Hardware Depot.  
That was a very pleasant little shower  
of rain we had this forenoon, but there  
wasn't enough to do much good. From  
the appearance of the clouds, we should  
judge that there were good rains elsewhere  
in this neighborhood.  
A few years since, at the celebration of  
our national anniversary, a poor peddler  
who was present, being called upon for a  
toast, offered the following: 'Here is  
health to poverty; it sticks to a man when  
all his friends forsake him.'

It is not always that the parents can  
carry the baby on a trip for the recovery  
of its health. But they can keep Dr. Bull's  
Baby Syrup in the house, and it will com-  
pensate for the trip by its prompt relief  
and cure. Price only 25 cents a bottle.  
Mr. Nath'l Jacobi having been appointed  
agent for the Atlas Plow, parties in  
want of this celebrated Plow can now  
have their orders filled at JACOBI'S Har-  
ware Depot, No. 10 S. Front st.

The census enumerators for this city  
have been sitting at the Court House to-  
day for the purpose of revising the enu-  
meration of the city. The citizens will  
do well to drop in to-morrow and see  
that their families are properly enumera-  
ted.  
Hancock's Headquarters are established for  
the present at Shrier's, on Market  
street, where Hancock Suits, Hancock  
Hats, Hancock Cravats, Hancock Collars  
and Hancock Handkerchiefs are dispensed  
freely and liberally, and almost gratui-  
tously, so cheap are they all.  
Lately a gentleman sat down to write  
a deed, and began with 'Know, one woman,  
by these presents, 'You are wrong,' said a bystander, 'it ought to be  
know all men.' 'Very well,' answered  
the other, 'if one woman knows it, all  
men will of course.'

Typoid fever creeps into the house  
through the cellar. Decaying vegeta-  
bles and accumulations of debris and dirt  
are the seeds of miasmatic diseases. It  
is now time, as the warm weather has set  
in, for every cellar to be thoroughly  
cleaned and limed.

Those who suffer from nervous irrita-  
tions, itching uneasiness, and the discom-  
fort that follows from an enfeebled  
and disordered state of the system, should  
take AYER'S SANSAPARILLA and  
cleanse the blood. Purge out the lurk-  
ing distemper that undermines the health  
and constitutional vigor will return.

## Fond of Fishing!

The steam yacht *Passport* will leave  
her wharf to-morrow morning, at 5  
o'clock, for the rocks at New Inlet and  
for the Blackfish Grounds. In such  
weather as this there will be found plenty  
of fish and those who are fond of the  
sport will find this an excellent opportu-  
nity. It is announced that only a limited  
number of tickets will be sold to the  
Blackfish Grounds.  
Window Glass of all sizes, Colors, Sash  
and Blinds, Builders' Hardware, &c. Low  
at prices at JACOBI'S.

## Journalistic Prosperity.

The *Monroe Enquirer* enters upon its  
eighth volume with this week's issue, en-  
larged and improved. It has secured a  
new cylinder press, and enters upon the  
new volume with bright prospects. It is  
a bright, lewisy sheet, thoroughly Dem-  
ocratic, edited with ability and; we re-  
joice at the success it has already attain-  
ed and at the glowing prospects of its  
future.  
Everybody can get suited with a Pocket  
Knife, also Table Cutlery, at JACOBI'S  
Hardware Depot.

## The Wilmington Light Infantry.

We are pleased to learn that the Wil-  
mington Light Infantry are now in a  
very flourishing condition. At the last  
meeting of the Company ten new mem-  
bers were received and we understand  
that in addition to these a number of  
new applications are now pending. The  
strength of the Company is now about  
seventy active members. They will go  
to Wrightsville Sound next Monday, the  
5th, in uniform and there is considerable  
talk among them about attending the  
King's Mountain Celebration.

