Sale of the C. C. Railway.

According to previously advertised notice, Messrs. N. A. Stedman, Jr., and Junius Davis, under a decree of the Superior Court for this county signed by His Honor Judge Avery, this day at noon, offered for sale to the highest bidder the property of the C. C. Railway, extending from Wilmington to Shelby, and also that portion uncompleted, and yet to be built, and to extend from said town of Shelby to the town of Rutherfordton with all railways, rights of way, depot grounds, buildings, and all other property and appurtenances, including rolling stock, engines, and so forth.

The decree of the Court was read by Mr. Junius Davis, as well as the advertisement of the sale in pursuance of said decree, after which Mr. Davis offered the property for sale as mentioned above to the highest bidder, Mr. F. O. French, President of the First National Bank, in New York City, offered \$1,200,000 for the property. This was the first and only bid, and after dwelling upon the amount offered and giving fair notice three times, the property was knocked off to Messrs. F. O. French, A. V. Graves, D. R. Murchison, James S. Whedbee and Alexander V. Stout, committee, on the part of the first mortgage bondholders. The amount for which the road was sold is 40 per cent. of the amount of the first mortgage bonds. The terms of sale were \$100,000 cash to be deposited in the Bank of New Hanover, and the balance to be paid in thirty, sixty and ninety days with interest at 6 per cent. from date, with the privilege of anticipating any of the payments if so desired. A certified check of \$100,000 on New York has already been deposited in the Bank of New Hanover, and it only remains now for His Honor Judge Avery, who is here holding the June term of the Superior Court for this county, to confirm the sale, to make the bargain complete. We suppose that the purchasers will go to work immediately to organize a new company, and we have heard Captain D. R. Murchison suggested as the person most likely to be the new President. This, however, is only rumor, for we know nothing positive about the plan of a new organization.

Hall's Vegetable Sicilian Hair Renewer is the best preparation known to preserve the hair. Use it.

Tenth Census.
The Census Enumerators who are appointed to take the tenth census of the United States will commence their work to-morrow. It is to be earnestly hoped that the population of this city will reach 20,000 inhabitants; for if such proves to be the case we will be entitled to a free delivery of the mail as well as many other advantages not now enjoyed by us as a city.

Plows, Shovels, Pitchforks, Spades, Rakes, Trace Chains, Plow Lines, &c. For the lowest prices, go to JACOBI'S.

City Court.
There were only two trifling cases before the Mayor pro tem to-day.
The first case was that of James Wann, colored, charged with disorderly conduct, for which he was mulcted in the sum of two dollars and discharged.
The second case was that of John Avery, also colored, who was arrested by the police on Sunday morning under rather suspicious circumstances, but as nothing could be established against him he was discharged.
The Court then adjourned.

You can buy No. 1 Cooking and Heating Stoves at almost any price at JACOBI'S Hardware Depot.

Superior Court.
The Spring term of this tribunal, His Honor Judge Avery presiding, convened at the Court House this morning. The attention of the court, during the day up to the time of closing our report, has been occupied in arranging the calendar, and that business will probably consume the time of the entire day. It is thought that the court will adjourn after the day's proceedings, until Friday, in order to give the members of the bar and others who may desire to do so, an opportunity of attending the Fayetteville Convention.

We regret to hear that Mr. Albert B. Downing, of the firm of Paterson, Downing & Co., of this city, and of Standand & Downing, of Charleston, S. C., died in the latter city yesterday of gastric fever. His remains passed through this city this morning en route to Brooklyn for interment.

WILMINGTON, N. C., May 31st, 1880.

EDITORS OF THE REVIEW:
Gentlemen—In explanation of the article which appeared in your paper on Saturday reflecting upon me, I ask that you publish the enclosed note with as much prominence as you gave the said article.
Believing that you did not intentionally intend to create a false impression, I trust that in common fairness you will publish the bottom facts.
I am, Sirs,
Truly yours,
E. H. McQuigg, J. P.

WILMINGTON, N. C., May 31st, 1880.
Stacy Van Amringe, Esq.
DEAR SIR:—Please be so kind as to state the circumstances connected with the issuing of a warrant by me about which the REVIEW published an article on last Saturday. I desire the same for publication.

I am, sir, truly yours,
E. H. McQuigg, J. P.

WILMINGTON, N. C., May 31st, 1880.
E. H. McQuigg, Esq.
DEAR SIR:—In answer to your note of this date, I will state that I determined to have the matter adjudicated in the courts, and it was at my request that the affidavit was made.
The reason I did not make the affidavit myself, I was afraid the public would misconstrue the same, and think it was a collusion between my brother and myself. I acted without his knowledge in the matter.
Respectfully,
S. VANAMRINGE.

Neither the card of Mr. VanAmringe nor the letter of Justice McQuigg, however, meets the point upon which we desired to lay particular stress in our article on Saturday last. Although in this instance Mr. VanAmringe may have considered himself justified in his course, the assertion remains undenied that the man employed to make the affidavit was a man who was convicted of a felony in the Courts in this county, and it is a well known fact that this same individual is regarded as a runner for Justice McQuigg's office and makes frequent affidavits of breaches of the peace to which he was neither a party nor a witness, upon which Justice McQuigg issues warrants for the arrest of the parties. This is the nuisance and the outrage to the community which we complain against, and which we cry out against and Justice McQuigg, or any other Justice who permits such practices, should be dealt with severely by those who have the administration of the law.
