tles Wound up by a Dance. "On the corner of Eleventh and Market | 000 in the Piedmond & Arlington Com streets, at the residence of Mr. John G. Oldenbuttel, the Wilmington Hanover Turn Verein have had erected their gym. nasium. The Wilmington Hanover Turn Verein was organized in this city on the 22nd of last June, with the following officers: Jno G Oldenbuttel, President; W H M Koch, Vice President; J D Klander, Treasurer; H Wentzensen, Secretary an 12d Instructor; H Hintze, 1st Instructor Since then, the Club has rapidly grown and now numbers thirty-eight members, as follows:

Honorary Members-A Adrian, A C H Prempert, John Bauman, F W Heyer Active Members-Martin Rathjen, Jne G L Gieschen, W Otterson, Chris Hubert, Chas Klein, H H Kasprowicz, A C We :sell, E W Dosher, F Luhrs, S H Fishblate, C H Stemmerman, F C Miller, G H Heyer, M Bremer, C V Oesen, John Haar, Jr, John Meyer, Theo Fincken, Wm Genaust, W F Lessman, W H Gerken, J G Steljes, C Wessell, Chas Micha sen, J Mohr, Aug Wehrhahn, Chas Stranger-

Last evening we were present at the second of the public practices and were as much surprised as pleased to see the acrobatic feats performed by four of the members. The frame of the gymnasium is 10 South Front street. thirty feet wide by twenty four feet high to top sill, but forty to top of flag poles. The gymnasiun was illuminated with Chinese lanterns and decorated with evergreens. From the three flag po'es were flying the colors of Germany, the United States and those of the Hanover Turn Verein, a red flag with four F's on it in the shape of a Maltese cress which is the motto of the Association al over the country. The uniform of the Club in this city is white jacket and pants and red belt with the words 'Gut Heil' and the Maltese cross formed by the four F's woven in. The gymnasium is complete and is supplied with jumping and horizontal bars, trapeze, climbing ropes, swinging ropes, ladder, climbing poles, etc, At the appointed time Mr. Harman Hintzer first instructor, led up to the bars follow ed by Messrs Martin Rathjen, John G L Gieschen and Chas Stemmerman. The 'turners' were dressed in the uniform of the Club and went through a series of evolutions which were marvellous when the short time for training is taking into consideration. Many of their acrobatic feats were as handsomely and as gracefully done as one usually sees by professionals. There are

about twenty very fine "turners" in the club, but on account of sickness and other reasons some of them were not present. After the gymnasium practices the spectators adjourned to the ball room and wound up the festivities of the evening by a dance. The hall is over Mr. Oldenbuttel's store and is admirably adapted for dancing. It was decorated with flags etc. At 12:30 o'clock supper was announced and Mr. and Mrs. Oldenbuttel served the guests with a handsome
