NERVES, SCROFULA, RHEUMATISM, Heart Disease, Chronic Bilious Colic, and all kinds of Eruptions and Skin Diseases arising from impurity of the blood. As an Alterative Tonic and Purifier of the blood has proven itself unequalled.

Tonic and Blood Purifier it is unsurpassed.

Dr. W. H. BAKER, Carteret Co., N. C., July 17th, 1879.

Mrs. Person—Dear Madam: I think your medicine is the best that is now before the public for the cure of blood diseases. I feel all that confidence in it, and believe that it will do all that you claim for it. I have personal knowledge of the condition of my poor Mother, before she commenced using your medicine, and I see you have testified that he is cured. Go on, and let me know the condition of my Mother, and let me know the condition of my poor Mother, and let me know the condition of my poor Mother, and let me know the condition of my poor Mother.

Yours respectfully,
Dr. W. H. BAKER.

THE DAILY REVIEW.

VOL. VI WILMINGTON, N. C., FRIDAY, MAY 6, 1881. NO. 58

LOCAL NEWS

HEINSBERGER—Pianos and Organs C. W. YATES—Just Received A & I SHRIVER—Arriving Daily

No City Court to-day.
Magistrate's Row failed in interesting items to-day.

Health Officer James condemned and sent out of market this morning 100 bunches of spoiled fish

Dr. Eugene Grisson, of this State, has been made Third Vice-President of the American Medical Association now in session at Richmond, Virginia

Wm. A. Guthrie, Esq., United States Commissioner in Bankruptcy, held a dividend meeting of a bankrupt estate in the U. S. Court room during this forenoon.

Dr. Thomas F. Wood, of this city, and Dr. S. S. Satchwell of Pender county, are, aside from the other physicians from this State, in attendance upon the Convention of the American Medical Association now in session at Richmond, Va.

The delinquent tax payers will be hauled up before the Mayor to-morrow morning. Look out brethren, but don't get mad, Mayor Smith is only doing what he has sworn and kissed the Holy Book to do.

Indications.
For the South Atlantic States fair weather, northerly winds becoming variable, lower barometer, stationary temperature.

The Lecture To-night.
Remember that Col. D. K. McRae lectures at the Opera House to-night for the benefit of the Wilmington Library Association, and don't fail to attend. It will be an hour agreeably and profitably spent.

There are few lecturers who have the talent for entertaining an audience the same length of time without wearying them, that Col. McRae possesses. Col. McRae to our mind was so remarked yesterday, is the best lecturer we ever listened to. He can scar as high in lofty eloquence as any speaker in the State, or he can take the reverse and be as humorous and vivacious with sparkling wit, as any humorist in the country. In other words, the distinguished lecturer can travel from the sublime to the ridiculous, and then back again and carry his audience with him, as quick and as rapidly as any one we ever heard. We advise those who are fond of good things to go to the Opera House to-night, and our word for it, they will not be disappointed.

Mr. Geo. F. Heldele, of Peru, Ind. says that he had suffered very much with Rheumatism and used many remedies without benefit. He found the desired relief in St. Jacobs Oil.

Changes in the Signal Corps.
We learn that Serg't James M. Watson, who has been in charge of the Signal office at this station for a number of years, has been relieved from duty here and ordered to report to the station at Atlantic City, N. J., of which he will take charge. — McGann, who has been in charge at the latter station, has been ordered to the charge of the station in this city. Mr. F. H. Clark, who has been Serg't Watson's assistant here, is also relieved and ordered on the North Pole expedition via Alaska. Mr. H. S. Gardiner, from the Sloop Point station is ordered to accompany the North Pole expedition via Lady Franklin Bay, and Mr. Kyle, from the station at Fort Macon, is ordered to Sloop Point. We very much regret the departure from this station of the courteous and efficient officer in charge, Mr. James M. Watson, and his no less affable and competent assistant, Mr. F. H. Clark. Both of these gentlemen, have made many friends during their stay in our midst, and we only express the sentiment of the public generally, when we wish them the same success in their new positions that they have met with here.

U. S. District Court.
There has been no business transacted before the Court during the day. The Grand Jury is yet in session, but it will probably be discharged this evening.

