Ephraim Smith, colored, an important witness in the case of the State against John Merrick, charged with the burning of Mr. John A. Sanders' residence some two years ago, was arrested this morning upon a warrant issued by Justice Gardo- ner upon the charge of larceny of pork, said to have been committed by defen- dant, in company!with one Henry Crewr, eome time since, from Mr. John A. San- ders. Crews took his departure for Ral- eigh about three weeks ago under sentence of the Criminal Court for a visit of 20 years duration to the State Penitentiary, and in all probability Smith will follow in his wake, unless he takes advantage of the oppertunity which may be offered him by the State to turn State's evidence against Merrick. Smith was arrested this morning as stated above and committed to jail in default of bail. This makes sure of defendant Smith as a witness in the arson case, when otherwise the State might not have been so sure of him, as he was known to be dedging the officers of the law, to prevent appearing as a 'wit- ness against his former pal and Confed- erate, John Merriek.
