The Press Association meets at Ashe-  
ville today. The Editor of the REVIEW  
thinks of leaving here to-morrow morn-  
ing for the purpose of attending.

It has been excessively warm here  
today in the sun but the steady breeze  
which has prevailed all day long has  
been a genuine luxury.

Can dogs find their way home from a  
long distance? asks an exchange. It's  
according to the dog. If it's one you  
want to get rid of, he can find his way  
back from Missouri. If it's a good one he's  
liable to get lost if he goes around the  
corner.

Hancock's Headquarters are established  
for the present at Shrier's, on Market  
street, where Hancock Suits, Hancock  
Hats, Hancock Cravats, Hancock Collars  
and Hancock Handkerchiefs are dispensed  
freely and liberally, and almost gratui-  
tously, so cheap are they all.

We understand that the C. M. Stead-  
man Fire Company propose having an  
excursion to Waccamaw Lake some time  
about the middle of the month. If they  
do, it will be "done up in style" and we  
know that the gallant salamanders will  
have a good time of it.

king distemper that undermines the health  
and constitutional vigor will return.

**Another Steamboat Horror.**  
We are shocked to hear of another  
steamboat disaster (the third within three  
weeks) in the vicinity of New York. This  
time it was the steamer *Seawarhaka*, off  
College Point, L. I., which took fire and  
burned to the water's edge. She was  
crowded with passengers at the time, it  
being about 4 30 o'clock p. m., and 40 or  
50 of them were either burned to death or  
drowned. Assistance was promptly at  
hand, but with all their exertions the loss  
of life was appalling.

While the South has suffered many  
calamities, she has reason for profound  
gratitude to God for the watchful care  
that has kept her thus far from the ex-  
perience of such heart-rending horrors as  
have recently been visited upon the  
North.

## Off on Leave.

We understand that Mr. D. P. Ormes,  
manager of the telephone exchange in  
this city, left on leave of absence for his  
home in Washington City, yesterday  
morning. Mr. W. H. Sterliar, general  
manager of the Western Union telegraph  
office in this city, will, we hear, be in  
charge of the telephone exchange during  
Mr. Ormes' absence.

## Worthily Bestowed.

We are glad to note that our fellow  
townsman, Major Chas. M. Steadman, has  
been appointed by the other members of  
the State delegation to Cincinnati, as their  
choice to represent North Carolina on the  
Committee which is to tender the nomi-  
nation to General Hancock. It is but  
met and proper that so distinguished and  
gallant a soldier, who has been sent many  
times before to meet Hancock, when the  
duty was anything but pleasant, should now  
in these piping times of peace be honored  
with this agreeable mission. We congrat-  
ulate the delegation upon the selection,  
for it is an honor worthily bestowed.

The true-hearted yeomanry of Pender  
county will celebrate the 104th anniver-

Monday next (the 5th inst.) George A.  
Ramsay, Esq., will deliver the oration.

The public is cordially invited to be  
present, and it is hoped that every lady  
and gentleman of Pender will attend.

## Fire in Brunswick.

From a gentleman who was in the  
neighborhood at the time, we learn that  
the dwelling house of Mr. A. W. Reiger,  
on his rice plantation in Brunswick coun-  
ty, some three miles distant from Wil-  
mington, was destroyed by fire yesterday,  
about 6 o'clock in the morning. We also  
learn that very little if anything was  
saved from the building. We understand  
that Mr. Reiger supposes the fire must  
have come from ignited paper which a  
servant had kindled the fire in the stove  
of the cook room with, by the draft car-  
rying the paper through the pipe into the  
air, and then another current of air strik-  
ing it and blowing it into a bed room  
adjoining, among the covering on the  
bed. We do not know Mr. Reiger's esti-  
mate of his loss, but we understand that  
the building was insured for \$2,000 with  
Messrs. DeRosset & Northrop of this city,  
in the Niagara Fire Insurance Company,  
of New York.

## Prisoners from Pender.

An officer from Pender county brought  
here to-day and delivered to Sheriff Man-  
ning for safe keeping two prisoners, both  
of whom are colored Henry Boney is the  
name of the one who seems to have  
been charged with the most grievous of-  
fense and he was committed by Justice  
T J Armstrong in default of one thou-  
sand dollars surety, for breaking into a  
house. The other prisoner, Aaron Tate  
by name, was committed by Justice Jno  
D Powers, upon the charge of larceny.

## For Asheville.

The Wilmington and Weldon Railroad  
makes close connection at Goldsboro  
with the North Carolina R. R. and pas-  
sengers for Asheville and the West, un-  
der the new schedule on the Western  
North Carolina R. R. will be able to  
reach Asheville in but little more than  
twenty-four hours by this route. Leav-  
ing Wilmington at 6 50 a. m. they arrive at  
the head of the Western N. C. R. R. the  
next morning at 8 20. Sleepers are run  
between Salisbury and the head of the  
road. For further particulars see adver-  
tisement in this issue.

## Acknowledgment.

Mr. Alex. Sprunt, British Vice-Con-  
sul, has received from Mr. J. H. Wright,  
Assistant-Secretary of the Mansion House  
Committee, in Dublin, a formal receipt  
for 15s 5p. sterling, acknowledged as  
from a little North Carolina girl. This,  
it will be remembered, is the sum of \$4  
raised by Capt. W. J. Calais' little  
daughter, at Old Fort, a short time pre-  
vious to her decease, which amount was  
turned over to Mr. Sprunt by the Editor  
of the REVIEW, to whom it had been for-  
warded, for transmission to Ireland. Mr.  
Wright's letter, covering the receipt, is  
as follows:

MANION HOUSE COMMITTEE FOR THE  
RELIEF OF DISTRESS IN IRELAND.  
DUBLIN, June 14, 1880.  
Alexander Sprunt, Esq., Wilmington,  
N. C.

