Some one defines a night gown as a nap sack.

The receipts of cotton at this port to-day foot up 986 bales.

It is better to give than to receive, especially advice and medicine.

No man ever knows enough; and the more he knows the more he studies.

Few men are so awkward with tools that they cannot work a cork screw quite handily.

The faith which looks forward is far richer than the experience that looks backward.

There are few occasions when ceremony may not be dispensed with, kindness never.

Pleasant to the taste and surprisingly quick in relieving Coughs and Colds, it is not at all strange that Dr. Bull's Cough Syrup has displaced so many other Cough remedies.

A good constitution is like a money box; its full value is never known until it has been broken.

What is the reason that a man crossing a muddy crossing always walks on his toes and a woman on her heels?

Swamp Angels, Bull Dogs, and other Revolvers at very low prices at JACOBI'S.

Stop your hair from falling out by using Hall's Vegetable Sicilian Hair Renewer, a sure prevention.

Mr. Thos. Garrison, one of the Smithville pilots, while in a friendly tussle at that place on Saturday fell and broke his leg. The fracture is a slight one but he will be laid up for some time from it.

How to catch 'em. Just buy the Delusion Rat and Mouse traps. Caught nearly forty one night. These traps are sold at JACOBI'S.

People recognize their debt to their fellowmen because there is a certain harshness in the law which compels them to, but their indebtedness to God they put off until the last moment, and then regret that they can't put it off longer still.

A receipt for making soup: Take a pail of water and wash it clean, then boil it till it is brown on both sides; pour in one bean; when the bean begins to worry prepare to simmer. If soup won't simmer it's too rich; pour in more water; dry the water with a towel before you put it in; the dryer the water the sooner it browns. Serve hot.

Cotton for Liverpool.
Messrs. Alex. Sprunt & Son cleared four cargoes of cotton to-day for Liverpool. They aggregate 6,880 bales and are as follows: Br. barque *George Davis*, with 2,562 bales; Ger. barque *Star of Hope*, with 1,045 bales; Ger. barque *Atlantic*, with 1,585 bales; and Nor. barque *A. M. Schweigaard*, with 1,688 bales.

City Court.
Jas. Eagan, colored, was arraigned this morning before His Honor, the Mayor, on the charge of larceny. He was committed to jail in default of bond for his appearance at the next term of the Criminal Court.

Geo. Tienken was the next sinner. He was charged with disorderly conduct. His Honor suspended judgment in this case and the Court thereupon adjourned.

Seeing is believing—without doubt you can buy Cooking and Heating Stoves at almost any price at JACOBI'S.

Superior Court.
The Superior Court, His Honor Judge Guider presiding, convened this morning. The time of the Court was taken up this forenoon in empanelling a jury and hearing excuses. Five persons were excused and the Court took a recess until to-morrow morning at 10 o'clock when the five talismen who were summoned in the place of the jurors who were excused will be empanelled.

Masonic Grand Lodge.
The Grand Lodge of Masons meets in Raleigh to-morrow evening. Mr. Chas. H. Robinson, of Wilmington Lodge, and Messrs. W. R. Kenan, H. H. Munson and J. C. Munds, of St. John's Lodge, will leave here to-morrow morning for Raleigh and will attend the Grand Lodge as delegates from this city.

How to be your own painter. Just buy the N. Y. Enamel Paint, ready mixed and warranted at JACOBI'S.

Moonstruck.
There are two new moons this month, with an eclipse of the sun on the last occasion. Full moon, 16th. Venus, Jupiter and Saturn visible as evening stars all this month. The Halcyon Days begin on the 14th, and last 15 days. Shortest day of the year, 21st. A fine time for the study of uranography this month, should the nights be fair.

Ladies, the best fits and the easiest shoes for the little ones are at ROSENTHAL'S.

A Colored Democrat Kulluked.
Fred Shaw, a well-known colored man of Whiteville, and a staunch Democrat, was Kulluked on last Saturday night, about one mile below Whiteville Depot and badly injured. He was set upon by two men of his own race and cut and badly beaten. He would probably have been killed had he not succeeded in making his escape from them. As it is he is very badly injured although his life is not thought to be endangered. The assailants will most likely be captured and if so they will get all the law allows them.

Rice birds are about played out. Not so with those Scotch soles at ROSENTHAL'S they last for ever.

New Yacht.
Mr. R. H. Beery commenced on Saturday to build a yacht for a gentleman from Massachusetts, who is in this city on a visit. The new craft, when completed, will be fifty-four feet over all. We learn that she is intended for the oyster trade near Boston.

Very few persons are aware that vessels can be built in this city for 25 per cent. less than is charged in northern ports. We have every facility for boat building. The woods about Orton, Lilliput and other places on the river abound in live oak timber; we have also the best of pine and the tar is likewise ready at hand.

Water street merchants will keep their feet dry in Winter by wearing ROSENTHAL'S boots and shoes.

Lost but Found.
Two years and a half ago a gentleman while on a visit to relations in this city, lost a plain gold finger-ring from his finger. Diligent search was made for it at the time in the gutter in which it was seen to roll, but the search proved to be a fruitless one, and all hopes of recovering the ring were abandoned. Since then the gutter has been dug out two or three times, but after the heavy rain about a week ago an old family servant of the gentleman's relations found the ring and carried it to the family, who immediately informed their relative of the recovery of his long lost ring.—Stange, ain't it?

We advise all in need of Household Hardware to first go to JACOBI'S. There you get the lowest prices.

At St. John's.
Rev. Thos. D. Pitts preached yesterday morning and evening in St. John's Church to a large congregation on each occasion. It is the first time that St. John's has been opened for morning services since Dr. Patterson left, near some two months ago. The congregation was large and attentive, the music excellent and the services unusually impressive. Mr. Pitts is apparently about 30 years of age, of medium stature and slight build and wears no beard. His manner is earnest and pleasing and his voice clear and resonant and very distinct in enunciation. The impression made by him upon the minds of the congregation is a very happy one and argues well for the future relations between pastor and people should Mr. Pitts become the Rector of the Parish.

W. A. Titus, 62 Ashland Avenue, Toledo, Ohio, says:—My wife is now as strong as ever, her regained health being directly due to the use of the Excelsior Kidney Pad. We can heartily recommend it to all kidney troubled persons.—See Adv.
