Firemen's Parade.
The Cape Fear Steam Fire Engine
Company (colored) were out on their an-
nual parade this afternoon, and when
opposite Col. Roger Moore's house, on
Chestnut street, came to a halt doffed
their hats and gave three rousing cheers
for their late Chief of the Fire Depart-
ment.
Collision in the River.
The schooner *H. B. Gibson*, Captain
Sturgis while sailing down the river
yesterday collided with the Nor. barque
Mediator, lying at anchor at the Five
Fathom Hole. The schooner lost her
foretopmast and jibboom by the collision
and the barque her jibboom. The schooner
returned to the city for repairs. The
Mediator cleared on the 31st ult. for
Liverpool with a cargo of 1,000 barrels
tar and 1,640 do rosin. The schooner
brought a cargo of corn from Elizabeth
City a few days ago and was on her re-
turn voyage.

A Run-Off.
Three cars of the freight train on the
W. C. & A. R. R. were thrown from the
track at Atkins' Turnout, 13 miles
from Sumter, on Saturday last. The
train stopped to wood up at Atkins',
and as it proceeded on its journey these
cars were thrown from the track and
completely wrecked. It is not known
whether the accident was caused by a broken
rail or by a piece of wood which fell
from the tender across the track. There
was no damage other than the complete
demolishment of the cars and a slight
delay to the train.

Missing.
An able-bodied seaman on board of
the Norwegian barque *Morvig* and a
brother of Capt. Matthiesen, commander
of the vessel, was reported missing this
morning. Mr. Matthiesen was com-
plaining of feeling unwell last night,
and this morning about 4 o'clock, he was
seen on deck, in his night clothes, by
the watchman, who spoke to him and
ascertained that he (Matthiesen) was
not well. Since then nothing has been
seen or heard of him. The supposi-
tion is that he must have fallen
overboard and was drowned. His
brother has instituted a search, but as
yet there are no tidings of the missing
man.

Criminal Court.
The April term of the Criminal Court
convened this morning. His Honor O. P.
Meares presiding, and Mr. Solicitor
Moore representing the State. The
Court was formally opened by High
Sheriff Manning when the Grand Jury
was drawn, and charged as to their
duties. The names of the persons com-
posing the Grand Jury are as follows:
Chas. H. King, foreman; W. B. Orr,
George Moseley, D. F. Barnes, W. H.
Sneeden, W. H. M. Keach, J. W. Hodges
Allen Evans, Thos. Brinkley, Washing-
ton Howe, R. L. Hutchins, A. D. Love,
S. H. Morton, Jas. W. Hewlett, Sylves-
ter Burris, J. H. McGarity, J. W.
Strauss, J. H. Mallard.
The docket was taken up and the fol-
lowing cases disposed of:
State vs. Mike Peden and Robert
Toomer, larceny. Judgment suspended
and defendants turned over to their
parents to be bound out.
State vs. Ella Sheppard, nuisance.
Continued until next term.
State vs. Wm Phinney, forcible tres-
pass. Now on trial.

Death by a Pistol Shot.
Information was received in this city
on Saturday night of the fatal wounding
of Mr. Thos. C. Harris at Birmingham,
Alabama. Sunday morning a second
telegram was received announcing his
death. There are few particulars relative
to the shooting which caused the young
man's death. The telegram simply an-
nounced that he was accidentally shot and
that there were no hopes of his recovery.
His brother Mr. C. M. Harris has tele-
graphed to have his remains expressed to
this city. They are expected to-morrow
afternoon. The deceased was about 24
years of age and was a son of the late
Thomas M. Harris, Esq. The young
man was born and raised in this city but
left here at the time of the removal of
the shops of the W. C. & A. R. R. to
Florence. From Florence he went to
Mobile and from Mobile to Birmingham
where he was engaged at work in the
railroad shops there. He has many friends
here who will be deeply grieved to hear
of his sudden and sad end. His death
is a great blow to his widowed mother
who has before had to bear up under the
blow of the accidental killing of another
son.

How to be your own painter: Buy the

It was getting well into the night.
She yawned, and then asked him if he
ever saw a snapping turtle. Once he
replied, in a show. Said she, It's very
funny, but do you know, you sort of re-
mind me of that bird? Why? he asked.
Oh, you hang on so.
My Good Woman.
Why are you so out of sorts, never able
to tell folks that you are well? Ten to
one it's all caused in the first place by
habitual constipation, which no doubt
finally caused deranged kidneys and
liver. The sure cure for constipation is
the celebrated Kidney-Wort. It is also
a specific remedy for all kidney and liver
diseases. Thousands are cured by it
every month. Try it at once.—*Toledo

The Weather and Monopolies.
More bad weather. We have had to-
day a mixture of three seasons—Spring,
Autumn and Winter. At this present
writing, 3 p. m., the clouds look like
hail, snow and rain. We have had the
latter several times to-day, but it was in-
terspersed with a little sunshine. Before
to-morrow morning, however, we may
have the hail and snow. It really be-
gins to look as though Venner and these
coal dealers were running this thing to
gether. One of the last named, went so
far to-day, as to tell us that he had just
received a letter from the Canadian
prophet this morning. Old Prob., we
suppose, has taken stock in the same
firm and formed a sort of combination
against poor suffering humanity. We
are opposed to corners and combinations
of any kind, and this thing must be bro-
ken up. We are down on monopolies.

