Dublin continues to be a very unhealthy city. During the thirteen weeks ending Oct 2 the death rate average 34.6 per 1,000, against 21.3 in London, and 21.8 in Edinburgh.

The Sheffield papers are boasting that America, with all its protective tariff and its cheap labor of the Tennessee furnaces, has not succeeded in ousting Sheffield from the field. A heavy order, they state, has just been received from the New York Central Railroad for 15,000 tons at a price several dollars above the current rate in America, a clear proof of the superior quality of the English steel.

The smallest bell of Cologne Cathedral received a few months ago serious injury. It was taken down and sent to Gosse's foundry at Dresden to be recast. It had been originally cast in 1418, and had already been recast twice. The court organist says that the tone is now perfect. There are three other bells. One is the great "Caiserglocke," the chief ingredients of whose metal come from the French cannon taken at Sedan. The two others are comparatively old.

Here is the kind of a Christian Beecher is. It is the adulterer respecting the infidel; the man who has proven false to the most sacred principles of the Christian life speaking of the man who has never made profession of any. Ingersoll would not be out of place in Beecher's pulpit:

Ex-Sheriff "Al" Daggett, of Brooklyn, being dubious about the propriety of asking Mr. Beecher to preside at Colonel Bob Ingersoll's meeting in Brooklyn Saturday night, wrote to him on the subject, and got the following reply, which will interest Parson Newman:

"BROOKLYN, October 29.
"If it would promote the cause I would preside at twenty meetings with twenty Robert Ingersolls to speak. This is no time to ask questions about a man's religious beliefs. If he believes in his country, in manhood, in liberty, he has the right to march in the ranks with me or any other man. Do what you think best about it, and I will be obedient."
HENRY WARD BEECHER.

While we are waiting to hear the result of the great battle it will not be amiss to glance at the last forecasts at headquarters. We clip the following from Sunday's World:

The following despatches were received about midnight Saturday at the Democratic National Headquarters: "HUNTINGTON, Ind., Oct 30—Indiana is certain for Hancock. Telegraph it to the country."

"W. J. HILLIGAN, Member State Committee."
"DENVER, Col., Oct 30—At an immense meeting, followed by a torchlight procession two miles long, composed chiefly of workmen, the following resolution was adopted amid the wildest enthusiasm:

"That the workmen of Denver, seconding those of San Francisco, appeal to the workmen of the country to help protect prosperous Colorado, by voting for Hancock, from the ruin that has overtaken California. Chinese are flocking to our young State, and will not only take our work from us, but by manufacturing here articles we now buy from the East, will ruin the market of the United States of America for our Eastern manufacturers."

The National Democratic Committee received several despatches yesterday from Western States, asking if there is any truth in the report circulated in the Republican newspapers that Comptroller Kelly is acting with the Republicans of New York State. Mr. Kelly, who has already denounced the report as a slander, said yesterday afternoon: "These rumors are preposterously false. All Democrats, including every Democrat in Tammany Hall, are united in their support of the Hancock electoral ticket. If General Hancock's election depend upon the city and State of New York, then his election is assured. New York City can be safely counted upon for at least 60,000 Democratic majority for Hancock."

The members of the State Committee who were at the St. James Hotel, yesterday carefully revised the figures and estimates sent in from the workers in the several counties, and give as their conclusion the following statement: "New York City will give not less than 65,000 majority for Hancock, Brooklyn will give 20,000. The State is good for 30,000 majority. The party is thoroughly united and full of enthusiasm."

NEW HAVEN, Conn., October 31.—All indications point to a complete Democratic victory in Connecticut next Tuesday. New Haven will give Hancock 3,000 majority and the State not less than 5,000. The Democrats have been making a splendid canvass. Volunteer committees are organized all over the State to work for Hancock in every town. The Democrat's State ticket may run behind Hancock's vote but it will be elected by 3,000 majority.

Democrats will gain one if not two Congressmen, and have an even chance on the Legislature.

