HEINSBERGER—New Year Gifts  
A SHRIER—Boots and Shoes  
S JEWETT—Crowded  
C W YATES—What did you say?

About the heaviest frost of the season was observed here this morning.

Don't forget the N. Y. Enamel Paint, ready mixed and warranted, at JACOBI'S.

Very long scarfs, of white fleecy wool, are wound round and round the neck and fastened with a "lizard" pin.

Embroidered India mull fichus continue to hold their own; indeed, mull is among the chief favorites of fashion.

Chinchilla fur, frail though it be, is extremely becoming to blondes, and is the first choice for very young ladies.

There are 47 vessels, all foreigners, bound for this port. They are all square-rigged, 15 being brigs and 32 barques.

Water street merchants will keep their feet dry in Winter by wearing ROSENTHAL'S boots and shoes.

In some places there are to be innovations upon the old established rules. Ladies who "receive" will issue cards to their friends.

There are now 34 vessels in this port, just one-half of which, 17, are Americans. This is an unusually large proportion of late years.

During the Holidays buy useful articles such as Christmas Fire Dogs, Shovels and Tongs, Fluting Machines, &c. All at the lowest prices at JACOBI'S.

The Charlotte Observer, as well as its Raleigh namesake, takes three days for Christmas, and will not appear again until Thursday morning.

Have you seen the latest improved Heating and Cook Stoves at JACOBI'S? You can get them at factory prices.

Thanks to Mr. Wm. L. DeRosset, Jr., of the Mercantile Job Printing office, for copies of very handsome and convenient calendars for the year 1881, gotten out by him.

We advise our friends to call at JACOBI'S for real Silver Plated Tea and Table Spoons and Forks, Roger's Ivory handled Table Knives, Pen and Pocket Knives. All Christmas and at the lowest prices.

Saturday's Charlotte Observer says: The train that left Wilmington with Capt. V. Q. Johnson on board on the evening of the accident on the Carolina Central is said to have made the fastest time ever known on that road. It left Wilmington at 5 o'clock and reached the scene of the disaster before daylight, a distance of 225 miles.

J. R. CAIRNS, Sheriff of Lenawee Co., Mich., says:—I have worn an "Only Lung Pad" for Bronchial difficulties, and have not been troubled with a cough nights since wearing it.—See Ado.

Indications  
For the South Atlantic States northeast to northwest winds, partly cloudy weather, lower temperature and rising barometer in the northern portion.

Rice birds are about played out. Not so with those Scotch soles at ROSENTHAL'S They last for ever.

To Leave Us.  
The handsome doll which has been on exhibition at Mr. S. Jewett's store for some time past, and which was raffled on Christmas day, was won by a gentleman residing in Fayetteville. The "little lady" will be securely boxed and sent to her owner, who will no doubt be pleased to receive her.

Triplets and Scandal.  
A white woman living in the Northern part of this city gave birth to triplets on Sunday morning last. They were well developed and each was born with two front upper teeth. They were getting along nicely until last evening, when they died. The children were illegitimate, as the woman is unmarried.—The county physician was sent to look at them this morning and see if there had been any foul play in connection with their sudden death. We understand that an effort was made to bury them last evening after dark, but that those who tried to inter them were made to postpone the burial until an examination could be made. There is no doubt about the triplets having been born, or that they were supplied with teeth, but there may be some doubt as to foul play being suspected. We give it only as we hear it.

Unavailable.  
The following unavailable matter remains in the city postoffice:  
Jackson Steyens, Mrs. Henry C. Ireland, E. W. Smallwood, James McKenzie, Racho Jackson.

An exchange says: A one-armed negro boy in Augusta has saved four persons from drowning. This is nothing, however, for Dr. Bull's Cough Syrup has saved thousands from consumption.

Skating Contest.  
The skating contest at the City Hall, last evening, was well patronized. The competitors for the skates did their best and after the match a ballot was taken which resulted in Mr. W. B. Morrison receiving the first prize, he having gotten 61 votes, and Mr. James W. Willson the second prize, he receiving 60 votes. It was an enjoyable affair, so we are told, and every one was well satisfied with the evening's pleasure.

A Delusion Trap placed in a house will quietly catch a cunning mouse. Call at JACOBI'S for them.

Masonic Installations.  
The installation of officers of the lodges and officers of the chapter took place at the Masonic Lodge Room yesterday afternoon, at 3 o'clock, Mr. Samuel Northrop installing the Lodge Officers and Mr. C. M. VanOrsdell, the Officers of the Chapter. At night two very fine addresses were delivered by Messrs. W. H. Chadbourne and J. I. Macks, and the room was filled with a well-pleased audience, many ladies being among the number present. It was not our good fortune to hear the addresses delivered by the gentlemen above named, but we have heard them remarked upon as being very fine productions indeed.

The newest, latest, best and cheapest at ROSENTHAL'S.

Royal A. Canum.  
At a meeting of Cornelius Harnett Council No. 231, Royal Arcanum, held last evening, the following officers were elected:  
Regent—H. Brunhild.  
Vice-Regent—H. H. Kasprovicz.  
Orator—N. Mayer.  
Secretary—B. A. Hallet.  
Collector—Jacob Weil.  
Treasurer—Wm. Larkin.  
Chaplain—S. Mendelsohn.  
Guide—I. L. Greenwald.  
Warden—J. W. Strauss.  
Sentry—E. Levy.  
Medical Examiner—W. J. H. Bellamy.

Cause and Effect.  
The main cause of nervousness is indigestion, and that is caused by weakness of the stomach. No one can have sound nerves and good health without using Hop Bitters to strengthen the stomach, purify the blood, and keep the liver and kidneys active, to carry off all the poisonous and waste matter of the system. See other column.—Advance.

An Unruly Prisoner—His Trial and Commitment.  
Sam Williams, colored, was arrested yesterday by Special Deputy J. W. Willis, upon an *alias capias* for non payment of costs in a case tried before Justice Millis some three months ago. The prisoner was ordered committed by the Justice above named and while on the way to the Sheriff's office in charge of Officer Millis, William turned upon the officer and made a furious assault, scratching his face and hands pretty severely, besides tearing the officer's clothes pretty badly. Assistance being summoned the unruly prisoner was soon overpowered and taken to jail. This morning he was arraigned before Justice Gardner who fined him \$50 and costs for his assault, in default of payment of which the defendant was sent to the Hotel Howard for the space of thirty days.

To accommodate the Public.  
The proprietors of that immensely popular remedy, Kidney Wort, in recognition of the claims of the public which has so liberally patronized them, have prepared a liquid preparation of that remedy, the special accommodation of those who from any reason dislike to prepare it for themselves. It is very concentrated and, as the dose is small, it is more easily taken by many. It has the same effectual action in all diseases of the kidneys, liver or bowels.—Home and Farm.
