A humorous article—a baby with the
rash.
Only one trifling case before the City
Court this morning.
Many men want but little here below,
and they get it sure.

The man who is never on time usually
carries a large watch.
Just one week from to-day, and valen-
tines will be in order.
An umbrella is mentioned as one of
the ups and downs of life.

Receipts of cotton at this port to-day
foot up 313 bales, and resin 3 503 barrels.
You can now buy Improved Heating and
Cook Stoves at factory prices at JACOBI'S.
An organ-grinder is in the city doing
up the town and hauling in the pennies.

Its costs \$5 a month to supply a good
stove with coal, but you can be crema-
ted for \$1 80.
The man who tried to light his pipe
with a billiard match said he did it out
of cue-riosity.
The picture on a back of a \$10 bill
would make an excellent chromo for a
poor family.

Young men who ante frequently, need
not be surprised if they are forced to call
on their uncle occasionally.
There will not be a meeting of the
Board of Aldermen this evening. The
meeting will be held Thursday or Friday
evening.

A matter of choice;—whether to suffer,
uninterruptedly with a cough or to in-
vest 25 cents for Dr. Bull's Cough Syrup
and cure it,
Ned. Gause, colored, was before a
magistrate this morning charged with
assault and battery. He was ordered to
pay a fine of \$5 and costs or go to jail.
He paid the fine.

Mr. B. G. Worth, President of the
Duplin Canal Company, has called a
meeting of the stockholders of the com-
pany to meet in the Rooms of the Pro-
duce Exchange to-morrow morning at 11
o'clock, to consider the affairs of the
company.

Go to JACOBI'S for Doors, Sash and
Blinds, pure White Lead, Oils, Varnishes,
Window Glass, all sizes. All at the lowest
price.
An educational exchange asks the
question: "Is one language enough?"
As a general thing it is, but there are
times when it isn't. When a man goes
to throw a scuffle of coal on the fire, for
instance, and strikes the stove two inches
below the door, and the coal flies nine
ways for Sunday, he feels that one lan-
guage to express his feelings is meager
indeed.

Scarcity of Coal
There is not a ton nor a half ton nor a
pound of coal for sale in this market and
the vessels bound for this port with coal
are frozen up in the Delaware. Gloomy
prospect now if there should come a wood
famine and a freeze on top of it; what
would we do?
J. N. BICK, of Toledo, Ohio, says:—
My father, before wearing the "Only
Lung Pad," could not sleep nights on
account of his violent coughing; since
wearing it he has slept soundly every
night.—See Ad.

Will not Show.
Perine's Juvenile Opera Troupe will
not perform in this city to-night, as ad-
vertised. The agent made some mistake
about the dates and billed the troupe for
this city to-night when he should only
have billed them for to-morrow night.
The troupe will arrive in the morning
and fill their engagement to-morrow
night. Tickets sold for to-night will be
good for to-morrow night's performance.
Hundreds of men, women and children
rescued from beds of pain, sickness and
almost death and made strong and hearty
by Parker's Ginger Tonic are the best
evidence in the world of its sterling
worth. You can find these in every com-
munity.—Post. See advertisement.

Flattering.
The First National Bank of Newport,
Connecticut, has purchased \$10,000
worth of new 6 per cent. city bonds at
par. It will be seen that the city's credit
is as good abroad as it is at home.
We advise our friends to call at JACOBI'S
for Household Hardware of every descrip-
tion. There you get the lowest prices. †

Change of Management.
Mr. B. F. Perry, an old hotel man,
has bought out Mr. Cobb's interest in
the Purcell House and took charge yes-
terday. Mr. Perry was the proprietor of
the Atlantic Hotel, at Beaufort, and has
established for himself a reputation not
to be despised. Mr. Perry thoroughly
understands his business and proposes to
make his house first-class in every respect
and second to none in the South. He
will make needed changes and will be
pleased to serve his friends and the pub-
lic generally. We regret to lose Mr.
Cobb.

B. G. L., No. 5, I. O. B. E.

At the Fourteenth Annual Session of
the District Grand Lodge, No. 5, I. O.
B. B., held a few days ago in Baltimore,
Md., Mr. J. I. Macks was elected Presi-
dent; and Hon. S. H. Fishplate, Chair-
man of the General Committee, which
is the most important one of the Order.
While the Grand Lodge was in session
it visited, in a body, the Hebrew Orphan
Asylum on Calverton Heights and while
there speeches were made by Messrs
Fishplate and Macks. The Order is in
a flourishing condition and now numbers
in this district 2,500 members and has
\$45,000 in its endowment fund and \$16,
000 in the Orphan Asylum fund.

