## The Primaries.

We were not in error in our last issue when we published the rumor that at the primary meetings held in Masonboro, Federal Point and Harnett township, in this county, the delegates elected had been instructed to cast their votes in the County Convention for Maj. C. M. Stedman.

At Masonboro township the delegates elected were Messrs John A. Farrow, Charles Craig, Jr., Stowel Montford, Wm. Martin and R. E. Heide--all for Stedman.

At Federal Point, Messrs Joseph Montgomery and Jacob Horne--both Stedman men--were unanimously elected as delegates to the County Convention.

Harnett township elected Messrs G. Walker, J. G. Parker, Chas. H. Bonham, R. J. Mason and C. H. Alexander as delegates to the County Convention--all for Stedman.

At Cape Fear township the delegates elected were Messrs A. J. Grady, James Cowan and Iredell Johnston, and they were instructed to cast their votes in the County Convention for Col. A. M. Waddell.

In the First Ward in this city the Stedman delegates received 86 votes, against 75 for Waddell.

In the Second Ward the Waddell delegates received 138 votes against 102 for the Stedman delegates.

In the Third Ward the Stedman delegates received 126 votes and the Waddell delegates 114 votes.

In the Fourth Ward the Stedman delegates received 124 votes and the Waddell delegates 114.

In the Fifth Ward the Stedman delegates received 75 votes and the Waddell delegates 45.

The following is a list of delegates from the various wards in the city:  
First Ward--Joseph J. Bowden, John Barry, L. L. Boon, J. Wm. Strauss, S. Hill Terry.

Second Ward--Jno. W. Dunham, Roger Moore, G. J. Boney, P. Glavin, R. F. Eydin.

Third Ward--L. H. Bowden, H. C. Prempert, Jos. S. Mitchell, C. G. Southerland, Duncan K. McRae.

Fourth Ward--O. H. Robinson, A. Adrian, Jas. Reilly, John H. Hanby, J. I. Macks.

Fifth Ward--J. D. H. Klander, Jesse Dicksey, F. H. Darby, John G. Darden, P. F. Dicksey.

By the above it will be seen that the delegates to the County Convention stand as follows:

**STEDMAN DELEGATES.**

Harnett Township.....5  
Federal Point Township.....3  
First Ward.....5

**WADDELL DELEGATES.**

There was very much more than an average attendance and enthusiasm at all the meetings, especially in this city, and partisans worked for their especial favorites with zeal and fidelity.

**Personal.**  
We were pleased to receive a brief call this morning from Rev. F. H. Wood, of the M. E. Church, South. Mr. Wood will be pleasantly remembered by many of our citizens as having been the pastor of the Fifth Street Methodist Church in this city a few years ago. He is now stationed at Durham, and, in addition to his pastoral duties, is the editor of the Methodist *Advances*, published at Durham. He will preach to-morrow morning at the Fifth Street Church and to-morrow evening at the Front Street church.

## CITY COURT.

**Bunged Eyes and Bloody Noses.**  
At 10 o'clock this morning Mayor Fish plate took his seat in the Court Room and the Clerk began with the docket. The attendance was unusually large and the list of cases quite lengthy. Numerous black eyes were visible among the audience and of scarred noses there were not a few. The black eyes, however, seemed to predominate, numerically speaking--from the fact we suppose that none of the belligerents were the happy possessors of more than one nose.

There were fifteen cases of affray on the docket, but without investigating the matter the Mayor seemed to take it for granted that it was all the result of undue excitement and bad whiskey in the electioneering spree last night, and suspend judgment in each case as fast as it was called and discharged the defendants. His Honor, however, cautioned the guilty parties that judgment was only suspended and in the event of another breach of the peace they would receive two-fold punishment, or words to that effect.

Two colored men were next arraigned for some misdemeanor and they likewise received the benefit of the Mayor's lenient humor.

The next case called was that of a man who claimed to be a Virginian, and said he was on his way to Charleston, S. C. His offence was being drunk and down in a private lot. He was also told to go and sin no more.

John Evangelist, colored, charged with violating a city ordinance, was next arraigned, and at the request of defendant, owing to the absence of witnesses the case was continued until Monday morning.

Stephen White, the venerable actor, who made two appearances in this city, in the character of the penitent drunkard, before the Mayor's Court some months ago, again made his appearance this morning in the same character, after an absence of several months, which were spent, he alleges, in South Carolina.

The poor old man's *tout ensemble* this morning added very much to the genuineness of the character he personated. He prayed forgiveness, as usual, stating in pathetic words, to which he tried to give a little dramatic effect, that he was an old gray-haired man who had turned his seventy sixth year. The Mayor listened to and granted his prayer, but told him he must be out of the city by 12 o'clock. The old fellow bowed his thanks and hobbled out of the court room. This cleared the docket and the court then adjourned.

