

A MEMORY.

In the hand, on the beach we walked,
In the summer long ago...

WIPED OUT BY A TIDAL WAVE.

An Extraordinary Bogus Dispatch That Its Author Never Sent.

Recent a telegraph operator named Thomas Holister was arrested in San Francisco by a Chicago detective...

The New York Sun says:

For several months the Western Union knew that wires were being tampered with, and they sent for the Chicago detective...

One day at Battle Mountain he saw in a newspaper an account of the arrest for a breach of the peace of a telegraph operator...

At 10 o'clock this morning a tidal wave from the Pacific Ocean swept over San Francisco, wiping out the entire city in ten minutes...

Against the traditional usage from Washington to the present day.

Against the entire Democratic party.

Against a majority of his own party.

In the face of his own corrupt record of eight years.

Against the moral sentiment of the country.

Against the instincts of the whole country in favor of freedom and equality, and of rotation in office.

Against the 'unalterable' resolution of the Republican party, adopted only four years ago.

Against all these, can Grant be elected?

Not by the votes of free people.

Another Story About Mr. Thidea.

The story of Thidea's love is the saddest page in all the long history of his eventful life.

Let him tell the people how in the first bloom of early manhood he was betrothed to a beautiful lady of one of the old families of New York...

how her parents decreed that on account of her youth she should spend two years in Europe before her marriage...

how they pledged eternal fidelity to each other, and registered their vows at parting that no matter how many years might in-

tervene each heart should beat sacredly for the other...

Women Never Think!

If the crabbled old bachelor who uttered this sentiment could, but with as the intense thought, deep study and thorough investigation of women in determining the best medicines to keep their families well...

Mott's Endorsement of Speer's Port Grape Wine.

The following, from the celebrated Dr Mott of New York, speaks wonders for Mr. Speer's efforts to raise the Oporto Grape in New Jersey:

62 MADISON AVENUE, NEW YORK, April 11, 1878. Mr. ALFRED SPEER.—Dear Sir: The visit which I made last year to your vineyards, wine-presses and vaults at Passaic, N. J., satisfied me thoroughly that the wines manufactured by you are pure and unadulterated, and the very best that can be offered to the public for medicinal uses.

Acting upon my favorable impressions at the time, I have since recommended the Port Wine more particularly in my practice, and am satisfied, with marked benefit, to my patients.

There can be no better proof to the doubting mind, as to the Wine being made of the finest Oporto Grapes, than a visit to the acres of land covered with the vine bearing the luxuriant fruit. Wishing you success in your praiseworthy enterprise,

remain respectfully yours, ALEX. B. MOTT, M. D., Prof. of Surgery, Bellevue Hosp. Med'l College, &c., &c. For sale by J. C. Munroe, Green & Flanner, P. L. Bridgers & Co.

It is our hope and it will be our endeavor that The World's record for 1880 may be written in the appreciation and support of many thousands more of new readers in all parts of this indissoluble Union of Indestructible States.
