Large sales indicate the merits of all good articles. Druggists sell more of Dr. Bull's Baby Syrup than of all other remedies for the cure of Baby Disorders.

Read the exquisite poem, "Before Sedan," on the third page of this issue. It was delivered recently in school by a little lassie of ten or twelve, so pathetically that there was scarcely a dry eye in the house. A gentleman who was present and heard it, handed us a copy for publication in the REVIEW.

A Quebeles correspondent of the Robesonian makes a summary of last year's operations at that place. He credits that section with \$175,000 for naval stores and cotton sold and charges them with \$150,000 for guano, horses and stock, goods, &c., leaving but \$25,000 profit.

Personal.
Mr. Speaker Merrick took his departure by the early train this morning for his home in Chatham. Lieutenant-Governor Robinson, we understand, will probably leave to-night or in the morning, although efforts are being made to induce him to remain in the city a day or two longer. Mr. Galloway will leave for his home to-night.

Excursion and concert.
The trip down the river on the *Passport*, proposed by the Cornet Concert Club, has been finally set for next Monday evening, June 24. It is to be an excursion concert and will prove to be something new, unique and entertaining. The moon will fill on the 4th (Wednesday) and an excursion on Monday night will be in good season. It is proposed to leave here about 6 o'clock in the afternoon, visit and land at Fort Fisher and return about 12 o'clock. There will be music, vocal and instrumental, going and returning.

Organized Movement Against the Foxes.

The initial steps for the organization of the "much-talked-of Fox Hunters' Club" were taken last night. A meeting was held, which was largely attended. Mr. F. E. Burruss was chosen President, and Mr. W. M. Howey, Secretary. A committee on resolutions was appointed with instructions to report at an adjourned meeting to be held next Friday evening.

To-Morrow's Regatta.

The yachts of the Carolina Club are all ordered out for a cruise this afternoon and the old Cape Fear is alive with white canvas. As has been announced, the first regatta of the season takes place in the river to-morrow afternoon. The *Annie, Frolic, Restless, Bonnie Lassie, Gipsy, Lizzie, Rosa* and *Ripple* will all sail, starting in the order named. Much general interest has already been manifested and the race will be witnessed by thousands. The *Passport* will follow the fleet and will carry passengers up and down during the progress of the regatta.

Criminal Court.

The following is a summary of the proceedings of this tribunal to-day:
Glasgow Hill, arraigned upon the charge of burglary, trial set for Friday at 10 o'clock. Messrs. E. S. Martin and Thos. W. Strange assigned as counsel for the defendant.

Irving Washington, arraigned upon the same charge as above, trial set for Saturday at 10 o'clock. Messrs. J. D. Bellamy, Jr., and A. G. Ricard assigned as counsel for the defendant in this case.

State vs Andrew Hogan and Peter Hogan, charged with larceny, on trial at the time of closing our report.

Take Some Action, City Fathers.

Ladies and children are often annoyed by two demented colored women who are generally known as "Crazy Mag" and "Kitty" who wander about the city doing pretty much as they please. Mag walked into a residence in the eastern portion of the city a few days ago and stalked about examining any and every article of household furniture that struck her fancy. The lady of the house was very much alarmed by such conduct and had it not been for the servant employed on the lot Mag might have been a little obstreperous. Such persons as Mag and Kitty certainly cannot earn their living and do no good wandering through principal thoroughfares, frightening women and children. Let the vagrant law be imposed or have the unfortunate demented creatures cared for at the House of Correction.

One Day's Cruise of the Colfax.

The party of gentlemen, some thirty-five in number, who embarked on board of the U. S. Revenue Cutter *Colfax*, yesterday, after a delightful trip down the river and out on the deep blue sea for a short distance, returned to the city about 8 o'clock last night with a very satisfied feeling in regard to the doings of the day. The main object of the cruise, we understand, it was to show to the Lieutenant Governor and Mr. Speaker Moring the works that are progressing under the supervision of the general government at the mouth of the river, and with this object in view A. H. Van Bakkelen Esq., President of the Chamber of Commerce, communicated with Hon. John Sherman, Secretary of the Treasury, and had the revenue cutter placed at the disposal of the party for the day. Those who participated in the excursion speak of the management of the affair in exalted terms. Everything of interest connected with the government works was shown to the distinguished gentlemen, who were the guests of the Chamber of Commerce and members of the Produce Exchange; while Captain Barr and his officers are extolled in the most complimentary manner for their polite attentions and courtesies during the trip. To some who had never been on board of a government vessel before the preciseness of every thing, the excellent discipline apparent and more than all the quiet and orderly but prompt manner in which every order necessary for the government of the ship was given and executed excited wonder and amazement.

The day was a pleasant one, we are told, to all who participated, and the results attained very satisfactory to all concerned.

A young man up town is lamenting his sad fate. He thought he had secured the affections of his dulcinea, but another fellow came along who could play the accordion, and this settled the head of bean number one.

Day of Pentecost—Confirmation at the Temple.

The services this forenoon at the Temple of Israel, the Pentecost service, were very interesting and were largely attended, the pretty little synagogue having been filled to its utmost comfortable capacity. Besides the regular worshippers there were any others present, among them Lieut-Gov. Robinson and several ministers of Protestant churches in the city.

