 Magistrate's Row proved a failure again to-day, in the way of furnishing a news item.
 The cable for the Wilmington Telephone Exchange will be laid to-morrow from the foot of Market street.

Yesterday was fearfully warm, but to-day is pleasant, due, probably, to the fact that easterly winds have prevailed.
 The foot and a half of a freshet they had in the river last week has all run off and the water is again getting desperately low.
 Huckleberries are selling now at 5 to 6 cents a quart, Sampson blues at that. Many persons prefer them to the strawberries.
 The fourth of the season of delightful family excursions given by Prof. Agostini will take place to Smithville and the Fords, on the *Passport*, on Friday next.

There is an unmailable letter in the Postoffice addressed to William Corporel, one for F. W. Rodgers, Clarkton, N. C.; and one for Boyle and Hoggan, Lynchburg, Va.
 Somebody sent to Jno. G. Blaisdell, of Baltimore, ordering patterns, and enclosed \$1 25 in the letter but forgot to sign his or her name. If value received is expected or desired the proper address must be sent.
 Henry Sherman and John Gurley, two small colored boys, were arrested and carried up to the City Hall to-day by Health Officer Francis M. James, for fighting on the streets. They will probably be discharged this afternoon.

The practice of throwing chicken and fish offal and garbage generally in the streets is too extensively indulged in. It should be put a stop to, even if the penalties provided by the city ordinance must be enforced to do it.
 Rev. J. B. Taylor, Pastor of the First Baptist Church in this city, has gone to Richmond whither he has been called to the bedside of a sick relative. It is probable that his stay in Richmond may be prolonged until next week.
 Messrs. Sol. Bear & Bros. are now offering some rare bargains in the immense stock of dry goods, clothing, boots, shoes, hats, caps, &c., at their two large stores on Market street. They invite the attention of those who are purchasing, confident that they can offer some very attractive inducements to buy.
 Mayor Fishblade is determined to enforce the dog law to the full extent. Those who have unbadged canines will be reported to him and the penalty will be strictly enforced. The best way to avoid paying this ten dollars, therefore, is to call on Capt. Savage and buy your badges at once.
 Mr. Hinton's family will receive \$2,000 from the Knights of Honor and \$3,000 from the Knights of Pythias. This is not life insurance, but endowment; that is to say, by the rules of the Order the family of each member in good standing, on the death of that member, is endowed by the Order with a certain amount of money.
 The best and cheapest, Dr. Bull's Baby Syrup is acknowledged to be the safest and most reliable medicine for Babies. Price 25 cents.
Pugilistic.
 Bob Martin and Jacob Thompson, two colored men, engaged in a little "set to" on the streets to-day. An officer appearing upon the scene, however, put an end to the amusement and Martin was taken up to the City Hall where he gave bond for his appearance at 9 o'clock to-morrow. Thompson, the other party, it seems was not arrested. The reason why we do not know.

