About Tilden.
There is a paragraph going the rounds of the press, which states that Gov. Tilden is 'palsied in both hands and tottering on the brink of the grave.' A prominent gentleman from this section saw Mr. Tilden in New York last week and he says that such talk as the above is all bosh; that Mr. Tilden appeared to be in the enjoyment of remarkably good health and was active and strong for a man of his age. This is reliable.

Rats for Sale.
An enterprising individual has been about the city offering rats for sale. He did not state whether they were to be made pets of or introduced a Chinese cheap dish as an article of consumption. His stock in trade, viz: 11 rats, was offered at the nominal price of 10 cents for the lot. This dealer in rats stopped at the house of a lady on Nun street and offered his stock for sale. At the mention of rats the lady jumped ten feet and cried, "lawd, lawd, take 'em off." At last accounts the rat vender was crying "nice fat rats, only 11 left, 10 cents."

Democratic County Convention.

The Democratic County Convention was called to order at the Court House in this city this afternoon, at 3 o'clock, by Mr. DuBrutz Cutlar, Chairman of the County Executive Committee, who proceeded to call the list of delegates from the different wards and townships. All were found present except the delegates from Federal Point and one delegate from the Third Ward.
On motion Mr. Chas. H. Robinson was appointed temporary Chairman of the Convention.
On motion, Mr. L. L. Boon was elected temporary Secretary.
On motion the temporary Chairman was made permanent Chairman of the meeting. On taking the chair Mr. Robinson made a few brief but very appropriate remarks which were received with much satisfaction by the delegates.
Mr. L. L. Boon was also made permanent Secretary of the meeting.
The Convention being duly organized a resolution was offered to the effect that the Chairman be empowered to appoint 75 delegates to the Congressional Convention and 40 delegates to the State Convention, the Chairman to have until the 24th inst. to publish the list of the same. Adopted.
Mr. F. H. Darby presented the following resolutions:
We, the representatives of the Democratic people of New Hanover County in Convention assembled do hereby resolve:
1. That we view with profound alarm the constant and progressive movements which under Republican administration are being made to consolidate power in the Federal, to the displacement of the local self-government, and thereby to destroy the methods and form of constitutional government which the forefathers of the Republic, a century ago, so gloriously and so successfully fought to establish.
2. That any system whereby the armed soldiers of the United States are to be present at elections, held by the people, and under pretense of keeping peace at the polls, to overawe and intimidate voters, is deserving of reprehension by a free people, and the only safeguard of liberty is its successful overthrow.
3. That the late decisions of the Supreme Court of the United States, recognizing the right of Congress to pass coercive measures to compel State officers to perform official duties, assert a power inconsistent with, and destructive of, the independence of the State. That the true principles of government are expressed in the dissenting opinion of Justice Field and the Democratic party pledges itself to their support.
4. That it is the duty of the good people of the United States to wipe out the stain which the fraudulent actions of the Republican leaders in the last Presidential election has put upon the purity of the ballot, by restoring to the people the right to elect and inaugurate their chosen officers free of force and fraud.
5. That rigid economy, low taxes, honest reform in the civil service and local self-government, constitute the aim and object of the Democratic party and to maintain these it will devote its ceaseless energies.
6. That it is of vital importance that this Congressional District should recover its Democratic representation, lost in the last election, and to this end a candidate should be elected who shall be both of ability and availability.
That in a spirit of earnest brotherhood, and in the interest of the whole District, this Convention doth now present to the other counties the name of our fellow-citizen, Charles M. Stedman, a true, tried and reliable Democrat, a sound, practical and successful man of business, an able lawyer, a generous friend of the poor man, and an ardent and eloquent advocate of the rights of the people; and the delegates from this county to the Congressional Convention are instructed to cast their vote solidly for him, and to use all honorable and proper means to effect his nomination. Adopted.
The following resolution was then adopted:
Resolved, That the vote of New Hanover county shall be cast as a unit in the State and Congressional Conventions to be held, and that a majority of the delegates shall decide for whom the votes shall be cast. Adopted.
On motion the following County Executive Committee were unanimously elected for the ensuing year:
First Ward—S Hill Terry, W J Mott.
Second Ward—Col Roger Moore, J W Dunham.
Third Ward—Jas W King, John W Perdue.
Fourth Ward—A Adrian, R W Price.
Fifth Ward—F H Darby, P T Dicksey.
Masonboro Township—Jas A Farrow.
Federal Point—J H Horne.
Harnett—Gerritt Walker.
Cape Fear—Iredell Johnson.
The following resolution was presented to the meeting:
Resolved, That all matters pertaining to nominations for county officials be referred to the Executive Committee of this county with full power to act. Adopted.

