CAROLINA

Rockingham Spirit: Mr. W. T. Heard succeeds O. D. McRae, Esq., as railroad depot agent and telegraphic operator at this place.

Raleigh News and Observer: The first week of the revival meetings at the Baptist church is nearly at a close. The attendance continues to be very large, and the deep interest felt is on the increase. The authorities at Washington have established the office of assistant district attorney for the eastern district of North Carolina, and have appointed thereto Willis Bagley, Esq., of Jackson, Northampton county. Mr. Bagley is a brother of Maj. W. H. Bagley, of Raleigh.

Charlotte Observer: It is said that a single pair of the German carp [with which some of our waters have been lately stocked] will produce twenty thousand young in one season. They ought to have the pond to themselves though. From a reliable source it is learned that the negotiations for the lease of the Air-Line road by the Richmond & Danville are at an end. The owners of the Air-Line hold it too high and the Richmond & Danville men have drawn off.

Asheville News: Charles Goodlake shot a negro, last Sunday, in front of Burton's eating saloon. The negro was shot twice on the left side. One ball struck a rib, but the surgeons have not been able to ascertain whether it penetrated the body or not. It seems that the negro and a brother of Goodlake had a difficulty and were trying to fight, and Charles coming up during the affray shot the negro. The wound is a dangerous one.

LOCAL NEWS.

The Board of Aldermen meet this afternoon but too late for this issue.

The Mary Bear Ashore

From the Signal Office in this city we learn that the schooner Mary Bear went ashore at Cape Lookout on Saturday night. The Mary Bear, from Navassa Island, loaded with phosphates and bound for this port, put into Cape Lookout Saturday with her sails blown away and out of provisions. She anchored in the "hook" but during the gale Saturday night she dragged her anchor and went ashore on the "bite." The Revenue Cutter Colfax went to the schooner's assistance, supplied her with food and stayed by her until after the storm. The pilotboat Erisk Timmons left Smithville with provisions this morning. The Cutter came to this city yesterday and notified the owners of the schooner and returned to Cape Lookout this morning. It is thought that the schooner will be afloat on the high tide this afternoon. She is not damaged to any very great extent and is resting in a "comfortable" place. Mr. B. E. Perry, of this city, the Underwriters' agent, went to the vessel yesterday.

Two Organs.

Regulate first the stomach, second the liver; especially the first, so as to perform their functions perfectly and you will remove at least nineteen-twentieths of all the ills that mankind is heir to, in this or any other climate. Hop Bitters is the only thing that will give perfectly healthy action to these two organs.—Moine Farmer.
