The annual excursion of St. Mark's Parish and Sunday School will take place on Monday next, the 14th, on the steamer *Passport* to Smithville and the Ports. A very pleasant time is anticipated. The number of tickets is limited. The boat will leave her wharf at 8 o'clock sharp.

It is the June moon that fills on the 22d and not that for this month. We made an error yesterday in stating that the moon would fill this morning. This important event will not take place until 24 minutes past 1 o'clock next Monday morning. We make this correction in the interest of the full moon excursionists.

The Raleigh News comes to us much improved by the consolidation. Mr. Hale is an old newspaper man and will furnish the brains, Edwards, Broughton & Co., experienced printers, will see that the type are set properly, and Col. T. M. Holt, candidate for nomination for Lieutenant-Governor, on the Jarvis slate, will furnish the money. It is a strong team.

The Amateurs.

The Thalian Amateurs were greeted last night with a good house. They played the drama selected for the occasion, "Above the Clouds," admirably; the cast was an excellent one and the characters were rendered with spirit and appreciation. They should come before the public a little oftener.

Judge Cantwell at Burgaw.
We learn from a gentleman just down from Burgaw that Hon. Edward Cantwell delivered his admirable lecture on Fort Johnston in that place last night to a good audience of the people of Pender. The lecture was well received and those who heard it were highly gratified at the delightful entertainment. We learn also that it is the purpose of the good people of Burgaw to request Judge Cantwell to repeat his lecture at some future time.

Mr. Nat'l Jacobi having been appointed agent for the Atlas Plow, parties in want of this celebrated Plow can now have their orders filled at JACOBI'S Hardware Depot, No. 10 S. Front st. tf.

The Black River Crops.
A friend and subscriber, writing us from Black River Chapel, says of the weather and the crops in that section:

"The weather is very dry now; rather cool with a pleasant breeze blowing almost continually, making it quite comfortable for those who have nothing to do; yet causing the farmers hereabouts to grow anxious for rain, which is much needed to bring up seed that was planted late, as well as to enable them to set out sweet potatoes, &c., &c.

Corn and cotton generally look well, notwithstanding there was a heavy frost in this section on the morning of the 15th that left its sign upon almost all growing crops, especially upon light and loamy soils. I saw several stalks of corn that were completely killed—and some that were killed above the surface."

Full Metal and Walnut Show Cases, all styles and sizes, at ALTAFFER, PRICE & CO'S.

The Human Figure.
The proportions of the human figure are six times the length of the feet. Whether the form is slender or plump, the rule holds good. Any deviation from it is a departure from the highest beauty in proportion. The Greeks made all their statues according to this rule. The face, from the highest point of the forehead where the hair begins, to the chin, is one-tenth of the whole stature. The hand, from the wrist to the middle-finger, is the same. From the top of the chest to the highest point of the forehead is a seventh. If the face, from the roots of the hair to the chin, be divided into three equal parts, the first division determines the places where the eyebrows meet, and the second the place of the nostrils. The height from the feet to the top of the head, the distance from the extremity of the fingers when the arms are extended.

The Oak Grove Pleasure Club.
A large number of citizens, at the invitation of Mr. F. A. Schutte, assembled last evening at the Wright Place, on Wrightsville Sound, recently purchased by Mr. Schutte to be fitted up as a summer resort for a pleasure club, and an organization was effected.

Mr. A. Arian was made temporary Chairman and Col. B. R. Moore was chosen Secretary.

On motion, Col. B. R. Moore was requested to state the object of the meeting, which he did in his usual fine style, reading the Constitution and Rules of Order as prepared by himself for the government of the club, after which an election was entered into and resulted as follows, for permanent officers of the club:

President—H. Ohlardt.
Vice President—John Haar, Jr.
Secretary, Treasurer and Steward—F. A. Schutte.

Governing Committee—J. M. Forch, Preston Cunningham, J. G. Oldenbottle.

The organization being effected, some little discussion arose as to naming the club, when it was decided to name it the "Oak Grove Pleasure Club."

This being done the meeting adjourned to partake of a handsome repast furnished by Mr. Schutte, and at a late hour the Wilmingtonians returned to the city highly delighted with the evening's pleasure.

In making soup of any kind, first catch what you intend to put into it. A volunteer ingredient, that jumps in, is not the proper paper.

