Mr. Simon Bear, who left this city about five years ago and removed to Florida, where he has since been living and engaged in business, has returned to old North Carolina and will pitch his tent with us here in Wilmington once more. We are glad to welcome him back.

Rice birds are about played out. Not so with those Scotch soles at ROSENTHAL'S They last for ever.

Capt. McIntire, on North Front street, has just received many new and pretty things, both by express and steamer. He is making vigorous preparations to accommodate a large holiday trade, and the ladies are respectfully invited to an examination of his large and handsome stock.

Attempted Burglary.
An unsuccessful attempt was made a few nights ago to burglarize the residence of a gentleman, residing near the corner of Fourth and Orange streets. The thief had raised a window and propped it up when he was discovered.

W. R. Tappin, Contractor and Builder, Toledo, Ohio, says—An Excelsior Kidney Pad relieved me of pain in the side of fifteen years' standing. Please send me another Pad.—See Adv.

Another Candidate.
By a large majority the people of the United States have declared their faith in Kidney-Wort as a remedy for all the diseases of the kidneys and liver; some, however, have disliked the trouble of preparing it from the dry form. For such a new candidate appears in the shape of Kidney-Wort in Liquid Form. It is very concentrated, is easily taken and is equally efficient as the dry. Try it.—Louisville Post.

Those who have an itching head should use Hall's Vegetable Sicilian Hair Restorer to stop it.

St. John's.
A telegram has been received here from Rev. Thos. D. Pitts, to whom an invitation to become Rector of St. John's Parish was some time since extended. Mr. Pitts states that he will arrive in Wilmington on Friday morning and as a consequence there will be services at St. John's Church next Sunday morning and evening. It is understood, we believe, that Mr. Pitts' visit is merely preliminary and it is not known as yet if he will accept the call which has been extended to him.

Water street merchants will keep their feet dry in winter by wearing ROSENTHAL'S boots and shoes.

Harbor Master's Report.
From Captain Joseph Price, Harbor Master, we have the following list of vessels together with the tonnage of the same which arrived at this port during the month of November:

American.	Tonnage.
Steamers - - - 6	5,134
Schooners - - - 13	3,482
Total - - - 19	8,616
Foreign.	Tonnage.
Schooners - - - 2	148
Brigs - - - 1	445
Barques - - - 15	6,112
Total - - - 18	6,705

Making a grand total of American and Foreign of 37 vessels with 15,321 tons.

How to catch 'em. Just buy the Delusion Rat and Mouse traps. Caught nearly forty one night. These traps are sold at JACOBI'S.

Robbery.
Yesterday the residence of Mr. W. B. McKoy, on Fifth street, was robbed during the absence of the family. So far four vests, one overcoat, three pairs of pants, one hat, two pairs of shoes and a quantity of old clothes are known to have been stolen. Early this morning a woman, giving her name as Mollie King, was seen down town with a pair of the stolen shoes on and was tracked to her house, which is on Fourth street, near Swann. She was arrested and was being brought down street when she divulged all she knew of the theft. She said that Allen Armstrong, a boy in the employ of Mr. McKoy, brought the shoes and some old clothing to her house last night, and described the stolen articles. She produced most of the old clothes, but the new ones she says she knows nothing about. A hunting suit of Mr. McKoy's was found in his stable, and also the suit of clothes that Armstrong had on yesterday. Armstrong has not yet been caught but the officers are after him.

Seeing is believing—without doubt you can buy Cooking and Heating Stoves at almost any price at JACOBI'S.

Another Fell Destroyer.
We wrote two days ago of the slaughter of fowls at night in different private lots of this city, by what was thought to be a mink, and as in each instance it happened near a small water course or run, we thought naturally enough that the author of these misdeeds must be a mink, especially as the throats of the dead chickens were found to be cut, with no other damage to them. But this morning a gentleman residing some four hundred yards from any running stream of water informed us that last night some fowl destroyer visited his premises and killed eleven hens and one turkey; the chickens had their throats cut, and so did the turkey, but two-thirds of the turkey was devoured or destroyed. This leads to the supposition that the murderer in this instance must have been a fox, unless it is possible that after the mink had surfeited himself on the blood of his victim, the rats of the neighborhood came along and had a grand feast on the flesh of the turkey. The fowls were all locked up in a house, too, leaving only a hole sufficient large for them to crawl through in going to roost and to crawl out again in the morning. It behooves our citizens who want to save their poultry to stop all the cracks and holes to their fowl house, besides locking the door to keep out two-legged rats.

