A Step in the Right Direction
A meeting of the Board of Health for New Hanover county was held in the County Commissioners' room last Friday evening. Col. W. L. Smith, the Chairman, presiding.

Dr. Thos. F. Wood made a verbal report to the Board of his visit to New Orleans in attendance on the Quarantine and Health meetings recently held there. The following resolution, offered by Dr. Wood, was adopted:

Resolved, That in the opinion of the New Hanover County Board of Health the time has come when in the interest of humanity and mercy a hospital or infirmary and dispensary should be established in the city of Wilmington for the care of the sick poor. No such institution now exists and there is no adequate provision made for such purposes. We respectfully suggest that the proper authorities be asked to take such action as will secure the end in view.

The Secretary was requested to present this resolution to the city and county authorities at their next meeting, which was done this afternoon.

Is Spiritualism True?

Mr. J. M. Colville, of Boston, Mass., will give a religious illustrated spiritual lecture at the Opera House Wednesday evening. He has a full company and is accompanied by a trained "gentleman mule." If the members of the company cannot make you laugh, then that jack—no, "gentleman mule" is backed up to you, and then you laugh or have the head kicked off of you.

County Commissioners.

The Board of County Commissioners met in regular session this afternoon, the Chairman and all the members being present.

It was ordered that those Magistrates who have not made their annual report shall do so at the next meeting of the Board.

John H. Savage tendered his official bond as keeper of the Poor House, with Messrs. Jno. H. Strauss, Wm. Larkins and Jno. R. Melton as sureties, which was accepted. He also tendered his bond as Superintendent of the House of Correction with the same sureties, which was likewise accepted. Mr. Savage was then sworn in by Chairman Smith.

The Treasurer's report for the month of December was received: General Fund showing balance \$23,881.28. Educational Fund balance due \$3,724.68; Special Fund balance due, \$859.07. A communication from the New Hanover County Board of Health in regard to the establishment of a Public Hospital, was referred to Commissioners Smith and Bagg who are to meet a similar committee appointed by the Board of Aldermen.

J. C. Millis was elected standard keeper for the ensuing two years.

The jury list was next in order but we were compelled to close our report before the list was drawn.

The New Year's Reception.

We were unable to give a full report on Saturday of the New Year's reception tendered by Hon. A. H. VanBokkelen to the members of the Chamber of Commerce and the Board of Trade, because of the short time allowed us. The reception was all that could be desired and has furnished to-day a fruitful theme of pleasant talk by those who were so fortunate as to be present. The welcome to the guests was a hearty one and the good cheer which was provided was especially grateful on such an inclement day. A number of toasts were delivered on the occasion none of which, however, are likely to go down to posterity as there was no reporter present. Captain DeRosset offered the first toast, which was to Mr. VanBokkelen as President of the Chamber of Commerce and this was handsomely responded to by that gentleman. Messrs Alex. Sprunt, E. Kidder, C. H. Robinson and D. E. Heide, followed, some of whom, although sailing under different flags, yet evinced a wonderful unanimity in appreciation of the cheer and the occasion. Hon. A. M. Waddell was also called on and in response to a toast, and delivered himself in his usual pleasant and felicitous manner.

We thank Mr. VanBokkelen for the invitation which included the press as subscribers to the Exchange and regret very much our inability to be present.

HE STILL LIVES.

Some years ago Dr. R. V. Pierce, of the World's Dispensary and Invalid's Hotel, of Buffalo, N. Y., and London, was sent for to examine a terrible disease of the knee-joint, resulting in ulceration and extensive sloughing of the bone and tissues. The man's life had been despaired of by the previous attendants. Amputation at the thigh was promptly decided upon and skillfully performed by Dr. Pierce, and as after treatment to purify the blood and prevent a recurrence of the malady the doctors Golden Medical Discovery was freely prescribed. The man's system was thoroughly purified and strengthened, he rapidly gained his health, the stump healing nicely, and he is to-day a happy man. This case was among the first in which this wonderful blood-purifier was tested. It has since manifested its wonderful power over the worst scrofulous and other blood diseases. Taken for a time it so purifies and strengthens the system as to strongly fortify it against the encroachments of diseases. Sold by druggists.

MIDDLEVILLE, Mich., Feb. 15, 1879.
Hon. R. V. PIERCE:
Dear Sir—I would say that I have sold your medicines for seven years. The Golden Medical Discovery is the best cough remedy I have ever used and in every case where I have recommended it, it has cured. I have used it in my family for my children. It cures their colds and coughs in a day or two. My wife has used it several times when down sick. It invariably gives immediate relief. Its sale increases daily.
J. B. KESTER, Druggist.
