Reported Drowned.
It is reported on the streets to-day that
a colored man was drowned at Wrights-
ville Sound on yesterday. We have been
unable to ascertain the name, but learn
that the man, who was in a skiff, drifted
out to sea through Moore's Inlet.

A Narrow Escape.
Yesterday, about noon time, or short-
ly thereafter, Mr. McDermott, in the em-
ploy of the Wilmington Gas Company,
went down into the cellar, beneath Messrs.
Worth & Worth's office, to ascertain the
whereabouts of a huge leak in the gas
pipes, the odor being so strong that it
permeated the entire building. After
reaching the cellar the old man Mac
found it too dark to see anything without
a light, and having no lantern near by
proceeded to strike a match, when, pres-
ent change! the darkness was turned into
light, the gas caught fire and the old
man escaped with singed eyebrows and a
scorched nose just in time to call help
and have the fire extinguished.

Heavy Storm.

We learn that a very heavy rain storm,
accompanied by severe thunder and light-
ning, passed over Abbottsburg on yester-
day. The storm came from the north-
west and was one of the most violent
that has passed over that country in a
number of years past.

About a Fire

Captain Goodman, of the night police
force, reports a fire last night on his morn-
ing report this morning; said fire having
occurred, as Captain Goodman states,
about 1 o'clock in the night-time, on the
corner of Second and Marsteller streets, in
a house occupied by York Elkins, and the
report also adds, no damage done. This
is the extent of our information upon the
subject after diligent inquiry in regard to
the matter, and we give our readers the
benefit of our labors and research.

City Court.

Jacob Thompson and John Lewis, two
colored men, became involved in an af-
fray last night, between 9 and 10 o'clock,
on Market street, when they were escort-
ed safely to the Guard House by an offi-
cer of the law and this morning arraigned
upon the foregoing charge. The Mayor,
after listening to the testimony, adjudged
Thompson, the more guilty of the two, and
imposed a fine of \$10 in his case and re-
leased Lewis upon payment of the costs
Thompson at first declared his intention
of taking an appeal, but afterwards re-
considered the matter and pened up the
ten dollars, whereupon he was permitted
to depart in peace. The Court then ad-
judged.

Installation of Officers.

Last evening D. G. D., N. Jacobi, es-
sisted by D. G. Guide, T. B. Post, D.
G. Guardian, Jesse Ives and D. G. Sen-
tinel, A. G. Hankins, installed the fol-
lowing officers of Carolina Lodge No. 434,
Knights of Honor:

- P. D.—Walter Coney.
- D.—J. A. Springer.
- V. D.—N. W. Schenck.
- A. D.—Clayton Giles.
- R.—Geo. N. Harris.
- F. R.—Jno. L. Dudley.
- Chap.—Rev. C. M. Payne.
- Treas.—W. A. Willis.
- Guide—H. B. Willis.
- Guardian—R. M. Houston.
- Sent.—J. M. McGowan.

We learn that the Lodge is in a very
flourishing and prosperous condition and
that its membership is rapidly increasing.

The Ratification Boom.

We hear that the committee appointed
to select a time and also to decide upon a
ratification meeting, have determined upon
Tuesday, the 24th day of August, as a
fitting time to start the boom, and put the
ball in motion.

Governor Jarvis and other distinguished
speakers, besides our own talented orators
at home will, we learn, be invited to par-
ticipate and address the Democracy of
New Hanover and adjoining counties.
Our friends from the adjoining counties
will all be expected to be present, while
our standard-bearer in this district, Joo.
W. Shackelford, will also be honored with
a special invitation to be present. Hurrah
for Hancock! Hurrah for our whole ticket!

Three times hurrah for the noble prospect
of a return to constitutional government
and an honest administration of national
affairs once more—Tiger!!!

Challenge Race.