I. O. of Good Samaritans.

The Supreme Lodge of the I. O. of Good Samaritans and Daughters of Samaria, a colored organization, will hold their annual convention on the 26th inst., at Washington, D. C., on which occasion delegates from the various Grand Lodges in the several States are expected to be present.

Duplin Canal.
We learn that the parties charged with interfering with the construction of the Duplin Canal, mention of which was made in the REVIEW a few days since, were brought up before Judge Avery, at Kenansville, on Thursday last, and were recognized to appear at the next term of the Superior Court of Duplin County. They were also placed under bonds to keep the peace towards all persons engaged in the construction of the work and were perpetually enjoined from interfering in any manner whatever to obstruct the progress of the canal to its completion.

On the Full of the Moon.
As the moon fills on Monday morning it will be in good time to light the excursionists down the river on Monday night. With fair weather we are satisfied that there will be a large attendance.

Fort Fisher is a comparatively unknown land to the excursionist and that point is the terminus. There is a wide, sandy beach there and the ruins of the historical fort now, however, nothing more than a few sand hills, but still classic ground, are not far distant from the landing. For those who may be more quietly inclined—and for all—there will be music and refreshments.

A Venerable Citizen.
While at Duplin Court we had the pleasure of meeting with the venerable James Dickson, more familiarly known as "Uncle Jimmy Dickson," and having a brief conversation with him. Mr. Dickson was born in June, 1791, and, consequently, is within a few days of being 89 years of age. He was for many years the Clerk of the Superior Court of Duplin County and a faithful and efficient officer. Although it is many years since his retirement from official life, he has always taken a lively interest in public affairs so far as they have related to the welfare and prosperity of his county. His general health is remarkably good, although he is very much enfeebled by the infirmities incident to his advanced age. Mr. Dickson has a sister (Mrs Benjamin Oliver) living, who is two years his senior, being now 91 years of age.

Directors' Meeting.
At a meeting of the Board of Directors of the Duplin Canal Company, held this morning, Mr. B. G. Worth, President, occupied the chair, with the following directors in attendance: Mr. W. S. Young, W. T. Bannerman, S. H. Trimble, William Calder, and R. H. McKoy.

Mr. Young, the superintendent, made a report of the work already accomplished on the canal up to date. About 1 1/2 miles have been cut and are now ready for sluicing. The sluicing will commence as soon as the dam is repaired which was torn down a short time since by some of the citizens living in the neighborhood of the work.

On motion of Mr. Wm. Calder, the Secretary and Collector was ordered to make an additional collection of 5 per cent on the stock.

The meeting then adjourned subject to the call of the President.

For bargains in clothing and gents' furnishing goods call on Messrs. A. & I. Shirer, 28 and 38 Market street. They certainly have a nice line of goods to select from at bottom prices, also a large stock of straw, and felt hats, trunks, etc., selling low. They have also the Renowned Diamond Shirt at \$1; can't be beat at \$1.25. tf

There were only three marriage licenses issued this week by the Register of Deeds, two of which were for white couples and one for a colored couple.

Sheriff S. H. Manning leaves here in the morning for the big North and purposes being in at the death when the Chicago Convention pronounces its edict of "to be or not to be."

The Excursion Last Night
It was not a large crowd which went down the river last night on the steamer *Passport*, and yet there were nearly one hundred persons on board. The night was clear and pleasant and the nearly full moon shone brightly overhead. It was a very pleasant occasion and all on board had a genuine good time.

For Fayetteville.
As will be seen by advertisement the Committee of Arrangements, Messrs A. D. Brown, P. Heinsberger and J. E. Sprunt, have chartered the steamer *D. Murchison*, to take delegates to and from the Convention which meets at Fayetteville on the 2d of June. The steamer will leave her wharf at 9:30 o'clock Tuesday morning, June 1st. Fare for the round trip, meals included, \$8.00.

Special Session.
The special term of the Criminal Court meets next Monday morning with twenty-two cases on the docket, and a number of *sci fa* cases besides. There are three capital cases to be tried during this term, one of which is for infanticide, by the colored woman Susan Waddell, another for burglary, by George Myers, colored, and still another case of arson—one John Merrick, colored, being the individual charged with the crime. The penalty in case of conviction for all these crimes is death. There will doubtless be quite a number of extra jurors summoned to attend.

For the Review.
At a Convention of the Democratic party, held at McKeithan's Store, in Brunswick county, on the 17th of May, the following were appointed as delegates to the State Convention, to be held at Raleigh in June next:
