.
We gave yesterday the names of the newly elected officers of the Fifth Battalion (col.) N. C. S. G. During the afternoon the appointive officers were announced. The entire list is as follows:
Geo L Mabson, Lieutenant-Colonel,
M N Leary, Major, James H Carraway, Adjutant, rank First Lieutenant, Daniel Buxton, Quartermaster, rank Captain, Wm Marsteller, Commissary, rank Captain, Rev Joseph J Fry, Chaplain.

Disastrous Fire.
A disastrous fire is reported to us on Moore's Creek, in Pender county, on last Sunday afternoon. A dwelling house occupied by Mr. J. Hollingsworth was entirely consumed, together with a large portion of that gentleman's furniture. The fire is supposed to have caught from a defect in the chimney of the kitchen, which was connected with the house. The building was owned by Mr. Arch. Taylor, who resides at Burgaw, and was worth about \$1,200. There was no insurance on either the building or its contents.

Thunder and Lightning.
Quite a sharp thunder storm passed over this city this morning about 6 o'clock and torrents of rain descended for near the space of an hour, during which time vivid flashes of lightning, accompanied by loud reports of thunder, rent the air. The damage from the rain was slight, if any, but the lightning played sad havoc with the lightning rod on the steeple of the First Presbyterian church, severing it in twain at about the point where the steeple rises from the roof of the church, then leaping on the roof, and scattering the slating around promiscuously in the yard below. The slating on the steeple near the pinnacle came in for a share of the damage, the slating having been torn off and scattered to the street below. We were not able to get an estimate of the damage done, but presume that \$50 or \$75 will cover the whole amount.

The Concert last Night.
The Front Street M. E. Church was crowded to its utmost capacity last night to listen to the singing of the pupils of the Sunday School, and all who had any appreciation of good music were delighted. The programme was carried out in its entirety and the pieces selected, with one or two exceptions, were rendered in perfect time and tune. The artless singing of two or three very little girls was sweet and touching, and the audience paid an involuntary homage to the power of song by keeping the most profound silence so that their small, sweet voices could be distinctly heard. The organist, Mrs. Poisson, deserves much credit for the able performance of the duties devolving upon her, both at the organ and as a vocalist. Mr. Bowden, the conductor, proved himself equal to the difficult task of directing so large a choir of singers, the most of whom were untrained, and nearly or quite a hundred in number.

A collection was taken up when the performance was half through, which we hope resulted satisfactorily.

The only disturbance which occurred to mar the delights of the evening was occasioned by a lot of youngsters who, without any regard for the feelings of others, or any regard for the courtesy due to the singers, while "Sweet Home" was being sung, completely destroyed the beauty of the piece, to the intense annoyance of those who wished to listen, by tramping through the galleries to get out in season. We cannot rebuke such reprehensible conduct as we think it deserves, but it is very annoying to the listeners and absolutely insulting to the singers.

More rain and some terrific thunder and lightning early this morning.

Ice.

By advertisement in this issue of the REVIEW it will be seen that Mr. B. H. J. Abrens has, again embarked in the ice trade and has established his ice depots in central and convenient neighborhood localities. These depots are a great convenience to families and persons interested should sufficiently patronize them to ensure their continuance.

Death of Mr. Leak.
Water F. Leak, Esq., of Richmond county, a gentleman of prominence, ability and influence, who was well known throughout the State, died at his residence in Rockingham on Monday afternoon at 3 o'clock. He was born in 1779 and was something over 80 years of age at the time of his death. He was graduated at Chapel Hill in the same class with President Polk and Bishop Green.

The International Postal Card.
The Postoffice Department has approved a design for the new international two-cent postal card. On the upper left hand corner are the words "Union Postal Union, United States of America" in English and also in French. On the right upper corner is the stamp, with the head of Liberty, surrounded by a ribbon border, with a monogram U. S., at the top, and buckle at the bottom, and the figure 2 in octagon blocks on either side. In the upper half of the circle are the words "Postal Card," and in the lower half "Two Cents." The card has also a neat border on the address side.