PHILADELPHIA, October 31.—Chairman Dill, of the Democratic State Committee, and Senator Wallace have digested reports from nearly every county which warrant the expectation that the Hancock electors will have a majority of 5,350. This allows Philadelphia to the Republicans by 15,000 and Allegheny by 8,000, making the aggregate Republican majorities 53,150, while the aggregate of Democratic majorities is put down at 58,500.

Ladies, the best fits and the easiest shoes for the little ones are at ROSENTHAL'S.

Most of the stores and places of business are open to-day, but there is a general complaint among merchants of the dullness of trade.

It is a noticeable fact that there are fewer countrymen in town to-day than there has been at any general election for a great many years.

My friends, don't bet, because it's wrong to bet and it is against the law to bet, but if you will bet, you'd better bet on Seth Davis' pony—you bet!

Business is nearly suspended on the wharf to-day. No transactions of any kind in naval stores, and only one transaction in cotton, that we have heard of.

Any and everybody can now do their own painting, as N. JACOBI is the agent for the N. Y. Enamel Paints works, and the prices are low.

Fifty mounted men met Col. Waddell at the depot last night. He was conveyed to the stand on Third street, in a coach drawn by four horses.

"There are Millions in it" said a druggist when asked about Dr. Bull's Cough Syrup; it is difficult for me to keep up stock of same, for it sells faster than I can procure it. Price 25 cents.

The Rads are in despair. A Taylor is required to sew up their lacerated hopes. They may eat Gerkens, Rice and a Penny-weight of bread, but their hopes are shattered and they are on the Brink of destruction.

The fraudulent voters in the First and Fifth Wards were so thick to-day that many legitimate voters had to turn away from the polls, being literally crowded out by these spurious voters from Brunswick county and other adjacent localities. Perhaps this thing will be quietly submitted to.

Mr. Nath'l Jacobi having been appointed agent for the Atlas Plow, parties in want of this celebrated Plow can now have their orders filled at JACOBI'S Hardware Depot, No. 10 S. Front st.

Where is that crowd going? To ROSENTHAL'S, to buy boots and shoes.

County Commissioners.

The Board of County Commissioners met in regular monthly session yesterday afternoon, all the members being present. Sheriff Manning presented his report of delinquent taxes, showing amount of \$169.17 paid over to the Treasurer.

The County Treasurer presented his report for the month of October, as follows:

General fund, balance \$12,767.77.
Special fund, due Treasurer, \$99.54; also surrendered eleven coupons of \$3 each, and two coupons of \$2 each, which were cancelled by the Board.
Educational fund: Balance in hand \$5,768.07.

The Register made his report of fees received from marriage licenses for the month of October, exhibiting a receipt from the County Treasurer for the amount of \$11.40 paid over.

The Board then proceeded to draw a venire of jurors to serve at the approaching term of the Criminal Court:

James Kendrick, D. M. Fennell, John Colville, J. M. Bremer, C. D. Morrell, Samuel Reid, Jessé Ives, Wm. M. Poisson, Thomas Reed, Henry Reeder, Nathan Reaves, Gabriel Reaves, E. J. Moore, Isaac D. Reynolds, Robert Sweat, John Mauder, A. B. George, Stephen Sneed, W. C. Fergus, P. Larkins, Wm. K. Bell, Benj. Farrow, Jr., A. G. McGirt, Alonzo Hewlett, Balaam W. Wade, Joseph Davis, Henry G. Davis, J. T. McIver, Romulus Waddell, Joshua T. Foreman.

The Board next proceeded to draw a venire of jurors to serve during the December term of the Superior Court, as follows:

First Week—Daniel Lee, Robert Lee, John R. Latta, Robert A. Orrell, C. M. Harris, H. Brunhild, C. E. Van Kampen, W. H. Styron, William Dent, John W. Girdts, Eli G. Whitney, John A. Farrow.
Second Week—Daniel Sadgar, J. Elsbach, E. M. Hewlett, Thomas Evans, T. J. Southerland, C. W. Yates, T. A. Hodges, E. F. Johnson, W. H. Sprunt, John A. Hewlett, J. H. Grotjen, J. M. Hardwick.

It was ordered that the tax on \$6,000 worth of stock listed in the name of W. I. Gore and the \$1,500 in the name of R. A. Gore be remitted, the same having been listed by the First National Bank and the Bank of New Hanover.