The yacht *Flirt*, nee *Rosa*, has chal-
lenged the *Restless* to sail a race over the
Wrightsville course for the championship
of the Carolina Yacht Club. The *Restless*
has accepted the challenge and by
consent of the challenger and
challenged the yachts *Ripple* and *Lizzie*
will be permitted to enter the race. Per-
agreement it will be sailed on Thursday
next at 2 o'clock thus giving two hours'
rising tide to the larger yachts. As we
have before stated none of the yachts of
the club are satisfied with the results of
the regular July race and the challenge
is not a surprise to any one. The four
yachts above named each claim to be the
fastest of the fleet and are not satisfied to
wait until the next regular regatta to de-
cide as to their speed.

The American Union.

In addition to the decision of Judge
McKoy, in Chambers yesterday, in favor
of the American Union Telegraph Com-
pany, and the determination of their op-
ponents in the case to carry it to the
Supreme Court, as reported by us yester-
day a committee of three, consisting of
Messrs. D. McKee, M. Crony and John
D. Taylor were appointed to assess the
compensation which should be paid to
the W. & W. and W. C. & A. Roads, by
the American Union. A report from this
committee, we understand, may be lock-
ed for in about ten days.

There is a very general interest felt in
the matter because everybody longs
to welcome the American Union line
to this city. This new company has
during its short existence of only a little
more than a year, constructed and now
control, over 70,000 miles of wire within
the United States. The opposition they
have to contend with originates, of course,
with their opponents, the Western Union.
They have but seldom had to pay, we are
informed, for securing a right of way and
as a rule the compensation has been nomi-
nal. Over the Western Rail Road, from
Atlanta to Chattanooga, a distance of 188
miles, we understand that they were as-
sessed but \$100 and over the Mobile &
Montgomery road, 180 miles, but \$50.
The former is said to be the largest as-
sessment they have yet had to pay South
of Baltimore.

Hancock and Jarvis.

At the meeting of the County Execu-
tive Committee, and committees from the
various Ward Committees, held at the
City Hall yesterday afternoon, Mr. F. H.
Darby, Chairman of the County Commit-
tee, presided, with Mr. Jas. W. King,
County Secretary, at the desk.

On motion of J. D. Bellamy, Jr, it was
declared the sense of the Committee that
there should be a grand Democratic ratifi-
cation meeting at an early day.

On motion of Major J. W. Dunham, it
was ordered that a committee of three be
appointed by the Chairman, to consist of
one member of the Executive Committee
and two from the Ward delegations, on
each of the following subjects connected
with the proposed ratification meeting:

1. Time and place of meeting. Committee: W. C. Fergus, S. H. Fishblade, J. W. Perdue.
2. Subscriptions. Committee: R. W. Price, Jno D Taylor, G. J. Boney.
3. Music. Committee: J. D. Bellamy, Jr, L. L. Boun, W. W. Shaw.
4. Speakers. Committee: J. W. Dunham, Walker Mearns, James W. King.
5. Pyrotechnics, procession, etc. Committee: J. L. Dudley, W. J. Mott, W. H. Griffith.

The above committees to convene at
a general meeting to be hereafter called
by the Chairman of the Executive Com-
mittee.

It was moved and seconded that the
chairman of each of the above sub-com-
mittees shall report to the Chairman of
the Executive Committee when the duties
of his committee have been discharged,
in order that he may know when to con-
vene the committees in general meeting.

There being no further business, the
meeting adjourned.

Board of Aldermen.

We gave yesterday all that we could
of the proceedings of the Board of Alder-
men, in session then, and to-day publish
herewith the remainder:

A communication from the Board of
Audit and Finance, appropriating \$200
for making deeds to the city for property
sold for back taxes, was concurred in.

A petition from the Little Giant Fire
Engine Co., for repairs to engine house,
was referred to committee on Public
Buildings.

A petition to have Front street opened
between Marsteller and Martin streets
was referred.

Street lamps were ordered to be placed
at the corner of Second and Wooster,
Second and Queen, Second and Dawson,
and Beatty's alley and Brunswick street.

Alderman Foster moved to call a meet-
ing of the Board of Aldermen to-morrow
at 4 P. M. to receive propositions relative
to subscriptions to the stock of the Caro-
lina Central Railroad Company.