Important to Tobacconists.
A circular is being sent to all the tobacco dealers in the country by prominent tobacco manufacturers of New York city stating that an effort will be made to get a bill through Congress allowing the tobacco dealers a rebate on their stock of tobacco on which has been paid the twenty-four per cent tax.

They are, therefore, advised, by May, 1, to take account of the stock of tobacco on hand and have it properly attested before a notary public, in order that there may be no question of the validity of their claims in case the bill passes. The provisions of such a bill would give to the 450,000 tobacco dealers in the country a rebate of eight cents on every pound of tobacco now in their store, except that which is in the form of cigars and cigarettes.

A Mail Pouch Stolen.
Some days since it was ascertained by Col. Brink, Postmaster here, that a mail pouch which had passed through this city en route for Florida, had been robbed somewhere South of this point. He immediately began investigation and yesterday the pouch was recovered and one of the rogues was captured and is now in jail. It has been developed that the mail from which the bag was taken was not in charge of a route agent, but in transit, under care of a conductor; that it was taken from a car at Charleston while the mail matter was in transit from the Northeastern to the Charleston & Savannah trains, and was rifled and buried by a colored train hand by the name of George Davis, who lived in this city.

Davis was captured yesterday and lodged in jail and will be examined before U. S. Commissioner McQuigg, in the District Court Room, to-morrow morning, at 10 o'clock. In the meantime some other developments have been made. There is another party in the county jail, also named Davis, and also colored, who was sent there a few weeks ago for the larceny of a pair of shoes and this individual made affidavit to-day that he was concerned in the robbery and that two others, whom he named, were his confederates. Col. Brink questioned the man closely and is puzzled to decide whether or not his tale is a true one, but the matter will be investigated fully to-morrow. He is particular in his description of the method of the robbery and the concealing of the pouch and states that he and his confederates got \$50 in money from the letters.

The stolen pouch is now in Col. Brink's possession, at the Postoffice. After having been cut open and rifled the letters were thrust back into the bag when it was buried in the salt mud near the Northeastern depot. The letters are very much defaced and some of them utterly illegible. Such of them as can be deciphered, which will probably be about one-third of the lot, will be forwarded to their destination, while the remainder will be sent to Washington City.

Death of Mrs. Hicks.

Mrs. Sallie Stone Hicks, second daughter of Hon. Geo. V. Strong, died in Raleigh on Monday, after several weeks of severe illness. The deceased lady has many near relations in this city who are deeply grieved to hear of her death. She was only about 26 years of age.

A Feast or a Famine.
Next week will be a big time for locals. On Monday the County Commissioners have their regular monthly meeting and likewise the Board of Aldermen. Then the Carolina Yacht Club arrange their programme of regattas for the coming season and the U. S. District Court, His Honor, Judge Brooks, presiding, will be in session at the same time, and several important cases of robbing the mail, violation of the Revenue laws and so forth are to be disposed of. Its always a feast or a famine with the poor local. He is either pushed to death almost to arrange the news of the moment that is crowding in upon him or put to his trumps and running himself out of breath to pick up an item. But then, upon the whole, we believe we enjoy the feast much better than we do the famine and that being the case, why, we will just say no more about it.

One trifling case before the city court to-day, for selling liquor on Sunday, was dismissed at the prosecutor's cost.

A Card.
To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood &c., I will send a recipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the Rev. JOSEPH T. INMAN, Station D, New York City.

For Health and Pleasure
GO TO
Patterson's Celebrated Springs.

THESE SPRINGS are situated four miles South of Shelby and six miles North of Whitaker's, on the Air-Line R. R. The mineral waters are a sulphur and chalybeate. The properties of the sulphur are iron, sulphur and magnesia. Properties combined are beneficial to all diseases, and never fail to cure the most obstinate cases, as many will testify. The chalybeate waters cannot be surpassed, having wrought many almost miraculous cures.

These Celebrated Springs will be open first April, and the prices are in reach of all, having been greatly reduced this season.

Bathing houses, croquet grounds, ten pin alley, and other amusements and attractions free for visitors. Hacks running from this place will meet visitors at Shelby or at Whitaker's on the Air Line R. R., upon short notice to the Proprietor.
