Twenty-Seventh Annual Session of the North Carelina Medical So.

CONTINUED FROM YESTERDAY'S REPORT. Dr Carr moved that the Constitution of the Society be printed with this year's proceedings of the Convention and a copy

furnished to each member. Carried. The Chairman called for the reports of he chairman of sections.

Dr W C McDuffie, on Surgery and Anatomy, stated that he was unable to make a report, as he had been too busily

engaged to attend to it. Dr Wilson, on Obstetics and Gyr acology, was absent, but Dr Hicks stated he had the report, and consent was given to postpone its reading until this morning.

Dr James McKee, on Practice of Medicine, and Dr Tull, on Microscopy and Pathology, were both absent.

Dr C Tate Murphy stated he had not written out his report, and was granted further time.

Dr K F Lewis, on Ophthalmology and Othalogy, submitted a comprehensive and interesting report.

Dr Gaither offered the following: Resolved. That the committee appointed upon the Edgecombe resolution be instructed to consider and report in regard to the advisabilitiy of urging upon the profession and people what action we should take to procure a statutory lien for medical attendance.

Dr Wood, at the request of Dr Anderson, read a letter from the Medical Society of Georgia, asking the North Carolina Medical Society to unite with them in forming a new National Board of Health.

Dr Wood moved the subject be made the special order for to-morrow morning, immediately after the regular order of business. Agreed to.

Dr J D Roberts read a paper on a case of hip joint disease, exhibiting instruments and practically illustrating the manner of use on patient, a little boy.

Dr Faison spoke in reference to this Dr Picot moved to refer the paper to the

committee on Publication. Dr. Holmes, of committee on Credentials reported the name of Dr L Hussey, of Duplin county, and moved that he be received into membership. Agreed to.

On motion of Dr Picot, the Society then adjourned until 8:30 o'clock.

THIRD DAY.

MORNING SESSION. The Convention was called to order by Dr McDuffie, of Fayetteville, Vice Presi-

Dr. Picot, the Secretary, announced that Dr Shaffner, the President, had been unexpectedly called home.

Dr Wood stated that the special order for this morning was the consideration of the report of the Georgia Medical Society in reference to the Yellow Fever Quarance tine. A bill was now pending in Congress and the Georgia Medical Society wished the endorsement of this Convention to strengthen them before Congress. Dr Wood requested that the consideration of the matter be deferred for a few minutes in order to allow Dr. Anderson to be present during the consideration of it.

Dr Summerill, Chairman of Nominating Committee, made the following nomination of officers for 1880, which was unanimously adopted:

For President - Dr Richard B Haywood, of Raleigh.

For Vica-Presidents-Drs J A McRae, Gynacology. of Fayetteville; W H Lilly, of Concord; R H Speight, of Tarbore; W J H Belamy, of Wilmington.

For Treasurer-Dr A G Carr, of Durs For Secretary -Dr L J Picot.

For Orator-Dr J F Long, of News

Delegates to the American Medical Association for 1881-Drs A W Knox. Eugene Grissom, Raleigh; Tcos F Wood Geo Gillett Thomas, Wilmington; Hubert Haywood, Raleigh; J F Shaffner, Salem; Jos Graham, Charlotte; T D Haigh, Fayetteville; Chas J O'Hagan, Greenville; J A Baker, Tarboro; M Whites head, Salisbury.

Delegates to Virginia Medical Society -Drs R L Payne, Lexington; H M Alford, Greenboro; H 'l' Bahnson, Salem; Winston; H S Norcom, Wilmington. Public Health Association-Dr Thos F

Wood, Wilmington. ton, Tarboro; H W Faison, R L Payne. Committee on Obituaries-Drs E Burke they thought best. Haywood, P E Hines, Jas E McKee, Raleigh.

Board of Censors-Drs N J Pittman, Chas J O'Hagan, J J Summerell.

Dr S S Satchwell, Chairman of Com. of cotton in dressing fresh wounds. mittee on Ocituaries, reported that since the last session of the Society the following named gentlemen have died.

Drs Edward Strudwick, W W Davis, Hysterosis, Nausea Gravidum was read A B Wright, J Francis, King, William and the paper referred to the Committee Little.