The Germans on the Fourth.
 The Germans in this city are already making their preparations for a due enjoyment of the Fourth of July. They have chartered the steamer *Isis*, and will take along with them their wives and children, and will dance and swing and sing and play croquet during the day. They will doubtless get lots of enjoyment out of the occasion.
Very Indecent.
 Between 6 and 7 o'clock every evening the wharves South of Orange street are lined with men and boys who bathe in the river. And here is one objection to that. For when the bathers see the *Passport* steaming up the river there is no necessity for them to stand on the caps of the wharves in a nude condition. Captain Harper is compelled every evening to hug the western bank of the river to shield his passengers from those persons whose lump of modesty and decency has not been developed. There is a regulation made by the city authorities against bathing within certain limits and it should be enforced.
Election of Officers.
 At a meeting of Carolina Lodge, No. 434, Knights of Honor, last night, the regular semi-annual election of officers was held. The following were chosen for the ensuing term:
 Dictator—John D. Taylor.
 Vice Dictator—Walter Coney.
 Assistant Dictator—J. A. Springer.
 Guide—Jas. F. Post, Jr.
 Chaplain—N. W. Schenck.
 Reporter—Geo. N. Harris.
 Financial Reporter—John L. Dudley.
 Treasurer—Owen Fennell, Jr.
 Guardian—H. B. Willis.
 Sentinel—Jas. M. McGowan.
 Medical Examiner—Dr. W. J. H. Bellamy.
Testimonial of Respect.
 The Alumni Society of the Wilmington High School held their regular meeting last night in Mr. Swift M. Empie's office. Mr. Jno. J. Fowler, the President, in the chair. The meeting after coming to order proceeded to take some action relative to the death of their former teacher, Mr. J. N. Hinton.
 A motion was then offered and carried to appoint a Committee to draft resolutions expressive of the deep and sincere regret of the Society at the death of their late esteemed instructor. The chair appointed upon this Committee Messrs. Reuben Pickett, S. M. Empie and E. S. Orr. The occasion being one of the regular business meetings of the Society, it was resolved as a mark of respect to their deceased friend that no further business be transacted on this occasion and the meeting, therefore, unanimously adjourned.
Trial Postponed.
 Mr. Jno. J. Fowler, of this city, brother of the late W. G. Fowler, Jr., who was so cruelly murdered in Iredell county some months ago, was on the eve of starting for Statesville and had made all arrangements to take his departure on the C. C. Railway this morning, for the purpose of being present at the trial of one of his brother's murderers, when he received a dispatch from Hon. Wm. M. Robbins one of the counsel for the prosecution stating that the case had been transferred to Alexander county and that the trial would not take place until next Fall.
 The man who is to be tried is colored and it is alleged that although he did not strike the fatal blow, that he is the originator of the whole plan and prime mover in it, and he it was who instigated the crime and caused his accomplice, who was hung by an infuriated mob, to strike the death blow while he kept watch.
 We hope the prisoner will get simple justice at his trial we ask for nothing more.
A Card.
 To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, &c., I will send a recipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the Rev. JOSEPH T. INMAN Station D, New York City.
 "Truth lies in a nut-shell," and brevity is the soul of wit. To be brief, when the shell is broken, the truth will be discovered that the Grand Central Hotel, on Broadway, New York, now kept on both plans, the American \$2 50 or \$3 00 and the European \$1 00, and upwards per day, gives more satisfaction for the same money than any other first-class house in Gotham. An elegant Restaurant, at moderate prices, is conducted by the Grand Central.

Washing the Face.
 There are several wrong ways of washing the face, and but one right one. Towels, flannel, sponge are all out of place where the face is concerned. The hands only should be used. Doctor Wilson's directions are: "Fill your basin with about two-thirds full with fresh water; dip your face in the water and then your hands. Soap the hands well and pass the soaped hands with gentle friction over the whole face. Having performed this part of the operation thoroughly, dip the face in the water the second time, and rinse it completely; you may add very much to the luxury of the latter part of the operation by having a second basin ready with fresh water to perform a final rinse. But the care of the complexion requires that not only the face, but the whole body, should be daily subjected to the bath. The sponge-baths are, perhaps, the best, and the temperature of the water must be regulated by the sensations of the bather, and by the season of the year. No one can deny the charm of clear, soft color in the cheeks and lips, and it must be an incorrigible complexion, indeed, that will not yield to the measures that I have recommended."
The Sinking of the Little Steamer Fire Fly.
 The sprightly little steamer *Fire Fly*, belonging to Messrs O. G. Parsley & Co., which plies between this place and Smithville, carrying the U. S. Mail, caught on a piling while tied to the wharf in front of Messrs Parsley & Co's office on South Water street and sunk this afternoon about 2 o'clock. There happened to be no one on board at the time, the Captain and engineer both being ashore. The bow is still out of water and is held up by a cordon of ropes being passed around it and made fast to the shore. Hands are already at work making efforts to raise the sunken boat, and Mr. Parsley informs us that he expects the steamer to make her regular trip down the river to-morrow at the usual time. To our inquiries as to the extent of the damages, Mr. P. informs us that it was impossible to tell; it might be \$5 and it might be \$100. We sincerely trust, however, that the damage is only slight.
American Wines.
 But few persons are aware of the great amount of grapes raised in New Jersey. Alfred Speer is known to be the largest wine grower east of the Rocky Mountains. His Port Grape Wine is the best, and is considered by physicians and chemists as the best wine to be procured. It is ordered to London and Paris, where it is becoming very popular among wealthy families. For sale by J. C. Munds, P. L. Bridgers & Co and Green & Flanner
