Yet somehow or other we worry along. Every day toil is an every day blessing, reng day ton is an every day ofessing, Weak is the back on which burdens are But stout is the heart that is strengthened

by prayer. somehow or other the pathway grows Just when we mourn there were none to Hoje in the heart makes the burden seem And somehow or other we get to the end. Alpheus Burgoyne.

A Painful Scene.

Yesterday morning, while seven or eight old and reliable citizens were holding down chairs and boxes in a Michigan avenue grocery, and unanimously agreeing that this was the greatest country on earth, a stranger entered and said ;

Gentlemen, I suppose you are all faluli ar with politics. 'We are,' they replied in chorus. 'And you know all about the funda-

mental principles of liberty ?" ·We do. Well, I'm glad on it, for I've made s bet with a feller back here as to how the reading of the Constitution begins. One of you just write me down the

Fve Children at a Birth.

The account of the quartette of children at a birth recently recorded in the Baltimore American as being with their mother in Washington City printing the history of the birth of five children at one birth, in South Australia. The father, Jacob Schuler, is a Grman settler, and the mother stands six feet four inches and weighs 244 pounds. She has given birth to twins and triplets, and last October was again two infants had been born, and soon after three more were added. The father of the five is said to have sat stupidly down the mechanically gazing from one babe to another, simply saying, 'Mein Goti! mein Gott!' There were three boys and two girls, but no facts as to their weight and appearance immediately after birth are given. All of them are alive, and are said to be very healthy. Thanks to the wise provision of Yankee ingenuity in introducing the nursing bottle, they have | called Dr. William's Indian Ointment. A all been provided with an abundant single box has cured the worst old chronic supply of that fluid so necessary to the sustenance of infant life. A sixpenny subscription has been started in the colony for the benefit of this growing family. A full account of the case has been transmitted to the Secretary for the Colonies at London in order that it may be laid before the Queen, and Victoria, herself the mother of a large family, will no doubt suitably reward her fruitful subject. Michael Hegarty, the Austrian Barnum, is said to have offered Mr Schuler \$250 a week and all expenses of himself, wife and children to travel, but the offer was declined.

Washington Letter to Boston Herald. An Old-Time Bloody Duel.

Among the many bloody duels on record as having been fought by Congressmen was one in which James Jackson, of Georgia-who had been and who was afterward a United States Senator-was the challenged party. He was 'an Euglishman,' like the hero of 'Pinafore,' by birth, but J. C. Munds and T. S. Burbank. he came to Savannah when a lad, son, and fought gallantly in the Revolutionary War. He killed Lieuten n - Governor Wells in 1780 in a duel, and las engaged in several other 'affa re of studied law, was a leading Free-Man las engaged in several other 'affa rs of opportunity ever offered for those willing to honor, until he finally determined to work. You should try nothing else until ty, armed with a double barreled gun your spare time to the business, and make loaded with buckshot, and with a hunt- great pay for every hour that you work. ing knife, should row himself in a skiff to designated points on opposite special private terms and particulars, which sides of the Savannah river. When the city clock struck 12 each party abould start and row his skiff to a small island in the middle of the river, which was wooded and covered with underbrush On arriving at the island, each party was to moor his skift, stand by it for ten minutes, and then go about on the island till the meeting took place. The seconds waited on the main land until after 1 o'clock, when they heard three gunshots and loud and angry cries. Then all was still. At dayinght, as had been agreed upon, the seconds went to he island, and found Jackson lying on the ground, insensitle from the loss of blood, and his antagonist lying across him, dead.

Jackson recovered, but would never relate his experience on that right, not was be ever challenged again. He died in this city, while serving his second term as United States Senator, March 19, 1806.

YELLOW FEVER ---- BLACK VOMIT.

It is too soon to forget the ravages of this terrible disease, which wall no doubt return in a more malignant and virulent form in the fall months of 1879.

MERRELL'S HEPATINE, a Remedy discovered in Southern Nubia and used with such wonderful results in South America where the most aggravated cases of fever are found, causes from one to two ounces of bile to be filtered or strained from the blood each time it passess through the Liver, as long as an ex-7 cess of bile exists. By its wonderful action on the Liver and Stomach the HEPATINE not only prevents to a certainty any kind of Fever and Black Vomit, but also cures Headsche, Constipation of the Bowels, Dyspersia and all Malarial diseases.

No one need fear Yellow Fever who will expel the Malarial Poison and excess of bile trom the blood by pring MERREIL'S HEPATINE, which is sold by all Druggists in 25 cent and 110 bottles, or all base t by express by the Proprietors . F. M&R ELL & CO., Philacelphia, Pa.

Dr Pemberton's Stillingia or Queen's

Delight. The reports of wonderful cures of Rheumatism, Scrofula, Sait Pheum, Syphiiis. Cancer, Ulcers and Sores, that come from all parts of the country are not only remarkable but so miraculous as to be doubted wer it not for the abundance of proof.

Remarkable Cure of Scrofula, &c. CASM OF COL. J. C. BRANSON.

Kingston, Ga., Sept. 15, 1871, Gents:-For sixteen years I have been a great suffe er f om Scrofula in its most dis ressing forms. I have been co fi ed to m room and be i for fifteen y ars with scrofu lous ulcerations. The most approved remedies for such cases had been used, and the most eminent physicians consulted, without a y decided benefit. 'Thus prestrated, dis tress d, desponding, I was advised by Dr. yer, of Floyd county, Ga, to commence the use of your Composed Extract Stillingia Language is as insufficient to describe the relief I obtained from the use of the *tillingia as it is to convey an adequate idea of the in tensity of my suffering before using your medicine; sufficient to say, I abandoned ail other remedies and continued the use of v ur Fxtract of Stillingia, until I can say truly, 'l am cured of all pain," of all disease, with nothing to obstruct the active pursuit of my profession. More than eight months have elapsed since this remarkable cure, without any return of the disease

For the truth of the above statement, I refer to any gentleman in Bartow county, Ga, and to the members of the bar of Cheroke-Circuit, who are acquaint d with me. I shall ever remain, with the deepest gratitude,

Your obegient servant, J. C. BRANSON, Att'y at-Law.

A MIRACLE.

WEST POINT, Ga., Sept. 16, 1870. Gents:-My daughter was taken on the 25th day of June, 1863, with what was supposed to be Acute Kheumatism, and was treated for the same with no success. In March, following, pieces of bone began to work out of the right arm, and continued to appear till all the bone from the elbow to the shoulder joint came out. Many pieces of b ne came out of pronounced one of White Swelling. After having been confined about six years to her bed, and the case considered hopeless, I was Fatract of Stillingia, and was so well satisfied with its effects that I have continued the use of it until the present. My daughter was confined to her bed about

six years before she sat up or even turned over without help. She now sits up all day, and sews most of her ti e-has walked across the room. Her general health is now good, and I believe she will, as her limbs gain st ength, waik well. I attribute her recovery, with the blessing of God, to the use of vour invaluable medicine. With gratitude, I am, yours truly. W. B. BLANTON. WEST POINT, GA., Sept 16, 1870.

Gents:-The ab ve certificate of Mr. W. B. Blanton we know and certify to as being true. The thing is so; hundreds of the most respected citizens will certify to it. As much reference can be given as may be required.