The services began at 11 1/2 o'clock and were the regular services for the Day of Pentecost. An excellent sermon was delivered by Rev. Dr. Mendelssohn, after which a hymn was sung. The confirmation services were then opened by Master Aaron Greenwald, with prayer, the congregation rising and remaining standing during its delivery. A Psalm was then recited by Master Isaac Greenwald, one by Miss Minnie Spertner and one by Master Henry Weill, after which another hymn was sung. Then came the Confession of Faith, which was recited by the candidates and which was greeted by its close by a Chant by the Choir, "Hear, O Israel, the Lord our God is One." The address to the candidates was then delivered by Dr. Mendelssohn. The address was very beautiful and very touching and found its way to the hearts of all who were present, Jew and Christian alike. Dr. M. then administered the Rite of Confirmation and blessed the confirmands, after which a hymn was sung and the children returned to their parents for the parental blessing. The services were closed with prayer by Master Louis Blumenthal, a hymn and the benediction.

ROCKS NATIONAL MEM. ASSO. WILMINGTON, N. C., May 27, J.

The annual service of decorating the graves of the United States soldiers buried in the National Cemetery at this place, will be celebrated on Friday, the 30th inst.

The procession will start from the City Hall Square at 3 o'clock.

The citizens of Wilmington are all respectfully invited to attend this service; and a partial suspension of business between the hours of 3 and 5 o'clock would not only enable many to attend, but be very gratifying to the committee.

Respectfully,
ED. R. BRINK
for General Committee.

YELLOW FEVER—BLACK VOMIT.

It is too soon to forget the ravages of this terrible disease, which will doubtless return in a more malignant and virulent form in the fall months of 1879.

MERRILL'S HEPATIN, a Remedy discovered in Southern Arabia and used with such wonderful results in South America where the most aggravated cases of Yellow Fever, arise from one to two ounces of bile to be filtered or strained from the blood each time it passes through the Liver, as long as an excess of bile exists. By its wonderful action on the Liver and Stomach the HEPATIN not only prevents to a certainty any kind of Fever and Black Vomit, but also cures Headache, Constipation of the Bowels, Dyspepsia and all Malarial diseases.

No one need fear Yellow Fever who will expel the Malarial Poison and excess of bile from the blood by using MERRILL'S HEPATIN, which is sold by all Druggists in 25 cent and \$1.00 bottles, or will be sent by express by the Proprietors. A. F. MERRILL & CO., Philadelphia, Pa.

Dr Pemberton's Stillingeria or Queen's Delight.

The reports of wonderful cures of Rheumatism, Scrofula, Salt Rheum, Syphilis, Cancer, Ulcers and Sores, that come from all parts of the country are not only remarkable but so miraculous as to be doubted were it not for the abundance of proof.

Remarkable Cure of Scrofula, &c. CASE OF COL. J. C. BRANSON.

KINGSTON, Ga., Sept. 15, 1871

Genl.—For sixteen years I have been a great sufferer from Scrofula in its most distressing form. I have been confined to my room and bed for fifteen years with scrofulous ulcerations. The most approved remedies for such cases had been used, and the most eminent physicians consulted, without any decided benefit. Thus prostrated, distressed, & despairing, I was advised by Dr. J. C. Branson, of Floyd county, Ga., to commence the use of your Compound Extract Stillingeria. Language is an insufficient to describe the relief I obtained from the use of the Stillingeria as it is to convey an adequate idea of the misery of my suffering before using your medicine; sufficient to say, I abandoned all other remedies and continued the use of your Extract of Stillingeria, until I can say truly, "I am cured of all pain," of all disease, with nothing to obstruct the active pursuit of my profession. More than eight months have elapsed since this remarkable cure, without any return of the disease.

For the truth of the above statement, I refer to any gentleman in Bartow county, Ga., and to the members of the bar of Cherokee Circuit, who are acquainted with me. I shall ever remain, with the deepest gratitude,
Your obedient servant,
J. C. BRANSON, Army at Law.

A MIRACLE.

WEST POINT, Ga., Sept. 16, 1870.
Genl.—My daughter was taken on the 25th day of June, 1863, with what was supposed to be Acute Rheumatism, and was treated for the same with no success. In March, following, pieces of bone began to work out of the right arm, and continued to the shoulder. Just the bone from the elbow to the shoulder joint came out. Many pieces of bone came out of the right foot and leg. The case was then pronounced one of White Swelling. After having been confined about six years to her bed, and the case considered hopeless, I was induced to try Dr. Pemberton's Compound Extract of Stillingeria, and was so well satisfied with its effects that I have continued the use of it until the present.

My daughter was confined to her bed about six years before she sat up or even turned over without her pain. She now sits up all day, and sews most of her time—has walked across the room. Her general health is now good, and I believe she will, as her limbs gain strength, walk well. I attribute her recovery, with the blessing of God, to the use of your invaluable medicine. With gratitude, I am, yours truly,
W. B. BLANTON.

West Point, Ga., Sept. 16, 1870.
Genl.—The above certificate of Mr. W. B. Blanton we know and certify to as being true. The thing is so; hundreds of the most respected citizens will testify to it. As much reference can be given as may be required.
Yours truly,