The following persons were granted licenses to retail spirituous liquors in the county of New Hanover: James Keegan, Martin O'Brien, Sarah J. Meyer, Aug. Deumeland, John W. Gerds, B. H. J. Ahrens, William Ulrich, M. C. Williamson, F. A. Schutte, J. M. Bremer, H. A. Glaymeyer, J. H. Grotjen, Peter Mohr, John F. Ruffs, George Steinken, Carl Muge, A. K. Heyer, C. Stemmerman, R. J. Scarborough, J. D. Steljes, H. W. Bryant, Lamb & Parmelee, C. F. Von Kampen, R. H. Borjeaux, G. L. Shutte, E. W. Dascher, R. F. Eydin, C. Schulken, H. Schulken, J. G. Oldenbutter, E. Bryson, Charles Wessel, John Haar, Jr., H. Litgen, Eliza Burden.

On motion the Board adjourned to meet on the first Monday in December.

Mr. Foster's Denial.
Mr. F. W. Foster requests us to state that he did not endeavor to influence the big-headed darkey, Joshua the first, to register in the First Ward. Mr. Foster further states that he only met the individual in question in the store and at the registration place, and being behind him and unable to pass by the man, he naturally asked of the idiot if he was there to register, and if he was going to vote for Garfield? Further than this Mr. F. assures us that he knows nothing about how Joshua the first got to the registration or how he got away from there. We cheerfully give Alderman Foster the benefit of his denial.

The River.
Telegraphic advices from Fayetteville state that there was four feet of water on the shoals at that point, this morning. This is about two feet gain in the present light freshet. The steamers can now run through from Wilmington to Fayetteville.

A very old man voted three times at Washington, Ind., in the recent State election. On his trial it was convincingly shown, though sober, he had been so carried away by excitement as to forget that he had already voted. The Radical repeaters hereabouts will please vote.

Young Democrats

Ten or twelve students of Davidson College left for their homes yesterday to cast their votes for Hancock and the State ticket. Mr. Chesley W. Bellamy, son of Dr. Jno. D. Bellamy, of this city, arrived here yesterday and cast his maiden vote to-day for good government and reform.

Bank Stock.
Messrs Cronly & Morris sold at auction to-day 44 shares of Bank of New Hanover stock at the rate of \$94 for four shares, the par value of the stock being \$25 per share. This was considered a very gratifying sale as the stock a few months ago was quoted at \$85 on the \$100 worth.

The Election.
There is no news to record as to the result previous to our close. The city has been quiet all day and voting has progressed steadily and fairly in the Second, Third and Fourth Wards. The First and Fifth seem to have been colonized very heavily and as a result the blacks are elbowing the whites from the polls. The votes in these two Wards should be, and probably will be, contested by the Democrats.

A few blacks and a few whites are voting the Greenback ticket, but many of the adherents of that party have gone back to their first love. This is the case also in the townships.

Board of Aldermen.
The Board of Aldermen met in regular monthly session yesterday afternoon. The Ordinance Committee on Locomotive Whistles reported the nuisance abated in a measure. The report was received and the committee discharged.

The Committee on Finance reported progress, and the Committees on Light and Fire Department were granted further time.

The Mayor stated, as the next unfinished business in order, the matter relating to water works.

After a full discussion by the Board the whole matter, on motion, was postponed until Monday, November 8th, at 4 p. m.

The Board then adjourned.

Last Night.
The demonstration last night, the last of the campaign, was a very imposing one. There was a large assemblage in the Fifth Ward. Mayor Fishplate presided. Stirring speeches were made by Thos. H. McKoy, Jr., Walker Meares, H. A. Bagg, and Maj. F. D. Poisson and Col. Roger Moore.

The meeting then adjourned about 10 o'clock to the stand on Third street whither Hon. A. M. Waddell, who had just arrived on the 9:53 train, was escorted by a large concourse of his friends. Col. Waddell was presented by Hon. A. H. Van Bokkelen and made an eloquent and inspiring response to the cordial welcome which was extended him.
