The Excursion Last Night.
The excursion down the river last eve-
ning on the steamer *Passport* given
by Prof. Chase complimentary to the
ladies and gentlemen who took part in
the opera of "The Three Bears and Gol-
den Hair," was indeed a very enjoyable
affair. There was vocal and instru-
mental music and dancing and all
enjoyed themselves. The *Passport* glided
up to her wharf at about 11:30 o'clock
and the excursionists departed, bearing
with them pleasant recollections of the
excursion complimentary to The Three
Bears and Golden Hair.
Who over \$100,000 was Given
AWAY.
The following intelligence is of much
interest to many readers. At the 132d
Grand Monthly Drawing of the Louisiana
State Lottery, held in New Orleans on
April 12th, No. 37,099 drew \$300,000.
One half of this, or \$150,000, was drawn
in San Francisco, Cal., and \$150,000 by
Charles Sailer, Esq., of Mt. Holly, N. J.;
No. 14,704, drew \$10,000, one-half to Mr.
Jas. Gaudin, S. Braintree, Mass., and
Mrs. Oatharine S. Taylor, Sullivan, Ind.;
No. 4819 drew \$5,000, one-half drawn by
Mr. Jas. M. McEwen, 49 Wood St.,
Pittsburg, Pa., the other by Joseph
Lane, Greenpoint, L. I.; tickets No. 76-
071, to Alex. Beyer, Philadelphia; and
No. 96,182, to J. O. Trainer and other
parties in Washington, La., drew \$2,500
each. The remaining money was di-
vided among 1852 ticket holders. To know
more address M. A. Dauphin, No. 212
Broadway, New York City, N. Y., or at
New Orleans, La. On June 14th, the
Grand Semi-Annual Drawing will take
place, managed by Genl's G. T. Beau-
gard of La., and Jubal A. Early of Va.

City Court.
Laura Hall, for being drunk and dis-
orderly, was fined \$2.50. In default of
the payment she was sent below for 5
days.
G. W. Herring was arranged for re-
fusing to pay a huckster's tax. Judg-
ment was suspended on the payment of
the tax to the Clerk of the Market.
The Court then adjourned.

Various Boards
It was a little lively around Burgaw
yesterday. The Board of Health, the
Board of County Commissioners, the
Board of Education and the Board of
Magistrates met.
Dr. Geo. F. Lucas was elected Presi-
dent of the Board of Health and Dr. W.
T. Ennett, Secretary and Superintendent.
Dr. E. Porter declined a nomination as
President. Dr. J. C. Broadhurst was
elected Coroner and Rev. J. S. Black
County Superintendent of Public
Schools.

The Oxford Orphan Asylum.
The Orphans' Friend which, by the
way, has been considerably enlarged and
improved, contains an article from the
pen, as we suppose, of Mr. Mills, its
Superintendent, in its last issue, which is
as follows:
"We have now more children than we
ever had before, and are making bricks
as fast as we can to erect another house for
the boys. We have not the money to
do so much; but we are relying on THE
LORDS, THE CHURCHES, THE PEOPLE.
Reader, we hope you will find it in your
heart (and in your pocket-book) to help
us provide for the education of poor and
promising children whose fathers and
mothers are dead."
In this connection we would state that
on the 21st instant an excursion will be
given down the river on the steamer
Passport under the auspices of St.
John's Lodge, No. 1, of Masons of this
city, which will be under the manage-
ment and control of the Orphan Asylum
Committee of said Lodge, consisting of
Messrs. Wm. M. Poisson, W. W. Allen
and John W. Perdew, thus affording our
citizens an opportunity of enjoying a
pleasant excursion and at the same time
of contributing towards the support of
the Orphan Asylum, one of the most im-
portant charities appealing to our sym-
pathies.

