A party of ladies and gentlemen made an excursion trip up the North West river yesterday afternoon, on the steam tug *Wm. Nyce*.

Licensed to Preach.
We learn from the Rev. A. B. Wannet of Masonboro Sound, that at the Conference of the Missionary Baptist Church, of Masonboro, held on Saturday night, the 21st inst., Mr. Miles Walton was licensed to preach.

Dr. James Corrie, Dentist, in Baltimore writes: "I have used Dr. Bull's Cough Syrup personally and in my family for two or three years, and am prepared to say that there is nothing to compare to it as a remedy for Coughs, Colds etc."

Good Evidence.
When such men as the Rev. Dr. Harvey, Father Fitz Gerald, Prof. Green, Dr. Bartine, Col. John K. McChesney, E. W. Neff, and a host of others equally trustworthy, certify over their own signatures to the marvelous efficacy of Warner's Safe Kidney and Liver Cure, in the diseases for which it is recommended, it is time to dismiss doubts on the subject.

Base Ball Match.

We understand there is to be a base ball match between two picked nines of the best players in the city, on Friday the 27th inst. It is thought the game will be played at the Athletic Grounds, though no definite arrangements have yet been made. The game will commence at 2 30 o'clock.

Escaped and Captured.
John Winn, colored, who escaped from the House of Correction about one week ago, was captured in this city last night by special officer Strode and lodged in the guard house. This morning Winn was turned over to the Superintendent who has placed him in close confinement.

Discharged.
Jeff Mosely, colored, who was one of the jurors drawn in the case of Maria Hall, and who was turned over by his Honor Judge Meares, on the charge of perjury, to a Justice of the Peace, had a hearing this morning. The State failing to show any criminal intent on the part of the prisoner, he was discharged.

Criminal Court.
The Court convened to-day at 10 o'clock when John Murrill appeared and paid a fine of twenty-five dollars and costs and departed. His Honor had sentenced him to 12 months imprisonment in the State Penitentiary, but upon the payment of the fine and costs the judgment of the Court was suspended. The Court then adjourned for the term.

Domestic Infelicity.
Henry Cruse seems to have had trouble in his family. He and his wife did not get along together very nicely, and Henry struck his wife with a chain, and then assaulted her with a knife. He says the assault was in self defence, while his wife says it was "de debil in him an' not'ing else." She says he has not supported her in several weeks and that "de debil told her to come after him."

City Court.
Henry Cruse, colored, charged with assault and battery with a deadly weapon was bound over to the Criminal Court in the sum of \$100. In default of bond he was turned over to the Sheriff.

Victoria Swain, a brunette daisy of the Hollow was arraigned for disorderly conduct, and was fined two dollars or five days in the City Prison. The fine was paid and the prisoner released. This case wound up the Mayor's levee.

Good For Pender.
A few days since we published the number (13) of marriage licenses issued during the month of January, 1880, by the Register of Deeds of Pender county. This morning we were informed by W. T. Bannerman, Esq., clerk of the Superior Court of Pender, who gave us the pleasure of a brief call, that since the 1st of December, 1879, the Register of Deeds of that county has issued marriage licenses to 50 couples, as follows: Thirty in December, 13 in January and 7 thus far during the present month.

Read It.
We trust that our readers, who are opposed to the recent hasty action of the Executive in regard to the sale of the W. N. C. R. R., as well as those who side with the Governor, will read the very able article on that question published in the Review this afternoon, and clipped from the Raleigh Dispatch of yesterday's date.

Successfully Gotten Off.
The schooner *A. F. Randolph*, which has been previously reported ashore on the "Fingers," at the mouth of the river, has been successfully gotten off and brought to this city. Mr. F. A. L. Cassidy superintended the job, which is thought to be, by persons who know whereof they speak, a very creditable one indeed. About ten days ago he commenced his work and dragged the schooner 543 feet through the sand. She was put in the channel this morning, when a steam tug took hold of her and towed her to this city. It was found that the vessel was leaking badly and that it required the incessant working of the pumps to keep her afloat. The vessel before Mr. Cassidy commenced work on her was high and dry on the shoals, and persons could have walked around her dry footed. Mr. C. deserves much credit for the skillful manner in which he floated the ship.