By the way, where is the Fox Club, the Coon Club and the rest of the sporting fraternity? Can't they organize a Mink Club and catch the black varmin'!

Dancing lessons given free at ROSENTHAL'S; Pump sole boots and shoes for the ball room.

We are pleased to learn that Dr. M. J. DeRosset's condition is considered as much more favorable. We hope ere long to see him on the streets.

Mr. J. D. Nutt, who has been conducting a drug store in Laurinburg, has returned to this city and is now in charge of Burbank's Pharmacy. The new firm is J. D. Nutt & Co.

Sudden Death.
A colored woman, employed as a cook at the boarding house of Mrs. Thomas Lather, near the corner of Front and Red Cross streets, died very suddenly last evening. At the time of her death she was seated in a chair near the stove. Special Coroner Leslie empanelled a jury and held an inquest over the deceased this morning. After hearing the testimony the jury returned a verdict of death from natural causes, supposed to be heart disease.

Criminal Court.
This Court was in session to-day and disposed of the following cases:
The case of State vs. W. H. Goodman, assault and battery on J. T. Edens. Mistrial.

State vs. Mary Brown, charged with bigamy. It appearing that the crime was committed in Columbus County, the papers will be sent to the Clerk of the Superior Court of that county.

State vs. Charles Edens and William Newkirk, charged with larceny. Verdict not guilty.

State vs. Richard Hooper. Larceny. Not guilty.

State vs. Mary Ann Davis. Nuisance. Now on trial.

Some Figures.
The receipts of cotton at this port during the month of November foot up 30,430 bales against 11,944 bales for November, 1879, an increase this November of 18,486 bales. The receipts to date this season are 74,559 bales, as against 54,134 bales for the corresponding period of last year, an increase in favor of this year of 20,425 bales.

On December 1st, 1879, middling cotton was quoted in this market at 11½ cents; to-day it is 11¾. Spirits turpentine, Dec. 1st, 1879, was worth 37½ cents; to-day it is quoted at 42½. Same date last year rosin was quoted at \$1.30 for strained and good strained; to-day it is worth \$1.35 for strained and \$1.40 for good strained. Same date last year tar sold for \$1.10; to-day it is quoted at \$2.40. Same date last year crude turpentine was sold for \$1.60 and \$2.60; to-day it is quoted at \$1.80 and \$2.80.

Proclamation By The President.
Fault-finding is so seldom indulged in by those who use the medicines manufactured by the World's Dispensary Medical Association, that the President of that corporation, the Hon. R. V. Pierce, M. D., has issued a special request or proclamation to any and all persons, if there be any such, who may have taken or shall hereafter use any of the family medicines now made and sold by the said Association, in all countries of the world, and who have not derived full benefit from said medicines, that if they will write the said Association a description of their maladies the Faculty of the Dispensary will advise them with respect to the successful treatment of their diseases. Dr. Pierce's Golden Medical Discovery is guaranteed to cure all humors from the common scrofula, pimple or eruption, to the worst scrofula or king's evil, and those virulent poisons that lurk in the system as a sequel or secondary affection resulting from badly-treated or neglected primary diseases. It also cures bronchial, throat and lung diseases. Favorite Prescription is guaranteed to cure female weaknesses and kindred affections. Extract of Smart-Weed cures bowel affections, colds, and all painful, rheumatic and neuralgic affections. Dr. Pierce's Pellets (little sugar-coated pills), are the little giant cathartic. Address, World's Dispensary Medical Association, Buffalo, N. Y., or Great Russell Street Buildings, London, Eng.