## About a Wilmingtonian.

We learn from Sheriff Manning that  
while he was in Washington City, a few  
days since, he met with our young town-  
sman, Mr. John C. Cantwell, son of Hon.  
Edward Cantwell, of this city, who was  
then standing his examination for prom-  
otion to a cadetship in the Revenue Marine  
Service. Sheriff Manning says that Mr.  
Cantwell exhibited to him a fine gold  
chain and watch which an old gentleman  
whose life he had saved by rescuing him  
from the dark billows of the Potomac  
river, had presented to his deliverer as a  
testimonial of gratitude. We also hear  
from a different source that Mr. Cantwell  
passed quite a creditable examination and  
is now on his way to Gibraltar on the  
schooner *Chase*, as a cadet in the Marine  
Revenue service of the United States.

## A Good Order.

His Honor, Mayor Fishblade, has given  
positive orders to Captain Brock to have  
arrested and brought to trial any person  
who is guilty of loud and boisterous  
swearing on the streets. It is the deter-  
mination of the Mayor to put a stop to  
the habit that is getting to be so common  
among a certain class of late to use loud  
and offensive epithets just when they are passing  
ladies and gentlemen on the streets. It  
has been the case too late in certain  
localities, we learn, where ladies cannot  
sit out upon the piazzas without hearing  
such offensive language. We hope the  
Mayor meant to include in his order all  
indecent and obscene language also, for  
there is one thing in the world calculated  
to shock the moral sensibilities of refined  
ears, it is indecency and vulgarity. We  
can endure hearing a few 'cuss' words  
sometimes, but vulgarity we do despise in  
any shape or form.

## See a woman on horseback in another column, riding near Speer's Vineyards, with a bunch of Grapes from which Speer's Port Grape Wine is made, that is so highly esteemed by the medical pro- fession for the use of invalids, weakly persons and the aged. Sold by Druggists.

## City Court.

David S. Martin, a colored individual,  
was pretty drunk on Saturday night and  
quite loud and boisterous in his manner,  
besides cursing and swearing. The May-  
or told him \$5.00 ten days. The defen-  
dant took the benefit of the ten days.  
Liza Nixon and John Haggett, two  
more individuals of the colored persua-  
sion, were arraigned for an affray, which  
took place on Third, between Walnut and  
Red Cross streets, last Saturday night.  
Officer Robert Green happening along  
about that time took the pair under his  
official wing and escorted them safely to  
the lock-up, and this morning the Mayor  
imposed a fine of \$10 or ten days' im-  
prisonment upon Haggett and \$5 fine or  
five days' imprisonment upon the woman.  
In default of payment of the fines both  
parties went below.

One drunk and down was released, it  
being the first offence. This ended the  
docket and the Court adjourned.

## Departure of the Lunatic Silver- thorn.

Owing to the letter which Chief of  
Police Brock wrote some weeks ago to the  
Sheriff of Warren county, New Jersey, in  
regard to the unfortunate lunatic Silver-  
thorn, (mention of whom has several times  
been made in the *Review*) recently, Dr.  
Wm. N. Baird, a brother-in-law of the  
unfortunate man, arrived here last  
night with a letter from Mr. Wm.  
Silverthorn, his father-in-law—who is  
a resident of Belvidere, N. J., to the  
Chief of Police, concerning his deranged  
son, Peter Silverthorn. Dr. Baird came  
for the purpose of taking the unfortunate  
man home where he could be entered in a  
lunatic asylum and receive the proper  
treatment for his disease. Every assist-  
ance was rendered by Captain Brock, and  
Dr. Walker, the superintendent of health;  
the latter named gentleman took Dr.  
Baird out to the Poor House this morn-  
ing at 5 o'clock, where Silverthorn was  
confined, in his buggy, and in this way  
made easy and comfortable Dr. B's de-  
parture with his charge on the Northern  
bound train at 7 o'clock.