Dr McDonaid, of Washington, move ! to amend section 3, of ar icle 8, of the Constitution of the Society Upon motion the amendment was past year. Upon motion the report was

unanimously adopted. Dr W C Murphy read an interesting paper on Aucient Medicine. At the conclusion Dr Murphy stated that the paper was but the result of a few hours reading donate \$50 to Dr. Carr, the Treasurer, as

and wished to withdraw it. The case of irregular practice of Dr R W Glenn, of Guilford county, was refer red back to the County Medical Society ceived by the Convention, in which he

for action. Dr Wood stated that he was ready to Legislature, compelling druggists and take up the matter of the Georgia Medical Seclety in reference to the Yellow Fever Quarantine as Dr Andersen was present. Dr Wood read the bill. It favors the formation of a new Quarantine Board different in many respects from the Quarantine Board now in operation.

Dr Anderson favored the endorsement of the bill.

Dr Wood favored the National Board of Health and Quarantine as it now

Dr Wood read the following resolution agreed upon between himself and Dr. An-

derson which was adopted. WHEREAS, The National Board Health has conducted the initial sanitary work intrusted to it with wisdom, giving proper direction to further enquities and energizing the National movement by its

vigerous example. ke it Resolved, That the Medical Society of North Carolina deems it uusound in pele icy to interfere with work in the hands

of such eminently competent men. 1st. Because it would be unreasonable on the subject, and our readers all know to expect anything appreaching a perfect that the REVIEW has urged this matter National system of sanitation in the short time the National Board of Bealth has been in existence, and to substitute a new law for the old one, even if it had equal one occasion; so that, if there is any blame merit with it, would be to retard the work of sanitary progress if it did not imperil the very existence of the law.

Resolved, 2nd, That it is desirable to have a National system of quarantine if claim to have done our duty in the prempossible, and that Quarantine Officers ses. should be appointed from resident phy. sicians of the port in which quarantine is established. That suitable buildings for quarantine service, should be erected at pireces at JACOBI's. by the general government and such other methods as will have for its object the carrying out a system of uniform quaran-

Dr W G Thomas strenuously opposed the passing of the resolution unless the Society had some guarantees from the National Government,

Dr O'Hagan advocated the passing of learn, there was a severe storm of rain and wind accompanied by hail at Meares the resolution and thought that Dr Bluff, only three to five miles above the Thomas misconstrued the intention of the city. The wind at one time was so strong resolution.

Dr C Tate Murphy warmly advocated that the engineer of a freight train on the the careful consideration of the resolution | Carolina Central Railway who had just and moved the adoption of the same,

Dr W G Thomas moved that the whole matter be be laid upon the table. Carried Dr Satchwell made a report of the Committee of the Edgecombe Medical Society, which was adopted.

Dr McDuffie, presiding made the following announcement of the Chairmen of different committees:

Dr Allman Holmes, on Surgery and & Co's.

Dr Willis Alston, on Obstetrics and Dr J W Faison, on Practice of Medi

Dr Wm Muiphy, on Materia Medica and Therapeutics.

Dr Hubert Haywood on Microscopy and Pathology. Dr G Gillett Thomas on Ophthalmology

and Otology. Committee on Publication-Drs L Picot, OJ O'Hagan, G G Thomas and T of the meeting and Mr A C Huggins

Upon motion the convention adjourned until this afternoon at 3 o'clock.

AFTERNOON SESSION.

The Convention was called to order by Dr R F Lewis, Second Vice President presiding. Drs Knox and McRae conducted the newly elected President, Dr Richard B Haywood, to the chair who made an address in which he gave a history of the Seciety.

Dr C Tate Murphy asked that he be

allowed to refer his paper on Therapeutheir weary and disordered bodies into our Committee on Essayist-Drs L L Stan tics and Materia Medica to the Commitcompany, when a few doses of AYER's tee on publication, to be disposed of as SARSAPARILLA would cleanse their murky blood and restore their health and vigor. Ye muddy victims of billious disease, have

Dr Harrell reported a difficult Obstetrical case.
