Cook Wanted.
A GOOD COOK can hear of a situation by applying for particulars at this office.

The man who will steal a vote will steal a nickel and the man who will steal a nickel will steal a vote. Watch them all.

There is great excitement in Dublin. It is stated on good authority that warrants have been issued for further arrests of members of the Land League.

The Railroad Commissioners of Massachusetts after a full consideration, have delivered an adverse report on the petition for elevated railroads from various companies for the establishment of such roads in Boston, Cambridge, and other suburbs.

The Cunard Line Steamship Company has concluded contracts for the construction of three powerful screw steamships for the transatlantic service, the largest of which is to be of steel, and will be of 7,000 tons and 8,500 horse power, to be called the *Aurania*. The other two will be of 5,000 tons and 4,500 horse power, and will be called respectively the *Pagonia* and *Cephalonia*.

The Democratic National Committee has received trustworthy information that the Republicans are sending a large number of men from Detroit, Mich., to Buffalo and other places on the New York Central Railroad. Messages have been sent to the passenger agent of the New York Central Railroad asking him to authorize the issue of round trip tickets good for ten days at \$5 each.

The Workingmen's Party in California have telegraphed an appeal to their friends in the East. They set forth in plain terms the evils of the Chinese immigration and call pitifully on the Democratic party of the country for relief, for they know that it is only to them that they can look for sympathy or help. From being the most prosperous of any in the Union, the address says the workmen on the Pacific slope have been reduced in many instances to beggary by a horde of Chinese, who have obtruded themselves into every branch of industry. The address recites the habits of the Chinese and the idle condition of the California workingmen.

It is now thought that there is no doubt of Virginia's electoral vote being secured for Hancock and English. The Readjuster ticket, headed by Col. Cameron, of Petersburg, is sound for the Democratic candidates. One of the principal Readjuster organs—the *Norfolk Liberal*—in its comments upon that address said on Tuesday last:
"Eleven Readjuster electors will count the same for Hancock and English as a like number of Funder electors. We have the majority; let us cast the vote and thus save Readjustment along with Hancock and English."

The electoral ticket of the Funders is also for Hancock and English. So that, whichever ticket shall be elected the Cincinnati nominees will receive the electoral vote of Virginia. The *Norfolk Liberal* analyzes the vote at the last election thus: Total Readjuster vote, 82,181, and total Funder vote, 61,707. These added together make up nearly the total vote of the State. In the Readjuster vote are included 25,000 colored votes and 1,000 white Republican votes. In the Funder vote are included 25,000 colored votes and 6,000 white Republican votes. So that even if all the colored voters and all the white Republican voters should unite for Garfield the result on the above figuring would be to put the simple Readjuster Hancock vote at 47,000, the Amalgamation vote at 40,000, and the Funder Hancock vote at 40,000. Inasmuch as a large number of the colored voters are sure to go with either the Readjusters or with the Funders, there can be no doubt that Hancock will receive through one or the other, or both, of their electoral tickets the vote of Virginia.

The highest authority in New England, the State Assayer of Massachusetts, after a careful analysis of Hall's Vegetable Sicilian Hair Renewer, certified that it is the best preparation for its intended purposes that has been exhibited for examination, that its constituents are pure and carefully selected for excellent quality, and that it forms an efficient preparation for promoting the growth of the hair and restoring the original color. This world-renowned preparation is for sale by all druggists.—*Record, Red Oak, Iowa.*

Mrs. J. B. Wilson, Tiffin, Ohio, says: I have worn an Improved Excelsior Kidney Band, and received more relief than from all remedies I have ever tried. I cheerfully recommend it to all sufferers.—*See Adv.*

The Register of Deeds has issued during the week five marriage licenses, two of which were for white and three for colored couples.

The Young America Hancock, Jarvis and Shackelford Club are requested by the President to meet at the City Hall, with torches, on Monday evening at half past 7 o'clock.

A person cannot possibly attend to business if he has been kept awake during the night by a troublesome cough; to all such we would recommend the timely use of Dr. Bull's Cough Syrup. Price, 25 cts.