Board of Magistrates.
The Board of Magistrates for New
Hanover county met in the Court House
to-day at 12 o'clock, in accordance with
the published notice of the Chairman,
Justice John S. James, for the purpose
of electing a County Commissioner to fill
the vacancy created by the resignation
of Col. Wm. L. Smith, the recent Chair-
man of the Board of Commissioners.

Justice John Cowan, Secretary, called
the roll, and 23 Magistrates answered to
their names. The number of Justices
present being a full quorum, the Chair
proceeded to business by informing the
Board that he had been officially notified
of the resignation of County Commis-
sioner W. L. Smith, and thereupon stated
that the object of the present meeting
was to elect a successor to Col. Smith.
A ballot was then had and Col. Roger
Moore having received 16 out of a possi-
ble 23 votes, was declared duly elected
a number of the Board of County
Commissioners. Upon motion of Justice
Chas. D. Myers, the election was made
unanimous.
Upon motion the Board then adjourn-
ed.

The Crop of Naval Stores
From Messrs Peacock Hunt & Co
Commission Merchants Savannah Geo.
we have an annual statement of receipt
of Naval Stores at that port during
the crop year from April 1st 1880 to
April 1st 1881. The number of casks of
spirits received during the time specified,
amount to 50,583; number of barrels of
rosin 257,127; increase over receipts of
previous year, 12,454 casks of spirits
and 64,440 barrels of rosin. Wilming-
ton received during the same period 87,
107 casks of spirits and 444,552 barrels
of rosin, being 36,524 more spirits and
187,425 barrels more of rosin, than Savan-
nah, which has the States of Georgia
and Florida both to draw from. The
following extract from the same state-
ment or circular will be found interest-
ing to our dealers in Naval Stores.
In regard to the coming season, we
have replies from 144 parties, comprising
about all who are engaged in the busi-
ness in Georgia and Florida. These re-
port—
Number of new boxes cut in 1880,
1,180 crops of 10,000 each.
Number of new boxes cut in 1881,
1,064 crops of 10,000 each.
Showing a falling off this year of 117
crops, or about 10 per cent.
The unusually backward Spring has
retarded the flow of sap, and compared
with 1880, one full "dipping" has already
been lost. There is no way by which
this loss can be repaired. The number
of "dippings" will fairly average 8 dur-
ing the season, consequently the aggre-
gate crop must be charged with 12 1/2
per cent. loss already incurred. It is fair
to state, on the other side, that in the pro-
duction of spirits turpentine this loss will
be modified to some extent, by the addi-
tional old boxes to be worked this year.
But we suggest to those who are accus-
tomed to calculate on the basis of the
working of the trees in the Carolinas,
that our trees are abandoned much
earlier than in those States, many work-
ing them only two years, and none after
the third year—simply from the fact
that, with hired labor, and with an abun-
dant supply of virgin pines, it does not
pay to work old boxes when new ones
can be obtained. So, while a part of the
loss in spirits may be overcome, we see
no way to avoid the conclusion that we
shall have a decrease of 22 1/2 per cent. in
virgin rosins—M. N and W. G. Medium
and low grades will probably hold their
own—possibly gain a little. We have
so little rosin grading below E that it is
not a factor in our trade.

Mr. James Carr, a venerable and much
respected citizen of Island Creek town-
ship, in Duplin county, died at his resi-
dence in that county, on Friday, the 1st
inst., at the advanced age of 83 years.

Exports Foreign.
The Ger. brig *Der Wanderer* cleared
for Hull, England to-day with 1,650 bar-
rels rosin and 550 do tar shipped by
Messrs. Paterson Downing & Co. The
same firm shipped by the Ger. barque
Carl Max, which cleared for Genoa,
Italy, to day 2,650 barrels of rosin. The
Nor. barque *Sapientia* cleared hence
for Hamburg to-day with 2,900 barrels
rosin, shipped by Messrs. Alex. Sprunt
& Son.

A Superior Omelet
Beat six eggs very light, the whites
to a stiff froth that will stand alone, the
yolks to a smooth thick batter, add to
the yolks a small cupful of milk then the
pepper and salt to season properly. Last-
ly, stir in the whites lightly. Have
ready in a hot frying-pan a good lump
of butter. When it hisses pour in your
mixture gently and set over a clear fire.
It should cook in eight or ten minutes
at most. Do not stir, but contrive, as
the eggs "set," to slip a broad-bladed
knife under the omelet to guard against
burning at the bottom. When done lay
a hot dish, bottom upward, on the top of
the pan, and upset it and bring the
browned side up.—Eat soon or it will
not be so light. A grand dish for break-
fast.

Workingmen.
Before you begin your heavy spring
work after a winter of relaxation, your
system needs cleansing and strengthen-
ing to prevent an attack of Ague, Bill-
ious or Spring Fever, or some other
Spring sickness that will unfit you for a
season's work. You will save time, much
sickness and great expense if you will
use one bottle of Hop Bitters in your
family this month. Don't wait.—*Bur-
lington Hawkeye*.
