ever protection of farmers and fishermen, passed its second and third read-The toachieery bill was taken up on

its third reading. A motion to consider he sections prevailed. Senate amendments to various sections

were adopted and the bill passed third reading. On motion of Mr Dorth, the school

bill was taken on and considered. The question was upon adopting the report of the conference committee. -Adopted.

Railway Company, passed second and branes third readings.

Bill in regard to the collection of taxes in Robeson county, passed second and third readings. .

subject. The amendment offered by Mr eral springs. York provides that this bill shall not apply to Wilkes or Caldwell counties. An amendment was offered by Messra Harper, Spruill, Stowe, Hampton, Cupningham, Oates and Richardson, excluding certain counties. Adopted.

House bill, to incorporate the North Carolina Fertilizer Company, passed its second and third readings.

HOUSE OF REPRESENTATIVES.

Manning introduced a joint resolution concerning the interest of the people of this State in the Piedmont Railroad. Re- News from Naples reports that another Cowan-To amend chapter 283 of the

laws of 1979. Referred. Grainger, a bill in regard to the monument to be raised to the memory of the late Governor Richard Caswell. Calen-

dar. Newell-Petition in regard to the townships in Bladen county. Referred. Boykin, by consent, introduced a bill supplemental to an act to provide for the better protection of farmers and fishermen, and requested that the rules be suspended and the bill placed on its sev- dougall place, near the Livington Conneral readings, which was done, and the ty line, was chopped down, and as it fell bill was road three times and sent to the with a crash, out of its top was jolted

Benate bill to extend the time to re deem land sold to the State for taxes was taken up and passed its second and an old white lead can, over the top of third readings and was enrolled.

McClure here submitted a report from the committee of investigation in the exonerated all the employees of the Gen-

member from Edgecombe Bledsoe spoke to the subject, stating thies. that he was present during the meeting of the committee, and could not agree that Watson should be brauded with for-

Grainger, who was a member of the committee, stated that the committee had examined the evidence in the case as closely as possible. They made their report in no other light than that of duty, and arrived at their conclusion unanimously, from no other consideration than the force of theevidence. No man in the House, nor in North Carolina, would have received more just consideration. He left the report in the Hands of the

come to a different conclusion from the report of the committee. He then went into the details of the case. He thought She is 51 years of age. the evidence of W. W. Watson was the strongest point against him. Watson admitted signing an order for \$100 for Newell, who admits he authorized him to do so. Experts in writing testicertificate was the same as that en the \$100 certificate.

Manning moved to postpone the mat-

that the evidence be printed. showed plainly that Newell had acted in the case to occupy Candabar when the British spirits and upright man. He believed that when the House was in passession of all for a sanguinary struggle between Ayoob Grude.

dict of the committee.

McClure, also a member of the committee, hoped that Manning's motion would prevail. His position as to the guilt of Watson was the same as that

Manning's metten was adopted and the matter was made special order for Thursday at 12 M. Webster here submitted a report from

bill, which was adopted. Day, by consent, offered a bill to proknown as "treating" when applied to in- clution. toxicating drinks in public places.\ Re-

Senate bill changing the time of the close of the fiscal year, making it conform with the calendar year, passed its second and third readings.

House bill for the protection of sheep husbandry, and to raise revenue by a tax on dogs, was taken up and tabled. House will to incorporate the Raleigh Street Railway Company passed its see, ond and third readings.

House bill to amend the laws in regard to the landlord and tenant act was