Board of Aldermen.
The Board met in regular monthly ses-
sion at the City Hall last night.
In the matter of uniforms for the po-
lice force the Finance committee was
granted further time.
Certain condemned fire hose was re-
ported sold, and the amount realized—
\$28—was ordered to be credited to the
Fire Department.
The committee on Fire Department
was granted further time on the matter
of a fire-alarm bell. The adverse report
of the same committee on the question of
a telephone fire-alarm was adopted.
Report of the committee on Police,
recommending the reappointment of the
police force, as now constituted, includ-
ing janitors, was adopted.
The Sanitary committee was granted
further time.
Petition of certain butchers, regard-
ing the weighing of beef cattle, reported
adversely from the committee, was disap-
proved, being contrary to law.
The Clerk and Treasurer and Tax
Collector presented his official bond—
\$20,000—with O. G. Parsley, Z. Latimer
and E. E. Burruss as sureties; the
same approved by the Board of Audit
and Finance.
A communication from the Board of
Audit and Finance was received, naming
Messrs. Norwood Giles and R. J. Jones
as the committee to act with the Fi-
nance Committee of the Board to ex-
amine and destroy bonds and coupons
that have been paid and cancelled.
Petitions of D. Steiges and J. W.
Hewlett to erect wooden buildings were
granted.
The following persons were elected as a
Board of Commissioners of Navigation
and Pilotage: Messrs. J. H. Chad-
bourne, Don. McRae, H. B. Eilers, Jas.
Sprunt and D. G. Worth.
Report of the Finance committee, re-
commending that a tax of five dollars
per month be levied on each stevedore
making contracts for loading or discharg-
ing.
Reports from the Chief of the Fire
Department and the Superintendent of
Health were read and accepted.
Petition from J. C. Lumsden, C. M.
Harris and S. Jewett, asking for a modi-
fication of the Sunday law, was not
granted.
Bids for painting rooms at the City
Hall building were referred to the com-
mittee on Public Buildings, with power
to act.
Bid of George Honnett, to repair and
keep in order the city clock, was referred
to a special committee, consisting of Al-
dermen Huggins and Northrop.
The committee on Streets and Wharves
recommended sundry repairs to Natt
street and various docks. Adopted.
Report of same committee concerning
sidewalks, was referred to Chief of Po-
lice.
Application of E. J. Pennypacker for
renewal of lease of Opera House, for five
years, from October 1st, 1881, was re-
ceived.
On motion of Alderman Northrop, the
following resolution was adopted:
Resolved, That the Finance commit-
tee be empowered to take an inventory
of all articles in the Opera House build-
ing, and to have supervision over all the
repairs made by the lessee; and that
said committee have power to lease
the building for the term of five years
upon the best terms possible, said rent
not to be less than six hundred dollars
per annum, payable quarterly.
Applications for the position of Stand-
ard Keeper were referred to the Mayor
to report at next meeting.
A petition from the Wilmington Mar-
ket Company was presented and read by
Mt. H. A. Burr.
Alderman Northrop moved the ap-
pointment of a committee of three—the
Mayor to be chairman and to appoint the
other two—to confer with a committee
from the Board of Audit and Finance
relative to the subject matter of this
communication, and report back to this
Board. The Mayor appointed Alder-
men Worth and Alderman.
Hon. A. M. Waddell came forward
and stated that he was the advocate of the
members of the police force and a large
number of the tax-payers of the city, for
the purpose of presenting to the Board a
petition from the said force for an
increase of their pay. He stated that he
was not a paid advocate, but came at
the request of the petitioners.
On motion, the petition was referred
to the Finance Committee, to confer with
the Board of Audit and Finance, and to
report at the next meeting of the Board.