Some amusing things transpired during  
Silverthorn's confinement in jail here, first  
for safe keeping and afterwards in the  
Poor House. Nathan Graham, colored,  
who is known by every one most as Crazy  
Nathan, has his spells of insanity only  
periodically, and was at the time of Silver-  
thorn's entry into jail all right. Silver-  
thorn, however, was very violent, and  
proceeded, though he is a man with only  
one arm, to weed out the whole batch of  
prisoners, but Crazy Nathan gave him a  
left-hander over the left eye, which settled  
him for the time, and then with the as-  
sistance of the other prisoners in the jail  
he was rolled into a cell and the key turned  
on him. This act of Nathan's, singular  
to say, made an impression upon Silver-  
thorn and he remembered it to the credit  
of Crazy Nathan, who by this act had  
won the unfortunate lunatic's admiration  
and he would frequently point to his left  
eye and remark, 'it took a man to do  
that!' Subsequently they were both trans-  
ferred to the Insane department at the  
Poor House, and one day Silverthorn  
climbed to the top of the house and  
amused himself by running all around on  
the roof. How to get him down no one  
knew; argument and entreaties were of  
no avail, when at last Crazy Nathan was  
sent up after him; the two then sat down  
on the roof and chatted pleasantly for a  
while and finally came down together  
very quietly. But afterwards Silver-  
thorn fell out with Crazy Nathan, and  
pitched into him and whipped him out,  
and ever after that Nathan's igno-  
fluence in that direction was gone  
forever, and from all accounts  
Nathan didn't try to exert any more in  
furtherance there, either, preferring to give  
his quondam friend a very wide berth  
ever afterwards. Then it was that old  
Maum Tena, a colored woman, said to be  
nearly 100 years old, who is an inmate in  
the Poor House, took charge of and con-  
trolled the poor lunatic, and it is said  
that if he didn't mind what she said to  
him the old woman would take a switch  
to him and whip him like a child,  
and the poor unfortunate would submit  
to it in the most docile manner.  
We hear that Mr. Wm. Silverthorn, the  
father of the deranged man, is a very  
prominent citizen in his section of New  
Jersey and is spoken of as a candidate for  
Congress in his district. We hope the  
unfortunate man may reach his home and  
friends in safety and soon be restored to  
reason.

## Physicians freely prescribe the new Food Medicine, "Malt Bitters," because more nourishing, strengthening and puri- fying than all other forms of malt or medi- cine, while free from the objections urged against malt liquors.

## Magistrate's Court.

The two policemen who were charged  
with an assault and battery upon Nathan  
Jones, colored, while arresting him and  
taking him to the guard house one night  
last week, were before Justice McQuigg  
to-day. The defendants demanded a  
jury, and after a hearing in the case they  
were fined \$25 each by the justice. From  
this they appealed to the next term of  
the Criminal Court for this county. It  
seems that upon the night in question,  
Jones was very disorderly, and refused  
to go with the officer who arrested him  
to the guard house. The assistance of  
another officer was secured, and the united  
efforts of the two were required to get  
him into confinement, and then only  
after they had tied him and placed him  
upon a drag.

## Our Delegates.

Major Charles W. Sedman, delegate  
from this District to the Cincinnati Con-  
vention, returned here last Saturday night  
suffering, we are sorry to learn, from a  
severe cold. Col. Waddell, a delegate  
from the State at large, has gone on to  
New York, but will possibly return next  
week. It is therefore thought best by  
many to postpone the proposed grand rat-  
ification meeting until next week, when  
Col. Waddell will probably have returned  
and Maj. Sedman will be able to speak.  
Mr. Shackelford, our nominee for Con-  
gress from this District, will, we trust  
be present on that occasion.

## Our Progress.

As stages and stage routes are quickly  
abandoned with the completion of rail  
roads, so the huge, drastic, cathartic pills,  
composed of crude and bulky medicines,  
are quickly abandoned with the introduc-  
tion of Dr. Pierce's Pleasant Purgative  
Pellets, which are sugar-coated, and little  
larger than mustard seeds, but composed  
of highly concentrated vegetable extracts  
and are warranted to cure all irregularities  
of stomach, liver and bowels. Sold by  
druggists.
