Every man who is a true Democrat will abide the decision of his ward meeting in the matter of nominations.

When an elephant has a cold they give it five-gallons of whisky, and that's the reason why some men wish they were elephants.

There will be a bazar held at the City Hall for the benefit of the Sisters of Mercy on Easter Monday, Tuesday and Wednesday.

Whenever young ladies learn so to stick a pin in their apron strings that it won't scratch a fellow's wrist, there will be more marriages.

A man who will break a gum-drop in two pieces to make the exact weight when selling candy to a little girl is mean enough to sell cross-eyed needles to a blind woman.

Dr. P. H. Bailhache, commissioned Surgeon U. S. Army, who has been ordered to temporary duty in this city, in charge of the Marine Hospital, arrived this morning.

Mrs. C. W. Whitehurst, of Norfolk, Va., died at the Purcell House in this city on Sunday. The deceased lady was in the last stages of consumption and was en route for Jacksonville, Florida. Upon arriving in Wilmington it was ascertained that she was sinking rapidly and could go no further. Her remains were taken to Norfolk.

At the regular meeting of the Wilmington Light Infantry, held last evening, Second Lieutenant Jas. C. Munds was elected First Lieutenant, to fill the vacancy caused by the promotion of Lt. Col. James. There has been no election, as yet, to fill the office recently held by Lt. Munds.

**Sold for City Taxes.**  
Deputy City Collector Nicholas Carr sold to-day in front of the Court House, on the delinquent city tax list for the year 1880, real estate property through A. B. and C. of the delinquents. The city became the purchaser in every instance but one or two.

**St. Patrick's Day**  
St. Patrick's Day will be celebrated on Thursday, the 17th inst., by the Hibernian Association. The members will assemble at Germania Hall and then proceed in a body to St. Thomas' church where the usual services will be held. After the services the annual election of officers will be had.

**Rocky Point Academy.**  
The closing exercises of Rocky Point Academy were held at that institution on Friday, the 11th inst. The Academy has been under the tutelage of Mr. Du-gald McMillan, Jr., for the last five months and he has proved himself a faithful, efficient and painstaking teacher, as was evidenced by the recitations of the pupils in the different classes. The exercises were listened to with much interest and satisfaction by quite an audience of relatives, friends and patrons of the school. After the recitations were concluded, an intermission of an hour was taken, during which the nimble hands of Pender's fair daughters spread a bounteous repast, to which all were invited and to which all (our reporter included) did ample justice. After dinner the school reassembled and several appropriate speeches were made by prominent citizens of the county, at the conclusion of which the pupils were dismissed to return to their several homes, bearing in their hearts the most tender love and regard for their faithful tutor.

## Miss Gray in 'Camille.'

Miss Ada Gray will open her second engagement in this city this season on Thursday night in Camille. Since her appearance here some two months ago the company supporting her has been strengthened by three well known actors. Miss Gray is a favorite with the theatre-going public of this city and will no doubt be greeted by a good audience. The Atlanta Constitution says:

Notwithstanding the inaugural ball, a very brilliant audience greeted Miss Gray at the opera house last night in her rendition of "Camille." This was no doubt due to the success she scored on the evening previous in her rendition of "East Lynne." We do not think words sufficiently strong can be found to commend the acting of this charming actress. From her first appearance on the stage, as a light hearted, frivolous coquette, to the end where she dies abandoned almost by all save him whom she devotedly loved, she was equal to the task. Miss Gray is without a doubt a lady of great ability, one destined soon to go higher and achieve triumphs already won by others. Her pronunciation is faultless, her stage conduct superb, her wardrobe excellent, her appearance magnificent. Her support is first-class in every particular. Mr. Murphy as "Armand Duval" was very pleasing. He is a painstaking actor, and in every scene rendered the star excellent support. Mr. Strong as "Count DeVarrette" was his equal. While his part did not afford him great scope, yet it evidenced that he was an actor. Mr. Benson as "Gaston," Mr. Brooks, Misses Thropp, Hull, Baldwin and Strong, added much to the play, and were all very careful.

## Something that is Needed.

There is much needed improvement at the Court House which, we learn, our worthy Board of County Commissioners have had under consideration for some time, although they have not decided finally and positively yet as to when they will make this improvement. Many of the original wills of deceased persons, together with the executors', administrators' and guardians' returns, dating for a period of 80 or 90 or possibly 100 years back are kept in wooden cases in the Superior Court Clerk's office and in a building which is not considered by any means fire proof. Now, in the event of a fire there at any time it is probable that many of these valuable papers, which could not be replaced, would be lost either by removal or by the fire, and we understand that the Board have under consideration the propriety of ranning a wing out from the Clerk's front office and making it a two story addition, the lower part to be made entirely fire proof, where the records, referred to above, can be kept in perfect safety, while the upper story can be utilized as a Grand Jury room, instead of appropriating Maj. Dunham's office, Clerk of the Criminal Court, for that purpose, as is the case now. The Clerk of the Criminal Court could then use as his office the present room where are kept the papers by the Superior Court Clerk referred to above. The standard keeper, who has now nothing but a sort of a box for an office, could move into the office at present occupied by the Clerk of the Criminal Court and the Grand Jury conjointly. It is not so much the convenience of these different county officials that we are considering in discussing this matter as it is the safety and preservation of the important records of wills, executors, administrators and guardians' accounts. The county, we learn, has the money to make these improvements and we trust a favorable consideration will be given to our suggestion.

## Spring Races.

The old race track at the Hopkins place, about 4 miles from this city, is being put in thorough order and a trotting club has been formed in this city. In a very short time the ante bellum spring races will be indulged in and efforts are being made to get noted horses to trot on the Hopkins track. There are several very fast horses in this city and even if horses from other places can not be induced to come here there can and will be some fine racing between horses owned in the city.

Snuff or dust of any kind, and strong, caustic or poisonous solutions aggravate catarrh and drive it to the lungs. Dr. Sage's Catarrh Remedy cures catarrh by its mild, soothing, cleansing and healing properties. Each package prepares one pint of the Remedy ready for use, and costs only fifty cents. Sold by druggists. So positively certain is it in its result that its former proprietor used to offer a standing reward of \$500 for a case it would not cure.

## Complications.

If the thousands that now have their rest and comfort destroyed by complication of liver and kidney complaints would give nature's remedy, Kidney-Wort, a trial they would be speedily cured. It acts on both organs at the same time and therefore completely fills the bill for a perfect remedy. If you have a lame back and distorted kidney use it at once. Don't neglect them.—*Mirror and Farmer.*