THE MEDICAL MEN.
The Doctors in Council at Asheville—
A Fair and Harmonious Session.
(CONCLUDED.)
(Reported for the DAILY REVIEW.)
ASHEVILLE, N. C., Friday, June 3.
The general conjoint session of the
Board of Health and the Medical Society
is a comparatively new feature. The
Secretary read his report, setting forth
the broad and deep foundation upon
which the Board was building. It is
gratifying to know that among the laity
Gen. Clingman and Capt. Davis, Sen-
ator from Buncombe, were ardent
supporters of the work of the Board.
The reorganization of the State Board
of Health was effected as follows:
Dr. Marcellus Whitehead, Salisbury,
President.
Dr. Chas J. O'Hagan, Greenville; Dr. J.
M. Lyle, Franklin, Macon co; Dr. R. L.
Payne, Lexington; Dr. Geo. A. Foote,
Warrenton; Dr. S. Satchwell, Pender;
Prof. Wm. Cain, C. E. Lenoir; Prof. Sim-
mons, Wake Forest College; Dr. Thomas
F. Wood, Secretary.
The outlook of the work for the next
year, based principally upon the increas-
ed interest manifested all over the State
by the people, is bright. Committees
were appointed in every county to canvass
the work the Board has in
hand, to secure as far as possible
a thorough knowledge of the needs and
aims of this eminently useful body, that
members of the legislature might go to
Raleigh with an intelligent appreciation
of what is wanted.
The oration delivered by Dr. Long, of
Newbern was what was expected. These
orations are intended by the Society to
attract the interest of a mixed audience
in regard to the progress of the work we
are aiming at. Few medical men have the
gift of public speaking to the degree that
Dr. Long possesses. His voice is
not full or sonorous, but his flights in
the realms of poetical ideas amount to
a psychological phenomenon. The audi-
ence responded in repeated applause.
It is to be regretted that such a speech
could not be printed.
Some of the volunteer papers, one by
Dr. Sexton, of Raleigh, and one by Dr.
Lewis, of Lumberton are worthy of
notice, and will be placed in the hands of
the committee on publication. Dr. Sex-
ton's eye-elicited discussion.
The inauguration of officers in the
body is not a very imposing ceremony
and nothing particularly deserves men-
tion but the valedictory address of the
President. He ran through the history of
the fashions in physic in the time of
Hippocrates, made humorous compar-
isons between the old methods and the
new, and dwelt particularly on the lud-
icrous way in which the candidates for
the medical degree were examined a
half century ago.
His advice to the younger members of
the profession was most excellently done.
So many good hits were made that the
members present applauded frequently.
Very little was done after the inaugura-
tion of the new president.
The social features of these meetings
equal if they do not exceed in value all
else, notwithstanding that scientific work
engages a very considerable portion of
the session. The bulk of this Society
are not talkers, and shrink from attempt-
ing discussions on their feet. But at the
hotels and in private intercourse, unre-
served reviews of papers and men are
hourly going on.
Let us look at what the annual as-
sembling of these medical men means. For
a quarter of a century they have under-
taken at their own expense, and at great
personal sacrifice in many cases, to make
the medical profession more worthy of
the support of the public. From small
beginnings a machinery has been con-
structed, having its basis in the statute
law of the State, and in spite of stupid
politicians and envious opponents in the
regular ranks, a power has been evolved
that places the North Carolina profes-
sion in the front rank.
This is the second epoch which the
profession has reached in this State. In
1800, when medical men had few oppor-
tunities to attend the college in Phila-
delphia, the only school then in exist-
ence in this country, the Medical So-
ciety of this State required the aspirants
in open meeting before a Board of Cen-
sors. To day we live and flourish by the
sanction of the law, but what we esteem
much more highly than all this is that
hold which our organization has taken
in every intelligent community in the
State.
It would not be in good taste to con-
clude this account without paying our re-
spects to the medical faculty and the citi-
zens of Asheville for the unremitting
hospitality shown their guests.
The banquet at the Eagle Hotel was
a handsome affair, and was particularly
distinguished by the absence of wines
and liquors. The ladies showed exceed-
ing good taste, and all seemed to enjoy
the viands with a keen relish.
An episode in the history of Beau
Catcher Mountain it may be well to re-
late here:
A negro man, a patient of Dr. Nor-
cop, a resident of Asheville, presented
himself with a malignant disease of the
lower jaw. Assisted by two members
of the Board of Examiners, Dr. Nor-
cop removed the entire jaw. It was
necessary, as a preliminary step, to open

Mrs. PERSON—Dear Madam: I think
your medicine is the best that is now before
the public, for the cure of blood diseases. I
have great confidence in it, and believe that
it will do all that you claim for it. I have
the personal knowledge of the condition of
young Mr. Stokes, before he commenced
taking your medicine, and I see you have
his testimonial that he is cured. Go on,
and I say God speed you in your efforts to
ameliorate the condition of mankind, and
add to his comfort and happiness. I will
do all in my power for you among my
friends. Yours respectfully,

Eclipse of the Moon.
The June moon falls on Sunday, the
12th inst., and gives us the rare treat of
a total lunar eclipse. No celestial pheno-
menon is easier to understand. The earth
passes between the sun and moon and
obscures his light. It can only occur at
the time of full moon, and there would
be a total eclipse of the moon every
month if the sun's path and the moon's
path were on the same plane or level.
But the moon's orbit is inclined to the
ecliptic about five degrees; therefore the
moon must be at her node or crossing
point at the time of full moon in order
to be totally eclipsed. She is, however,
much oftener far enough from her node
to be above or below the earth's shadow
when there is no eclipse, or she may be
near enough to her node to pass through
a portion of the earth's shadow when she
is partially eclipsed. But on the morn-
ing of the 12th the conditions are favor-
able for a grand exhibition of the dark-
ening power of the earth's shadow. The
moon is full, she is at her node, she is in
perigee, or at her nearest point to the
earth, and she will pass centrally through
the earth's shadow. The eclipse begins
—that is, the dark shadow enters upon
the moon—at 26 minutes after midnight.
The total phase commences at 1 hour 29
minutes, and ends at 2 hours 51 minutes.
The eclipse ends at 3 hours 52 minutes.
On the 21st the moon is in conjunction
with Mars and Saturn. On the morning
of the 22d the heavens will present a
superb picture, made up of the waning
moon, the bright planets Venus and
Jupiter. Between 5 o'clock on the morn-
ing of the 21st and 2 o'clock in the after-
noon of the 22d the moon is in conjunc-
tion with five planets, Mars, Saturn,
Neptune, Jupiter and Venus.
Dangerous Occupation.
On this point Messrs. Esterbrook &
Sons, City Iron Foundry, Boston, Mass.,
thus speak: Two or three of our men
were badly burnt in working. They were
however, immediately cured by using
that splendid remedy, St. Jacobs Oil.
All the men are highly pleased with it,
and we shall always recommend it to
those afflicted with pains or rheumatism.
