A Sure Cure for Piles

A SURE CURE for the blind, bleeding, itching and ulcerated piles has been discovered by Dr. William's Indian Ointment, called Dr. William's Indian Ointment, which single box has cured the worst old cases of twenty-five and thirty years standing. No one need suffer five minutes after applying this wonderful soothing medicine. It is more than good. William's Ointment cures the tumors, allays the intense itching (particularly at night after getting warm in bed), acts as a poultice, gives instant and painless relief, and is prepared only for the itching of the private parts and nothing else.

Consulted physicians in Philadelphia, Louisville, Cincinnati, Indianapolis, and this city, and spent hundreds of dollars in this city, and found no relief until I obtained a box of Dr. William's Indian Ointment, which I used immediately and it cured me completely.

JOSEPH M. HYDEN, Cleveland, Ohio.

"Has done me more good than all the medicine I ever tried, and I have spent more than \$100 with doctors, besides medicines I have cured me more than \$40. Ingraham, N. Y."

"Has suffered twenty years with piles and ulcerated piles, but by using Dr. William's Indian Ointment, my suffering has been removed, and I have been able to attend to my business."

JOSEPH M. HYDEN, (an old miser)

No Pile Remedy ever gained such rapid favor and extensive sale as Dr. William's Indian Ointment. Sold by J. C. Munds and T. S. Burbank, me 20-cw-d-w
