with \$1,000,000 capital. The Democratie papers at the North are pitcing into John Kelly and charge him with the loss of New York State.

How this can be they fail to make clear, The funded debt of Philadelphia on January] 1, 1879, was \$61,092,641.70; amount redeemed during year, \$122,600; total, \$60,970,041.70, which was increased by four per cent loan of \$10,000,000. Total funded debt January 1, 1880, \$70,

970,041.70. Comptroller Kelly's monthly statement shows that the debt of New York City, including outstanding revenue bonds issued in anticipation of taxes, was, on Oct. 31, \$122,745,127.50; the sum in the sinking fund for the redemp-

tion of the city debt was \$34,906,467.40. With a view to increasing the usefulness of the Signal Service an additional We are daily remiving NEW GOODS service is to be established on the lakes, designed not only to inform shipmasters of dangerous winds, but also to enable them to tell from which direction such

> winds may be expected. The Cuban Minister of the Interior has addressed a circular to the governors port 30 vessels, all foreign and all squareof provinces warning them that an agent riggers, of which 23 are barques and 7 had started from New Orleans for Spain are brigs. to contract for Spanish emigrants to go to Louisiana to work on the plantations at wages too low for living expenses.

The wandering statesmen are returning to Washington. On Thursday night Thompson got back from Indiana and Maynard from Tennessee; John Sherman put in an appaerance on Thursday and Ramsay is expected to-day. A meeting of the Cabinet has been, called for to-day when, for the first time since Mr. Hayes' departure for the West, on the 26th of August last, all the members and Hayes will be in Washington to-

The Navy Department has already, it is said, been disposed of by Mr. Garfield, who is under an engagement to tender it to Paymaster John Stevenson, a most active and earnest friend of Gen. Grant. The Grant men in Washington make no the prices are low. secret of this, and as Stevenson is familiar with naval affairs, they claim that it proves Grant's intention of making Garfield's Administration a strictly business Administration; in fact, a sort of civilservice reform Government-in a very

big horn. Indian corn has been successfully used instead of barley for malt in Great Britain. If the discovery proves to be practical on a large scale, a constantly widening market will be offered for the surplus crop of maize in this country, and beer will be vastly cheapened. From time immemorial, in both North and South America, Indian corn has been used by the aborigines in the production of a rude beer. It has not been hitherto used by any civilized nation, and its use now in England follows the repeal of the duty on malt and the attention of chemists to the preparation of a substi

# tute for barley malt.