Liquor Dealer's Association.

At a meeting of the Wilmington Liquor Dealer's Association, held at Howard Engine House Hall on the 23d inst, the following were the proceedings: Mr. H. E. Scott, President in the Chair.
Owing to sickness, the Secretary, Capt. James McGowan, was absent, and Mr. R. F. Eyden was appointed to act as Secretary pro tem.

Minutes of the last meeting read and approved.

The Committee appointed at a previous meeting to ascertain of the proper authorities the names of all licensed liquor dealers in New Hanover county, and to place before them the object of the Association, reported, through their chairman, Mr. R. F. Eyden, twenty five dealers, who, upon application and payment of membership fee, were admitted into the Association.

Mr. B. H. J. Ahrens was unanimously elected Treasurer of the Association.

The following Committees were appointed by the President:
On Constitution and Bye Laws, R. F. Eyden, John Carroll, Charles Von Kampen, J. F. Stalter and William Geinaust.

Visiting Committee, John D. Stejles, A. D. Wessell, John Oldenbutter, Edward Bryson, Henry Bush and Robert Portner. On motion, the President was also added to these Committees.

Committee on Finance, H. E. Scott, President, James McGowan, Secretary, and B. H. J. Ahrens, Treasurer.

On motion, it was Resolved. That this association respectfully requests all counties, cities, towns and villages to meet us in a general way in sending to the General Assembly, which is to convene on the 15th of March next, a delegation to place before that body our grievances and to demand relief from the unjust and enormous taxes to which we, as dealers, are subjected.

The President appointed a committee of three whose duty it shall be to draft and have printed a circular, to be sent to all dealers in the State.

On motion, it was declared that all committees be required to report at the next meeting of the association.

Meeting adjourned to meet at the same place at 7 o'clock p. m. on the 2nd day of March next.

Dr. W. Cowan Green and wife who have been on a visit to this city for a week past, will return to their home on to-morrow evening.

It is not yet known who will be Capt. Frank Barr's successor.

We regret to learn that Capt. James M. McGowan has been confined by sickness to his home for several days past.

A Golden Wedding
Mr. Henry Nutt to-day celebrated the fiftieth anniversary of his wedding day, by inviting the members of the Chamber of Commerce, of which Mr. Nutt is an honorary member and also the members of the Produce Exchange, to call at his residence on Red Cross, between Front and Second streets, and join the wedding pair in a glass of wine in commemoration of the event of which this is the golden anniversary. The two bodies accepted the invitation, and between 12 and 1 o'clock, to-day, proceeded to Mr. Nutt's residence, where the health of the venerable couple was proposed with many wishes for frequent anniversaries of the happy day.

The Last Carriage Sale of the Season.
We call attention to the advertisement of the sale of vehicles by Messrs. Cronly & Morris, to be found in another column of this issue. These carriages are from the celebrated manufactory of Lewis Cook of Cincinnati, Ohio, and we are informed by Mr. Huffman, the manufacturer's agent in this city, that more than 100 of these vehicles have been sold here within the last three months.

This will be the last sale of the season, as Mr. Huffman has been ordered home, but we are glad to learn that he expects to return to Wilmington again next season. He has evidently drank of our famous Rock Spring water, in which case he will be certain to return.

The Lecture Last Night.
From those who attended the meeting last night of the Historical and Scientific Society, and listened to the lecture of Mr. Norwood Giles, we learn that the audience seemed not only gratified but highly entertained and well pleased also. The humor that is deep seated in Mr. Giles showed itself quite frequently during the course of the lecture, and was the cause of much mirth and laughter on the part of the audience. Mr. Giles' theme was Ornithology, but he dwelt more particularly upon the birds of this section. The Martins were referred to and their places of abode described, the houses that are furnished them free, and which the speaker added, par parenthesis, are the only abodes in this godly town that are above taxation. The lecture, we are told, was interesting throughout, and was listened to with marked attention.