The following resolution was then introduced:

Resolved, That the course of Col A M Waddell, in declining the further use of his name in connection with the Democratic nomination for Congress, thus harmonizing the Democracy of New Hanover county, is deserving of the thanks of this Convention and the same are hereby tendered him.
Unanimously adopted:
The following protest from delegates from the Second Ward was then read by Maj. John W. Dunham:
The undersigned, from the city of Wilmington, desire to put on record an expression of their opinion as to the call of the Executive Committee of this county for the meeting of their Convention, as well as of the primary ward and township meetings, ordered by said Executive Committee, and to have the same presented to the District Convention for its consideration and action.
We earnestly protest against the action of said Committee, because the meetings referred to were ordered to be held hurriedly and before the District Executive Committee was called together to fix a time and place for holding the District Convention. Such a proceeding was never heard of before in the history of the Democratic party, so far as we know, and we regard it as undemocratic and unwarranted by any party necessity.
The Congressional District Executive Committee do not meet until Wednesday, the 21st inst., and, therefore, this convention has assembled to appoint delegates to a convention not yet called, at a place not yet agreed upon. It is, in our judgment, discourteous to the District Committee, and, if allowed to pass unnoticed, will be a precedent dangerous to the harmony of the party, and, therefore, we desire that the District Convention, when called, authoritatively decide, whether in future such premature action by County Executive Committees shall be valid.
(signed) DUBRUTZ CUTLAR, RUDOLPH F. EYDEN, JOHN W. DUNHAM, ROGER MOORE, PATRICK GRAVIN,
This protest was laid on the table.
Remove the Duty.
A petition was being circulated this morning and very generally signed by all classes of our citizens, but more especially by our merchants and business men, praying Congress to remove the duty upon salt. The movement, we understand, originated in New York.
Laid Up for Repairs.
The steamer D. Murchison, of the Express Line, is laid up at Fayetteville for repairs. The Wave, however, is making regular trips, leaving here on Wednesdays and Saturdays, the Murchison's trip days the regular schedule of the Wave having been temporarily abandoned.
An Amphibious Monster.
A huge alligator, which was very nearly twelve feet in length, by actual measurement, from the tip of his nose to the tip of his tail, was killed on Black River yesterday and brought here during the afternoon on the steamer John Dawson. It was carried up into the old market, where it was visited by hundreds of the curious and to-day was carted off to the outskirts where the skin will be tanned and sold.
The Pender Primaries.
Primary elections were held in the various townships in Pender county to-day for delegates to the County Convention. A dispatch from Burgaw says that Holden township has gone almost unanimously for Maj. Stedman. It is also reported that information has been received from Rocky Point to the effect that that township has also declared for Stedman but this seems to lack confirmation. It is generally conceded, we believe, that Maj. Stedman will carry Pender county. Full information as to the result will not be received here until 9 or 10 o'clock to-night.
The Very First.
By notice published elsewhere it will be seen that the steam yacht Passport has been chartered for an excursion down the river on Wednesday next. The boat will leave her wharf at 9 o'clock and will stop at Fort Fisher going and returning, and will visit Smithville, Bald Head and Fort Caswell, making the longest stop at the latter point. Refreshments will be provided on board at city prices, objectionable persons will be excused and the management promise to do all they can to promote the comfort of those who may be on board. In a word it will be a family excursion and as such we trust that it will be liberally patronized.

Young man, round, at a party to get a bashful young girl to give you a song, is, in your respect, a pleasing matter.
Some merchants are greatly outdone when sales are dull, and they studiously avoid advertising in the very mediums which would bring them customers.
In old times it was the custom to exclaim to bores and such people: "Go to!" The same expression, with additions, is used to-day.
Everybody can get suited with a Pocket Knife, also Table Cutlery, at JACOBI'S Hardware Depot.
Grateful Women.
None receive so much benefit, and none are so profoundly grateful and show such an interest in recommending Hop Bitters as women. It is the only remedy peculiarly adapted to the many ills the sex is most universally subject to. Chills and fever, indigestion or deranged liver, constant or periodical sick headaches, weakness in the back or kidneys, pain in the shoulders and different parts of the body, a feeling of lassitude and despondency, are all readily removed by these Bitters.