The fearfully inclement weather last night caused the postponement of the meeting of young Democrats which was to have been addressed at the Court House last evening by Mr. Thos. H. McKoy, Jr.

Any and everybody can now do their own painting, as N. JACOB is the agent for the N. Y. Enamel Paints works, and the prices are low.

A postal to the REVIEW from a "Tar Heel Tourist," dated at Statesville last Wednesday, tells us that everything is bright and lovely in the West for Hancock and Jarvis, and that the Democratic majority in that section will be very large. So mount it be!

The Joint Committee from the Board of Aldermen and the Board of Finance have agreed to accept the proposition of Messrs. J. A. Cloud & Co., of New York, relative to water works. The report of the committee will be submitted to a meeting of the Board of Aldermen, called for this evening.

If a man ever realizes the inequalities of this world and feels like joining the Communists, it is when he goes home to dinner with a good appetite and is encouraged on the way by pleasant odors of roast beef, boiled shad, chickens, beef-steak, chops and broiled dinners, wafted to him from aromatic kitchens, and finds when he sits down to his own repast that it consists of yesterday's meat pie warmed over.

Answers to Correspondents.
In reply to many inquiries which we have received regarding a most prominent modern remedy we would say: To the best of our belief Warner's Safe Kidney and Liver Cure is pure in its nature, efficient in its action and certain in its results. We have learned of some remarkable cures which it has effected, and believe that as a preventive of disease it is unequalled. For delicate ladies and enfeebled men it is invaluable, and its pure vegetable qualities commend it to the favor and use of all.

You can buy No. 1 Cooking and Heating Stoves at almost any price at JACOB'S Hardware Depot.

There will be a grand rally in the Fifth Ward on Monday night. We have endeavored to obtain a list of the speakers for that occasion but the arrangements were not perfected up to the hour of our going to press.

A Flight Change.
A slight change of schedule will go into effect to-morrow on the Wilmington & Weldon R. R. The day express and passenger train will leave here at 6:30 a. m., instead of 6:50 a. m., and arrive at 10:20 p. m., instead of 9:53 p. m., as formerly. The night express train will leave at 8 p. m., instead of 8:40 p. m., and arrive at 9 a. m., instead of 8:40 a. m., as formerly.

Badly Hurt.
A colored man by the name of West (we could not learn his surname,) employed at Messrs. B. F. Mitchell & Son's mills, was badly hurt there this forenoon. He was at work hoisting some bags of wheat to the upper floor when the rope parted and the wheat fell on him. Dr. Lane made an examination and found that no bones were broken although other injuries are severe. His life is not, however, considered in danger.

Fifth Ward.
The following named persons have been appointed challengers and canvassers by Capt. P. T. Dicksey, President of the Fifth Ward Club, to serve at the polls in that ward on the day of election: Challengers—Wilkes Morris, W. E. Mayo, J. M. McGowan, J. W. Millis, Jordan Branch, F. Rheu, Williamson Hunt, Sylvester Burriss, J. D. Stanley, Benj. Farrow.

Canvassers—J. D. H. Klander, N. Morriss, W. E. King, W. H. Barr, W. T. Yober, J. W. Hawkins, E. Lander, Jack Hussey, George W. Smith, Julius Thompson.

Bladen and Columbus.
We have very encouraging reports from Bladen and Columbus counties. Major Stedman and Col. Ben Moore spoke at Bladenboro on Thursday. They are confident that the county, which is very close generally, will go Democratic this time by a handsome majority. Mr. N. A. Stedman, Jr., will probably be elected to the Legislature by at least 100 majority and Mr. Shackelford will run with him. Bladen gave Canada 58 majority in 1876.

Yesterday Col. Moore and Mr. J. I. Macks spoke at Cerro Gordo, in Columbus county, and the indications are that they accomplished a great deal of good there. The estimate is that at least 25 votes have been gained there by the day's work. After the speaking, according to Capt. V. V. Richardson, 15 men who had not previously registered walked up and entered their names, and every man of them will vote the Democratic ticket all the way through.

Ladies, the best fits and the easiest shoes for the little ones are at ROSENTHAL'S.