**Mrs. Scott Siddons.**  
There was, we regret to say, only a fair audience in attendance at the Opera House last night. The primary meetings which were being held in the different wards of the city undoubtedly kept many away, who would otherwise have been present. The audience, however, although not large, was appreciative and they were treated to an entertainment of rare merit, such as it is seldom our fortune to be favored with. Mrs. Siddons is a remarkable woman--remarkable in her beauty and for her grace of form and feature and remarkable for her marvelous dramatic power. We are assured by those who were so fortunate as to be present that it was an entertainment which has had no superior among the many which have been given in our Opera House since its erection. If Mrs. Siddons could only manage to pay us one more visit, and that it a more opportune moment, we have no hesitation in assuring her that every nook and corner of the house will be filled.

**A Heavy Frost.**  
There was a very heavy frost on the ground in this section this morning but yet, notwithstanding this fact, we have yet to hear of any serious damages resulting to it although it is feared that the truck gardens have suffered somewhat. We have examined some vegetation in the city and find that the injuries have been very slight. Even the tender young seedlings appear to have escaped, although exposed to the atmosphere, and the young peaches on a tree we examined do not appear to have been hurt at all. It will be strange, however, if the crops in the interior escape disaster from the effects of the snow which fell on Thursday.

To-morrow is known in the Church Calendar as the Second Sunday after Easter.

## The Result.

In all of our political experiences in Wilmington we have never yet known such an interest in a primary election within the limits of the Democratic party as was exhibited here yesterday. The excitement culminated then and has hardly been allayed as yet. There were several fights during the afternoon and as a result the Mayor's Court this morning was adorned with a number of very respectable black-eyes.

The interest here was divided entirely between the friends of Col. Waddell and Maj. Stedman. In other portions of the district there will undoubtedly come up other candidates and there will ensue a greater diversity of personal preferences. Maj. C. M. Stedman will go to the other counties of the district carrying with him his own county. Yet the vote here especially in Wilmington, was a very close one. His majority in the town, not of delegates, but of votes, is only 37, or an average majority in each ward of 7.25 votes. This is what might be called a close issue, and will indicate of itself the intense interest which was manifested in the result and how nearly the contestants divided the popular favor.

**Criminal Court.**  
The Spring term of this tribunal closed to-day. The docket was disposed of and the jury discharged last evening. It was, however, necessary for the Court to convene for a short time to-day in order to settle a few bills of costs and transact some other routine business incident to the session, after which, as we have stated, the Court adjourned.

The lecture which Rev. Dr. Pritchard has promised for the benefit of the Wilmington Library Association will be delivered at the Opera House in this city next Tuesday evening, at 8 o'clock.

**University Normal School.**  
To the Teachers of the State and those desiring to Teach:  
The fourth session of the University Normal School will begin on the 24th of June and close on the 29th of July, 1880. No efforts have been spared to enlarge the usefulness of the School, and to make it possible for the humblest teacher in the State to attend its exercises. The Superintendent and the Professors, as heretofore, will be men of special training and experience in their respective departments, as well as experts in Normal methods.

The scheme of instruction will include besides the common school branches, instruction in Natural Philosophy, Geometry, Algebra, Higher English, Latin, Penmanship, Book-Keeping, Physiology, Kindergarten and Vocal Music.

The Kindergarten Department will be managed by a teacher of national fame and vast experience in Kindergarten work.

Lectures by expected on topics of special interest to teachers from distinguished educators of public men.

Good table board may be had in Chapel Hill at \$10 per month, \$12 50 for board and furnished room. Gentlemen can obtain rooms in the University buildings free of cost, except a small sum for the use of the furniture. By forming clubs board may be reduced to \$6 or \$7 per month. Facilities will be provided students whereby they may cook their own food. In this way the cost of living was reduced to \$1 per week by students at the last Normal School.

Arrangements will be made whereby students may travel to and from the school on the several railroads for one fare. Return tickets should always be bought before taking the train.

Through the kindness of the Rev. Dr. Sears, Agent of the Peabody Fund, a sum has been given to assist in paying the expenses of the teachers whose own means will not enable them to attend the school. This sum will be applied to the payment of traveling expenses, so that all students may reach the school on an equality.

All persons desiring aid will apply to President Battle, at Chapel Hill, by mail, before May 20th, so that each one may learn in advance what amount he will receive.

Text-books will be loaned free of charge to all persons attending the School.

Thus it will be seen that for five or six dollars any teacher in our State may attend the exercises of the Normal School, and secure for himself and his pupils its incalculable blessings.

Those wishing, before leaving home, to make arrangements for board, will please write to Mr. A. Mickle, Agent of the School, Chapel Hill, N. C.
