This little lady-love of mine! Her face is fair and creamy white, with resers blooming on her cheeks, blush and lose my serses quite where'er this fiftle beauty speaks, for the f think her quite divine, this little lady-love of mine!

And hips, like cherries, rosy red, he time l'Elssed her - just to tasteit there almost carned my head, wishs sweet as new-made wine, his little lady-love of mine!

hough other beauties I have met Fair worthy of a poet's song, never came across one yet whom so many charms belong, contivates the Muses nine, is fittle lady love of mine!

witty things that she can say. e pretty songs that she can choose, metodies that she can play, would love into a stone infuse! od sne shall be my valentine, als little lady love of mine!

prize her more than life or gold. d love her more than I can tel! smile or worth a hundredfold the coc'y gems that miners sell. d she shall be my valentine, is little lady-love of mine. Albert Ellery Berg.

Comin' Thro the Rye.

A New York pictorial published an ilustration of "Comin' Thro' the Rye, and blumders into what we presume is the applar misconception of the ditty, giv a laddle and a lassie meeting and ssing in a field of grain. The lines-It's laddie meet a lassie

thought' thro' the rye, and especially the other couplet: A the lade they smile on une when comin' thro' the rye

Seem to imply that traversing the re was a habitual or common thing, but what in the name of the Royal Agricul ural society could be the object in tampling down a crop of grain in that gre? The song, perhaps, suggests a larrest scene, where both sexes, as is the custom in Great Britain, are at work maping, and where they would come and through the fields indeed, but not through the rye itself, so as to meet and liss in it. The truth is, the rye in this case is no more grain than Rye ilearh is, it being the name of a small, salow stream near Ayr in Scotland, tach, having neither bridge nor ferry. mas forded by the people going to and from the market, custom allowing a lad steal a kiss from any lass of his acintance whom we might meet in the nd stream. Our contemporary will see but this is the true explanation, if he all refer to Burns' original ballad, in which the first verse refers to the lass

etting her clothes in the stream. Jonny is a' wat puir boddie; Jenney's saldom dry; the drag'it a'-her petticoatie tomin' thro' the rve -Albany Argus.

Forgetfainess of People.

We would not, by enticing headings and other devices, lead you into reading of the virtues possessed by Pierce's Celebrated Medicines were it not that we are aware of the forgetfulness of people. and that must be our excuse, dear reader, for again telling you that Dr. Pierce's Golden Medical Discovery is without an equal as a blood-purifier. It cures all humors, from the common blotch, pimple, or eruption, to the worst scrofula fever sore or ulcer. Dr. Pierce's Pelle ts are a pleasant but efficient cathartic Sold by druggists.

St. CLOUD HOUSE, Chicago, Ill., Jan. 20th, 1879. Hoy. R. V. PIERCE, M. D.: Dear Doctor-I have been using your fiolden Medical Discovery and Pellets for liver complaint and general debility.

It is impossible to express the gratitude I feel. It is simply wonderful, the effect your medicines have had upon me. I am a every way a thousand per cent. better. I am, yours gratefully,

J. C. DAVIDSON. Wilmington.

We learn from the Review that a genteman of Wilmington has received a sivate letter from General Imboden in tich the latter speaks of having spent week in New York and Philadelphia th the owners of these large interests Virginia and North Carolina repreated by General I., and that he was ased by them that there would be no at of funds to push to a successful pretion the South Atlantic & Ohio

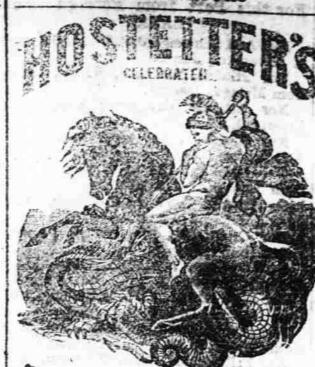

he projectors of this road propose to n a connection with the C. F. &. Y Railroad, which will bring their luc s by rail within ninety miles Wilmington, with a link of only at thirty-five miles of railroad to built to complete the connection with that port. When the Government works at the mouth of the river shall have been perfected Wilmington will have a depth of water sufficient to accommodate any class of vessels. With increased depth of water and increased apital we see no reason why Wilmingmay not build up a large trade with West Indies and South America. is six hundred miles nearer the Vest India islands than New York and or hundred miles mearer than Bultinore, and there are no dangerous capes ke Hatteras on the way. Twenty years go 0. G. Parsley, Esq., imported car osses in the Hathaways monasses in asses in quantity into Wilmington day not the course of this trade be retored to what appears to be its natural hannel?-Fayettowille Examiner.

Mrs. Prartington says

on't take any of the quack rostrums, as bey are regimental to the human cisn; but put yo ar trust in Hop Bitters. stive till cure general delapidation. bere habits and all comic diseases. hey saved Isa ic from a severe extract of apod fever. They are the ne plus sum of medicines.—Boston Globe.

N Bick, of Toledo, Ohio, says:the before wearing the 'Only trong Pad," could not sleep nights on count of his violent coughing; since earing it be has slept soundly, every ght See Adv.