Be Vigilant and Determined.
We learn that the Executive Committee have shadowed one case of fraud in the Second Ward, and that there are three in the Third and a like number in the Fourth Ward, which they are determined to make examples of. How many will be discovered in the First and Fifth Wards remains to be seen, but we are glad that active measures are being instituted and that in every instance the rascals who are prostituting the ballot and perjurying themselves will be brought to justice.

But not only the actors in fraudulent voting, who are made the victims by designing men, but the instigators should be brought to justice. If possible in no other way, let some of the criminals turn State's evidence. We know that a jury can be found in this judicial district who will fine a verdict according to the evidence.

The Executive Committee, we understand, have a good fund on hand. Let it be used in the prosecution of these criminals, and if necessary, let another official fund be raised for that purpose. Let the Democrats continue persistent in this matter and act with the determination that becomes men who are conscious of the right and justice of their cause. Every man, black, as well as white, in all classes of society, and in all parties is interested in preserving the purity of the ballot box.

The River
The water in the river had risen two inches at Fayetteville this morning, as a result of yesterday's rains. It is hoped that there will be better water next week. The steamers *Wave* and *North State* were both here to-day and left this afternoon. The *Wave* will try and get through to Fayetteville.

Happy Events.
Mr. R. C. Myers, of this city, was married in New York on Thursday evening last to Miss Annie Kellock, of that city. The ceremony took place at the residence. The happy couple have gone to Niagara for a few days, after which they will come to this city, where they are to reside. Our best wishes and congratulations are tendered.

Monday Night.
Hon. A. M. Waddell is certainly expected to arrive here on or before Monday night. The following gentlemen have been appointed a committee to make arrangements with him to address the people on that night, viz: A. H. VanBokkelen, Chairman, O. A. Wiggins, W. M. Parker, John H. Strauss, Charles Murphy, Josh. T. James, Patrick Glavin, P. Heinsberger, R. F. Eyden, Horace A. Bagg, James F. Post, Eugene Maffitt, Samuel Bear, Jr., W. H. Bernard, W. P. Oldham, C. H. Robinson, W. R. Kenan, P. T. Dicksey, Nicholas Morris, John G. Darden, Fred Rheu.

Democrats! Read!
Democrats, do your duty on election day and come out like men. Go to the polls in your Ward early and stay until the last ballot has been counted. Never was there such an important election in the history of North Carolina, or of the United States, as the one which takes place next Tuesday. The man who is not with us on that day is against us. The man who professes to be a Democrat and does not exert all the means in his power to sustain his cause and prevent fraud on the 2nd day of November next, is no patriot. The opportunity may never be red again to live under a Constitutional and free government. One vote in the next Congress may decide the fate of this country, and that vote may be the vote of the Representative from this Third Congressional district. Already the eyes of our fellow citizens in other States have been turned upon this district to see if it will be reclaimed. Shall we disappoint them or will we be true to ourselves and true to the honorable traditions of the past? Men of the Cape Fear, do you hear? and hearing will you heed? Remember, your presence at the polls is needed to sustain your cause and prevent fraud.

Look Out!
We especially warn the Democratic voters of this city in reference to a certain trick which the Republicans are said to be preparing for election day. It is said that they will appoint and place at the polls on Tuesday next, a batch of spies and sneaks who are to go under the name, not of Federal supervisors, but of Assistant Deputy Marshals. A certain colored employe of the government in this city has been heard to boast that he was one of these appointees and that he would make arrests under certain circumstances. Let us warn our readers that there is no earthly authority, whatever, for the appointment of any such officials. Federal supervisors can be appointed only for cities of 20,000 inhabitants or over. For parishes, counties and towns, on the representation of not less than ten citizens, two deputies or witnesses, may be appointed, one from each political party, by the Judge of the U. S. Court, simply with authority to stand around the polls and watch the vote.—*They can make no arrests.* But not even these spies or informers have been appointed and if there are any parties at the polls in this city on Tuesday next who profess authority to make arrests or who claim that they are deputy marshals, they will be acting in open violation of the United States statutes and should be treated as such. Have such men arrested at once; secure all of the testimony at hand and then Judge Brooks and a fearless jury will do the rest. Let your charge be INTIMIDATION OF VOTERS AT THE POLLS.
