Selling the Old Market House.

The Finance Committee of the Board of Aldermen, consisting of Mayor Fishblate, Aldermen Foster and VonGlahn, met at the Mayor's office in the City Hall at 12 o'clock to-day to receive and open bids for the Old Market House as it now stands at the foot of Market street. Only one bid was handed in and this from Alfred Howe for \$150. The committee thereupon accepted the bid and closed the contract with Howe for the amount above named.

The Glass Blowers.

The attendance upon the exhibitions of the "blowers" is continually on the increase. It is a fact that the skill manifested by the operators is truly marvelous and meritorious. There is not a particle of humbug about the performance in any way. We learn that the teachers of several schools in this city have made a request for a special exhibition for the benefit of their pupils on Thursday afternoon, which has been granted by the proprietors, and the price of admission reduced to 15 cents for all who attend in a body with the pupils.

Board of Aldermen.

The Board of Aldermen met in called session at the City Hall yesterday afternoon, the Mayor and the full Board present.

Mayor Fishblate stated that he had called this meeting for the purpose of giving the City Attorney power to draw deeds for property sold for city taxes, and also to receive a communication from the Board of Audit and Finance relative to the market question.

Alderman Myers, Chairman of the Committee on Ordinances, offered an Ordinance, which was adopted, empowering the City Attorney to make the necessary deeds of conveyance to the city for all real estate sold by him for the non-payment of taxes, and upon which the said taxes are still due and unpaid, and making provision for the redemption of the said property within two years from the 1st of January, 1881.

A communication from the Board of Audit and Finance, disapproving the contract with the Wilmington Market Company, was read, as also the opinion of the City Attorney pronouncing the contract illegal.

The Board of Audit and Finance, in their communication to the Board of Aldermen, say:

"We return herewith the contract with the Market Company referred to this Board for approval. It is returned without such approval, as we believe it to be illegal. We are opposed to the mode and manner proposed, of paying for the markets. We do not think it right or legal to barter away for a term of eighteen years an unknown portion of the city revenue for the purpose named in said contract, and especially when the barter is coupled with conditions that will seriously interfere with the privileges of the citizens of Wilmington—not only vendors of fresh meats, but commission men and grocers. The conditions of the sale of the property to the city are, that all revenues derived from the rents of stalls, license taxes of butchers, and other dealers in perishables, as well as fees for weighing beef cattle, for a term of eighteen years shall be collected and retained by the Market Company; and for the purpose of enlarging this fund, ordinances are to be passed and rigidly enforced, prohibiting the sale of all marketable articles and perishable articles within four blocks in any direction from the market house named. The more strictly these oppressive laws are enforced to the inconvenience of many merchants and citizens, the larger the sum paid by the city for the property. Desiring to have legal information in the matter of so much importance to a tax paying community, we sought and obtained the opinion of the city attorney, which is herewith enclosed. If, as he believes, this contract cannot be legally entered into, and it should be so decided by the courts, there is no provision made for the return to the city of any of the revenue collected by the Market Company, or their successors, or the payment of any city taxes during its undisputed continuance."

Alderman Divine offered the following, which was adopted:

Resolved, That the facts set forth in the objections to the market contract by the Board of Audit and Finance are not sufficient to lead this Board to change its action in the matter.

Alderman Myers moved that the Board of Aldermen ratify its action as taken at the regular meeting of December 6th, 1880, in accepting the contract with the Wilmington Market Company. The motion was carried, Aldermen Bowden and VonGlahn voting in the negative.

Alderman Myers submitted the following ordinance which was adopted:

MARKET ORDINANCES.

Be it ordained by the Mayor and Board of Aldermen as follows:

1. That the market building and lots in block 138, extending from Front street to the river, and in block 249, at the northeast corner of Fourth and Campbell streets, and in block 76 at the southwest corner of Fifth and Castle streets are hereby appointed as, and declared to be the public markets and market places of the City of Wilmington.

2. Carts and other vehicles bringing marketable articles to market for sale shall take their stand under the sheds of the market on Front street, or along the streets, next to the sidewalks, adjacent to the markets at the corners of Fourth and Campbell streets, and Fifth and Castle streets.

3. The stalls in the said Market House shall be rented annually on the 1st Monday of February in each year by public auction to the highest bidder, said rentals shall

be for one year, and stalls not rented at such times, and those becoming vacant during a rental year, shall be rented privately for the unexpired term of said rental year, or from month to month, until the next annual renting, provided that, when so rented privately, the rent for meat stalls shall not exceed ten (\$10) dollars per month for each single stall, and five (\$5) dollars per month for each fish stall. Stalls under the sheds shall be rented privately from month to month or from day to day.