DEAR SIR:—I am directed by the Lord  
Mayor to acknowledge, with thanks, your  
favor of the 2nd inst., with P. O. Order  
for 15s 5p. official receipt for which I  
herewith enclose.

Yours faithfully,  
J. H. WRIGHT, Ass't Sec.

## Third Ward Club.

Pursuant to notice, a meeting of the  
Third Ward Democratic Club was held  
last evening at the City Hall for the pur-  
pose of ratifying the nominations of the  
party.

The President of the Club not being  
present, Mr. L. H. Bowden was called to  
the Chair. Mr. Jas. W. King, the Secre-  
tary of the Club, was the Secretary of the  
meeting.

On motion, a committee of three was  
appointed to draft suitable resolutions, and  
after consultation offered the following,  
which were unanimously adopted:

WHEREAS, The District, State and  
National Democratic Conventions have  
severally met and have offered to the people  
the candidates for the representative offices  
to be filled at the next ensuing election;  
and, therefore,

We, the members of the Third Ward  
Democratic Club of Wilmington, do re-  
solve, that we heartily endorse and ratify  
the action and nominations of the District,  
State and National Conventions of the  
Democratic party, and we hereby pledge  
ourselves to support with zeal and fidelity  
the several nominees for the offices pro-  
posed by the said Conventions; that we  
regard them as good and true men, worthy  
representatives of the great principles of the  
Democratic party.

Resolved, That we regard the action of  
the National Democratic Convention as  
worthy of all praise; as displaying a noble  
and patriotic disposition to ignore all sec-  
tional or personal preferences and to act  
for the good of the country—the whole  
country.

Resolved, That we most heartily ratify  
and approve and endorse the nominations  
made by that Convention for President  
and Vice President; that we regard Han-  
cock as the personification of all that is  
pure and honorable in the man, heroic  
and noble in the soldier; one who in  
peace and war has ever been actuated by  
the purest sentiments of patriotism, and  
acted for the safety, honor and welfare of  
our institutions, and who will surely lead  
us on to political victory, and redeem  
our country from the scourge of Repub-  
lican rule; that in English we behold a  
man pure in character, wise and experi-  
enced in council, and a statesman worthy  
the high position for which he has been  
so gloriously named.

Mr. H. A. Bagg then introduced Mr.  
E. A. Martin, who entertained the Club  
with a short but eloquent speech, which  
was received with many manifestations of  
heartly sympathy and approval.

The meeting then adjourned, subject to  
the call of the President of the Club.

## By George:

That is what more than one of our  
readers will exclaim when he has read  
this. When the through freight train  
which arrived here at 1 30 this after-  
noon was within a mile and a half of  
Burgaw, a box car next to the tender  
was found to be on fire on the roof, it  
having been ascertained subsequently that  
the car caught from burning wood on the  
tender, which had in turn caught from  
a spark from the locomotive. As soon  
as the fire was discovered the train was  
stopped and engineer, fireman, conductor  
and train hands went vigorously to  
work and put the fire out. When the  
train reached Burgaw the car was  
opened to see if any of the contents  
had been injured by the fire when im-  
agine the surprise and consternation of every  
one when it was seen that the car was  
loaded with POWDER! It was, indeed,  
a remarkable and a Providential escape.  
Had the nature of the contents been  
known it is probable that the fire would  
most probably have been allowed to work  
its own will and the entire train might  
have been destroyed, as no one would have  
dared to remain near it. Think of men  
fighting fire on top of a thinly planked  
car with twenty thousand pounds of  
powder under their feet!

## The Population of Wilmington.

The enumerators of this city have foot-  
ed up their lists as revised and corrected.  
The figures fall far below what was ex-  
pected. The population of Wilmington  
will be known to the world at large as 17,  
579 persons, while the enumerators think  
there are at least 20,000 inhabitants in  
this city. The heads of many families  
in giving in their households have often  
forgotten to give the names of boarders,  
relatives and servants. In this way quite  
a number have been missed and we will,  
for the next ten years, be underrated as to  
populations.

Everybody can get suited with a Pocket  
Knife, also Table Cutlery, at JACOBI'S  
Hardware Depot.

When you visit or leave New York City,  
stop at the Grand Union Hotel, opposite  
Grand Central Depot. European plan.  
Rooms reduced to \$1.00 and upwards.  
Restaurant unsurpassed at moderate prices.  
Street cars, stages and elevated railroad to  
all parts of the city.

## DIED.

RULFS—In this city, ADELINA CATH-  
ARINA, youngest daughter of J. F. and C.  
A. Buif, aged 7 years, 11 months and 13  
days.  
"The maid is not dead, but sleepeth."  
The funeral will take place to-morrow  
morning, 30th inst., at 9 o'clock, from the  
residence of the parents on Walnut street,  
between Fourth and Fifth, thence to St.  
Paul's Lutheran Church, thence to Oakdale  
Cemetery. The friends and acquaintances  
of the family are respectfully invited to at-  
tend the funeral.
