Mr. Henry H. Heide has recently received from the north one of the pret. tiest clin
The carcasses of the three horses and the mule which were burnt to death in the fire last night were sent out of the city
this morning by 8 o'clock by Health Officer James.
of St. Thomas' Sunday School. The Passport is in fine trim and the commit. tee are determined to have every thing pass off pleasantly.
This afternoon Andrew Merrick, col-
ored, fell back wards off of a loaded dray
which he was driving on Chestnut, be tween Water and Front streets. It is
thought he had a fit. His head was bad cut by the fall. Decline of Man.
Impotence of mind, limb, or vital func-
tion, nervous weakness, sexual debility sc, cared by Wells' Health Renewer.
S1. At Druggists. Depot Jas. C. Munds The Signal Service telegraph wires are down between here and Smithville, and
North and South of us. Repairers have started out in search of the break and
 animal down in the morning but very and died. The'supposed cause is not fast driving but excessive heat. Rakes, Shovels, Spades, Axes, \&c. Ther you have the lowest prices.
It is indeed gratifying to us to know that the charity excursion given for the benefit of the Oxford Orphan Asylum,
by St. John's Lodge of Masons, down the iver on the steamer Passport on yester day, was well patronized and that the
committee realized handsomely from the

The campaign waxes warm. The Pro hibitionists in this city bave issued a very neat little paper entitled Our
Rights(no referrence toCivilRights here) Rights(no referrence tocill continue to issue it weekly until August 1st, while their opponents respond with a hengments, some of which are
tent acts from the columns of the Star.
tract
$\qquad$ Cut by his Axe. Fear Steam Fire Engine Company, had his hand badly cut with an axe at the by the falling side of one of the cow
sheds striking his axe and throwing it with force against his hand. He imme diately received medical attention.

The receipts of cotton at this port to-
day foot up 183 bales.
Some few of the Charlotte gentlemen
remain over in the city.

| Mr. Editor: <br> If you have any inflcence with the ity authorities, the writer of thas one) will be very much obliged if (rop will induce them to take some steps to abate the intolerable nuisance caused by crowds of idle people gathering on the sidewalks, and preventing quiet citizces from passing withont turning into the from passing withont thar streets or forcing their way throug what is often a filthy and offensive mass of humanity. Such obstructions are not permitted in better regulated cilies, and observation proses that they are 10 t even noticed by our policemen. <br> While on the subject of nuisances, another may be mentioned, viz-the man ner in which awnings are constructed pended over the sidewalks-hanging zo low that a person of ordinary beight cannot pass under them without stooping, and the use of an umbrella is out of the question! <br> There are other permitted puisances which might be referred to in this connection, such as cattle and hogs being at large in the streets-especially on Sundays and during the night-but the above will do for the present.