Marine Items.
The *Newbernian*, published in our sis-
ter city of Newbern, says in its Satur-
day's issue that the U. S. Revenue Cut-
ter *Stevens* left the above named place
on Friday morning at 8:30 and when op-
posite Otter Creek buoy was signaled by
the schooner *Boston*, bound from Eliza-
beth City to Wilmington, N. C. The
wind was blowing fresh ahead, and a
strong current running down, which un-
der ordinary circumstances would make
it difficult for a vessel to get along, but
added to this it was found that the Bos-
ton's pumps were choked and the vessel
badly iced, so much so as to render her
progression impossible. The *Stevens*
took her in tow and in a few hours had
her safely moored at Newbern wharf.

HENRY VAN NORTWICK, of Toledo,
Ohio, says:—A friend prevailed upon
me to try an "Only Lung Pad," and I
obtained immediate relief from a racking
cough. I know the Pad helped me.—See

Legislative Locals.
The bill to provide a complete roster
of the North Carolina troops engaged in
the late war has passed its third reading
in the Senate. Major Moore, who com-
manded a battalion of artillery during
the war, and author of Moore's history of
North Carolina, is to supervise and pre-
pare the roster for publication.
Bill to incorporate the Clarendon Wa-
ter Works Company of this city also
passed its third reading in the Senate.
Scott, of New Hanover, opposed the
bill.

Scott, of New Hanover, introduced a
bill for the better protection of the fish
interest in the Cape Fear river.
House bill 24 to incorporate the Dan
Valley and Yadkin River Narrow Gauge
Railroad company passed its third read-
ing.

The speaker of the House signed,
among other enrolled bills, on Friday, the
act to incorporate the South Atlantic &
Ohio Railway Construction Company;
one to promote the growth of oysters in
New River, and one to incorporate the
Fayetteville and Newbern Railroad.

Renting of Stalls.
The stalls in the new Markets were
rented this morning. The renting in the
Markets in the First and Fifth Wards
did not create much excitement. The
premiums paid in the Front Street Mar-
ket were high and bidding was lively
among the butchers. All of the stalls
were rented for the same price but for
choice of stalls the renter paid a premium
in accordance with his desire for the stall.
Messrs. Mott & Melton paid a premium
of \$107 and took first choice of the
stalls. Mr. Thos. A. Watson paid a pre-
mium of \$268 for second choice. The
lowest premium paid was \$42. Butch-
ers who would not pay premiums took
the stalls which were left at the regular
rental of \$5, \$10 or \$20 each according
to size of stalls. It was found necessary
to use the north stalls of the center row
as beef stalls and place the vegetable
and fruit stalls on the south side of the
building. To-morrow all of the butch-
ers will be found in the new Markets, and
we understand that some very fine beef
will be for sale.

Meeting at the Exchange.
The members of the Chamber of Com-
merce and Produce Exchange met in
joint session on Change this morning to
take in consideration the proposed inter
State Commerce bill which has been in-
troduced in the House of Representa-
tives, at Washington, by Mr. Regan, of
Texas.

Mr. R. E. Calder, President of the
Produce Exchange, was called to pre-
side over the meeting and Mr. J. H.
Currie requested to act as Secretary.
After the organization was completed it
was represented to the meeting that the
Chamber of Commerce had not had time
to consider the matter before its own
body and they therefore desired a post-
ponement of the consideration of the sub-
ject until the Chamber could meet and
come to some conclusion first. A resolution
was therefore introduced to adjourn the
present meeting until such time as the
Presidents of the two bodies, the Cham-
ber of Commerce and Produce Exchange,
shall jointly call the meeting together
again.

County Commissioners.
The Board of County Commissioners
met this afternoon in regular monthly
meeting.

re-establishment of the Point Peter road,
was laid over until the next meeting.
The Treasurer submitted his monthly

fund balance on hand, \$1,582.92; and
surrendered 13 coupons of \$3 each and 3
bonds of \$100 each with all the coupons
attached which were ordered purchased
by the Finance Committee. Bonds and
coupons were burned in the presence of
the Board. School Fund showing bal-
ance on hand \$10,325.94.

The Register presented his monthly
report for fees received from marriage
licenses exhibiting receipts for the same
from the Treasurer for \$14.25.
The following magistrates reported
no fines or forfeitures, and nothing col-
lected for the past year: H. Schulken,
J. N. Jewlett, Ireddell Johnson, D. G.
Worth, Jno. S. James, L. H. Bowden,
C. D. Myers, Jno. L. Cantwell, O. G.