Alderman Divine moved to amend so
that the matter be deferred until a full
statement of the matter be made to the
Mayor; and the latter to call a meeting

when satisfied that the Board have au-
thority to act. Adopted.

The attention of the Committee on
Streets was called to the condition of
Fourth street bridge.

Alderman Bowden moved to repeal the
ordinance relating to market carts and
hucksters, passed June 7th, 1880.

Alderman Vollers moved as an amend-
ment that the said ordinance be suspended.
The motion as amended was adopted.

Alderman Bowden offered the following
ordinance, which was adopted, viz:

Whereas, the Wilmington Market Com-
pany has failed to comply with its contract
in several particulars, and has failed to exe-
cute and deliver a bond as provided for by
the said contract; therefore, be it ordained,
by the Mayor and Board of Aldermen, and
it is hereby ordained by the authority of
the same, that the City Clerk and Treas-
urer be required to notify the Wilmington
Market Company at once that unless all
the provisions of the said contract are
complied with in accordance with said
contract within fifteen days from this date,
that the city will not consider itself any
further bound by the said contract.

The Board then adjourned.

The Glorious 4th Day of July!

A LITTLE MORE THAN A CENTURY

dared to look the British Lion in the face

WILMINGTON, N. C.

THE YOUNGEST ESTABLISHED Gro-
cery House in Wilmington! Commenc-
ing business only a few years ago, in the
midst of the most terrible panic ever known
in this country, in the course of three years
only, by economy in the use of our invest-
ments, and skill in business, we have built
up one of the best Retail Grocery Establish-
ments south of the Potomac, with a reputa-
tion for fair dealing, in citizenship, liberality
in business, choice selected articles in our
line, and success in trade, that are the envy
and the astonishment of the "old and expe-
rienced Groceries," our competitors. Every
dollar we have now invested, amounting to
thousands and thousands of dollars, is the
fruit of our own untiring energy and intelli-
gence. We have not had to borrow money to meet losses. We
have no bad debts. WE PAY CASH for all
our purchases and trust anybody that can
make us safe. The stock of Groceries and
the good will at

P. L. Bridgers & Co's,

one of the most extensive, the best and most
carefully selected and costly, is held for sale
in the finest Grocery store in the city, built
expressly for us, and adapted to our trade,
and all paid for out of the profits of our busi-
ness during three years of terrible pecuniary
distress. It is a lasting and palpable monu-
ment to the business energy and intelligence
and industry of P. L. BRIDGERS, the founder
of our establishment.

"The poet's eye in a fine frenzy rolling
Glances from Heaven to earth, from earth to
heaven,
And as imagination bodies forth the forms of
things unseen,
Gives to airy nothing a local habitation and
a name!"
Years ago, a mere stripling Wilmington
boy, we conceived the design of this Grand
Establishment, and to-day, if you doubt our
advertisement, Come and See. We have
created it from nothing. This store itself, as
near, so well appointed, and well fitted, and
well conducted, is a grand poem, in glass and
wood and willow ware, suggestive of more
pleasant emotions and causing more real hap-
piness than all the works of Shakespeare or
Dryden.

We keep NO OLD STOCK. We have no
surplus room. We renew our assortment by
personal solicitation weekly, so as to have
everything in our line FRESH AND GOOD,
and sell everything off as rapidly and cheaply
as possible. Money is not made by hoarding it
or by waiting for big profits. It is made
by turning over the investment often and
keeping it in constant motion.
If you want Lard we have Lard. If you
want Butter we sell Butter. If you want
Sugar, we sell Sugar. If you want
Gloves, you must enquire for it at the best Gro-
ceries. We don't keep the article. We want
our Flour, Whiskey, Cigars, Beans,
Bacon, Tobacco and Cigars, Eggs, Lager,
Candles, Estates, Drinkables, Potables,
Cannabies, Edibles, Sociables, the most in-
digestible, nicest, freshest, and most economi-
cal in the South.
