The Fire this Morning. The alarm of fire was sounded this morning at 1 o'elock, caused by the burning of a frame building on Wooster, between Ninth and Tenth streets, owned and occupied by Mr. Aaron Davis. The flames rapidly spread and soon two buildings adjoining, belonging to Mr. Jno. B. Wilkins, were consumed. A

house owned and occupied by Henry Green caught, but was soon extinguished. Mr. Davis, in whose house the fire originated, does not know the origin of it. He was awakened from his sleep by the cries of one of his children and discovered that one end of his house was in a light blaze. He got his family out as hurrledly as possible, and then returned to try and save his furniture. Two mattresses and one chair was all that was saved, and as Mr. Davis came out he was burned on the

hand and his hair badly singed. There was an insurance of \$300 on his houses, which will hardly cover the loss. The house next consumed was unoccupied and owned by Mr. Wilkins. The third house destroyed was occupied by Jacob Robinson, Sr. He saved all of his household effects. Henry Green's house was insured and the damage done is fully covered.

Mr. Wilkins resides out of the city, and we could not ascertain if his property was insured. Officer Edward Griffith sounded the alarm through the telephone on the corner of Seventh and Castle Streets, and the fire department were not long in get ting to the scene of cenflagration.