Troublesome Children
that are always wetting their beds ought not to be scolded and punished for what they cannot help. They need a medicine having a tonic effect on the kidneys and the urinary organs. Such a medicine is Kidney Wort. It has specific action. Do not fail to get it for them. — Exchange

Memorial Insignia.
It is important that ALL members of the Ladies Memorial Association should secure badges, which can be obtained from its officers, to wear upon Memorial Day, as only those who wear the insignia will be able to gain admission inside the Confederate lot on that occasion.

Prohibitory Law.
Ex-Senator and Ex Judge Merrimon has written a letter to a friend in which he gives the opinion that the Prohibition Act, passed by the last General Assembly, is already a law and that the people will only vote upon the question as to the penalty pronounced in it against those who violated the law.

Admitted to Bar.
The case of D. W. Thompson, charged with the murder of J. M. McLeod, at Abbottsberg, a notice of which appeared in our Lumberton Correspondence in yesterday's Review, was continued to the next term of Bladen County Superior Court, and the defendant admitted to bail in the sum of \$5,000.

We advise our friends to call at JACOB'S for Household Hardware of every description. There you get the lowest prices.

Speaks in Newbern.
We learn that our talented townsman, Col. Jas. G. Barr, is to deliver the Memorial address in Newbern on Memorial Day. Col. Barr delivered the address before the Ladies' Memorial Association of this city three years ago, and it was pronounced one of the finest of the many eloquent addresses which have been delivered before the Association here, since the inauguration of these Memorial Day ceremonies. Col. B. leaves for Newbern on Monday.

Concerning the Festival.
Donations in the shape of edibles, for the Festival to be given by the St. John's Rectory Club, can be left at the residence of Capt. Chas. D. Myers, and will be thankfully received.

A handsome pair of vases have been donated to the Club, which will be awarded by a majority vote to the most popular married lady. A very pretty toilet set has also been donated, which in like manner will be awarded to the most popular unmarried lady.

Flowers for the Heretic Bead.
The Ladies of the Memorial Association, earnestly request all ladies who are in sympathy with the cause, whether members of the Association or not, to meet at the school room in rear of St. James' Church, at as early an hour as possible on Tuesday morning next to assist in arranging garlands of flowers with which to decorate the Confederate graves. It is also requested that all ladies who can obtain flowers will bring and donate them for the occasion.

How to be your own painter: Buy the N. Y. Enamel Paint, ready mixed and warranted at JACOB'S.

Personal.
We were glad to welcome back once more into our midst to-day, the Rev. Dr. George Patterson, assistant rector of St. James' Church in this city, who has been absent on an extended tour in the South during the past four months, on a mission connected with the University of the South—a church institution—located at Sewanee, Tennessee.

The many friends of the Reverend Doctor in this city and vicinity, will be glad to know that he is enjoying excellent health. This will be good news indeed to the friends of this highly esteemed gentleman, who were apprehensive some time since that his health was failing. Doctor Patterson has a peculiar hold upon the affections of our people, which will last as long as they are both permitted to inhabit this mundane sphere. He has been with them through trials and tribulations, and in the hour of need when it required strong nerves and a stout heart to stand at the post of duty.

For Ladies Only.
Combining pink and red is one of the finks this season.
High dresses are cut a little lower than they were formerly.
Striped stockings come in the most vivid colors this season.
Little blue grapes in clusters appear as substitutes for flowers.
Robin's egg blue will be much worn by young girls this summer.
The closer a bonnet is tied the more fashionable it is, according to the latest rule.
One of the court trains made to be worn at the Queen's first drawing-room this year is strewn with humming birds.
Two yards of tweed are required for the new Scarborough ulsters, so that they are by no means expensive.
A New York bride recently went to the altar with her veil fastened by a horseshoe of orange blossoms.
The kangaroo sleeve is an elegant addition to the nomenclature of millinery. It is worn with a dolman, and is detached from the body of the garment from the elbow.

One of the new freaks is for a bride to dress in some bright color veiled with white muslin and for the bridesmaids to wear white with sashes and gloves matching her gown.
Tweed suits for girls are made all in one piece by lengthening the lining of a Jersey into a skirt and mounting a kilting plaiting and a sash upon it.
It is not wise to put a hood on a garment that is expected to outlast the summer, for the hood has been used too much, and is going out of fashion.
Some of the new mummy cloths have borders and powderings of daffodils, and are intended to be especially appropriate for spring costumes.
