He can lug an old shot gun about all

Paper blankets are a late invention
made of sheets of strong colored paper,

How to Keep Cool.
The Milwaukee News offers this recipe:
'During the terrible hot nights of the
first weeks of July,' said a gentleman
who had spent several years in South
America, 'I slept comfortably and kept
cool by adopting the plan which I learned
and found practiced in the torrid climate
of South America. Just before retiring
take a cool bath, not violent but cooling,
after which don your night shirt without
drying the body and lie down. The re-
sult is astonishing—it is much like that
produced by sprinkling water on the floor
in the evening. The water absorbs the
heat, and as it evaporates throws the
heat off with it, leaving the body dry and
cool. If the bath is not convenient,
sprinkle the bed with water. If both
can be done it is better. In South Amer-
ica the beds are all sprinkled just before
retiring, otherwise it would be about
impossible to obtain any sleep. The
recipe is one that is infallible, as I know
from long experience, and there is no
danger in it.'

The Doomed Man.

On Friday next, between the hours of
10 and 2 o'clock, Stephen Richardson will
expiate on the gallows the crime of murder
of which he was convicted at the last
term of the Criminal Court. To the end
that the law may be strictly enforced the
gallows has been erected and a door on the
south end of the jail has been cut so that
the doomed man can walk from his cell
down the corridors and on to the gal-
lows. The execution will be private and
only those persons who have tickets from
the High Sheriff will be permitted to wit-
ness the finale of Richardson's life.

Is It True?

It is currently rumored that money
has been offered to any of the young Han-
cock and English Club who will appear
in the Radical procession to-night. This
is in keeping with Republican policy.—
Where no other means avail money is to
be the lever for accomplishing their pur-
poses. What should all honest men
think of a great (?) party that, for the
mere sake of display, would seek to cor-
rupt even non-voters?

The above is communicated, although
we publish it as editorial matter. It is
understood that the offer has been made
by a Republican Alderman and that the
amount is \$150 if the club will appear.
The said Alderman is generally credited
with having both brains and money but
in this instance there seems to be more
money than brains.

Abandoned at Sea.

The brig *Fred B. Rice*, Capt. Small,
sprung a leak at sea, 60 miles East of
Frying Pan lightship, in the Gulf
Stream, on Sunday last, the 29th inst.
She filled so rapidly that it was found
necessary to abandon her, and the crew
took to a boat and succeeded in reaching
Smithville yesterday afternoon at 5
o'clock.

The *Rice* was originally a Spanish brig
by the name of *Dos Canados*. She laid
at the shipyard in this city a long time
and was finally purchased by Messrs. E.
G. Barker and Capt. Small. She sailed
from this port on Monday, the 23d inst.,
with a cargo of lumber shipped by
Northrop & Oumming and E. Kidder &
Sons, bound for Port-au-Prince. The
cargo was insured but there was not a
cent on the vessel.

Later, we learn that the *Rice* drifted
ashore about two miles south of Sloop
Point, last night, about 2 o'clock. She
is dismasted and her rigging is hanging
over her sides. She is said to be in a
very bad condition.

For the Review.

A meeting of the citizens of the Fifth
Ward, in the city of Wilmington, N. C.,
irrespective of any political party, was
held Monday evening, August 30th, 1880,
for the purpose of expressing their opinion
in regard to the present building that is
now being built by the Wilmington Market
Company, to be used and known as the
Fifth Ward Market House, situated on the
corner of Fifth and Castle streets, when
the following resolutions were read and
adopted:

1st. The citizens of the Fifth Ward, in
mass meeting assembled, do hereby re-
quest the Aldermen of the Fifth Ward not
to vote to accept the Market House that is
now under course of erection and near
completion, as the Fifth Ward Market
House.

2nd. Because it is not suitable for a
market house, and that its general ap-
pearance is that of a stable, and not a
market house.

3d. That we of the Fifth Ward have to
pay our portion of taxes and are entitled
to fair and equal justice.

4th. And that we do most respectfully
believe that the matter of receiving of the
markets should be submitted to the people
of the different wards for their approval
or rejection, and relieve the present Mayor
and Board of Aldermen from further cen-
sure by the public.

5th. That we believe that the people of
the Fifth Ward are justly entitled to as
good and commodious a market house as
the people of the First Ward, and we will
be satisfied with nothing less.

6th. And we most respectfully call the
attention of the Mayor and Market Com-
mittee, and also the Board of Aldermen, to
what we believe to be a gross injustice
that is about to be practiced upon the
people of the Fifth Ward by the Wil-
mington Market Company in the building
of the Fifth Ward Market House.

BENJ. FARROW, Secretary.