4. No person or persons shall sell or offer, or expose for sale, except at one or the other of said market-places, any butcher's meat, fresh meat, fresh fish, venison or other game, poultry, wild fowl, oysters and vegetables within that portion of the city embraced within the following limits, to wit: Beginning on the river at the foot of Harnett street, thence east with Harnett street to Eighth street, thence South with Eighth street to Chestnut street, thence West with Chestnut street to Fifth street, thence South with Fifth street to Orange street, thence East with Orange street to Ninth street, thence South with Ninth street to Wright street, thence West with Wright street to Front street, thence North with Front street to Castle street, thence West with Castle street to the river, and with the river to the beginning; provided that nothing herein contained shall be construed to prevent the sale of vegetables or poultry by licensed grocery dealers from their stores, or of oysters, game, or fish sold in restaurants or eating houses, or of poultry or hogs, consigned to commission merchants for sale by the wholesale.

5. No hucksters or other persons shall sell, or offer or expose for sale, any of said marketable articles herein before mentioned upon any of the sidewalks or streets of this city.

6. It shall be the duty of the clerk of the Market to exercise a general supervision over the said market houses and places; to assign places to carts or persons attending market, and enforce order among them, and in said markets; to decide all disputes which may arise between buyer and seller touching the weight or measure of any article; and generally to do and perform all acts in and about said markets necessary for the proper regulation of the same, and the enforcement of market regulations.

7. Any person violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor, and upon conviction, shall be fined, not to exceed ten dollars, or imprisoned ten days, for each and every offence.

8. All Ordinances in conflict with, or which are repugnant to or inconsistent with, any of the provisions hereof, are hereby repealed.

9. This Ordinance shall be in force from and after this, 18th day of January, 1881.

Death of Mr. Hill.

The announcement by telegram last evening of the death of Mr. William E. Hill, though not unexpected, cast a gloom over the entire community. He was much esteemed by all who knew him and was universally respected. He was one of our most enterprising and public-spirited young men and his loss will be severely felt. He came to this city when quite a boy and has for the last twelve years been a useful and good citizen. Some three years ago he was one of a firm who took charge of the Blind and Sash Factory, but after he purchased the Cape Fear Building Company's works, at Abbot'sburg, where he has lived for the past year and where he met his death by a terrible accident.

Mr. Hill was about 31 years of age and was, we believe, born in England. He married in this city and leaves a wife and child. He was a member of Cape Fear Lodge, I. O. O. F., and also of Carolina Lodge, No. 434, K. of H. His remains were brought to this city this afternoon and were met at the depot by a delegation from those Lodges. The funeral services will take place tomorrow morning from the Second Presbyterian Church at 10 o'clock and the remains will be escorted to the grave by the members of the Orders of which deceased was a member.

The Public Hospital.

The Conference Committees from the Board of Aldermen and Board of County Commissioners appointed for the purpose of considering the propriety of establishing a city Hospital, met in the commissioners room at 7 1/2 o'clock on Monday evening and unanimously agreed to petition the legislature for authority to establish a public hospital in this city. The necessary papers to be sent to Raleigh are being put in proper shape by Col. B. R. Moore, County Attorney, and will go forward this week and probably come up before the legislature some time during the following week or the week after.

City Court.

Isaac and Jim Baker, the colored twins, were arraigned before the Mayor this morning charged with assault with a deadly weapon in the shape of a butcher knife upon the person of Geo. Hays, colored, inflicting wounds on the arm, hand and head of Hays. This all happened last night about 10 o'clock, at the room of the First Ward Bucket Company, in Brooklyn, during a meeting of the above named company. Health Officer Scharf, who resides in the neighborhood, being notified, promptly repaired to the scene of conflict and arrested the two Bakers and carried them to the Guard House. From the testimony adduced in Court it seems that one of the Bakers was elected foreman of the Bucket Company at a meeting of the Company held last week, and that fraud was charged, one man acknowledging that he voted twice, hence the call for the second meeting last night which ended in the row above named. Owing to the absence of the principal witness the case was continued until to-morrow morning at half-past 9 o'clock.

Branch of the Land League.

President—John Barry.

1st Vice President—John Dyer.

2d Vice President—Thomas Monks.

3d Vice President—Dan Quinnivan.
