"She is remarkably graceful, enunciates clearly and is easy and natural in her manner. She is perfect mistress of old by the beautiful art of elecution, and is the finest reader who has ever visited Atlan ta. She has a beautiful, finely cultivated voice, and is a graceful, spirited actress, and better than all, she is a modest, refined, cultivated, high-born Southern, woman ; and has won the respect, esteem and admiration of all who have met her." Mr. Hermon is said to be very fine in his part. The King's Mountain correspondent to the Charlotte Observer said : "Mr. Hermon is ininimitable. He kept the audience in rears of laughter. His 'School Boy' was particularly good, and his 'Shanghi Reoster' brought down the house." Miss Clarke and Mr. Herman will give recitations at the Library Hall

The Military. In our State news column will be found an item of interest to our military which we have elipped from the News and Observer. By the way, speaking of the military, reminds us that we have heard it rumored that our soldier boys of the Wilmington Light Infantry, and the Cupe Fear Light rtillery, have in contemplation a trip to Virginia next October, to participate in the Yorktown celebration. If they should go, it will not be the first time that the W. L. I (as Co. G of the 18th N. C.) and the Cape Fear Light Artillery (as Cum. ming's battery) have marched upon Vir ginia's soil, and camped or bivouacked upon her broad acres, where many of the former members of these two companies still repose in the very bosom of the Old Dominion.

Fire this Morning.

The residence of Mr. W. P. Canaday, on the corner of Market and Seventeenth streets, Fourth fire district, was destroyed by fire this morning, about 10 o'clock. When discovered the fire was burning under the parlor in the west end of the soon enveloped in flames. The origin of deck will be supported by neat iron on the premises but Mrs. Canaday, her child and servant when it was discovered, and they can give no account of it. A pair of broad casy stairs will be run Telephonic alarm was sent out as soon as possible and when Mr. Canaday arrived the house was totally destroyed, and the deck which will be used in addition to kitchen too far gone to be saved. But very little furniture and none of the family clothing were saved. The fire de partment turned out promptly but could

render no assistance. We learn that the owner was partially insured in companies represented by Messrs. Atkinson & Manning and Mr. Norwood Giles.
