to be to take public action in reference to the assassination of the President of the United States. On motion of Gen. M. P. Taylor the Mayor was elected Chairman and Capt. John Cowan was elected Secretary. At the request of the Chairman the meeting was opened with prayer by the Rev. Dr. Wilson. On motion of Mr. J. I. Macks a committee of seven was appointed to draft suitable resolutions. The chair announced the tollowing as the committee: Hon. A. M. Waddell, Chairman, Henry Nutt, S. H. Fishblate, J. E. Sampson, Henry

Taylor, J. I. Macks, Alfred Howe. The committee through their Chairman, Col. A. M. Waddell, reported as follows: Resolved 1st, That our country receives with the profoundest grief and horror the intelligence of the attempt to assassinate the President of the United States. If it were only a valuable human life that has been stricken down a crime so foul, deliberate and dastardly would demand and receive the sternest denunciation. But in the time of profound peace, in the lull of party conflicts

and in the restoration of national concords, the head of the government has fallen beneath the hand of murder. It is a deadly blow at peace, liberty, law, social order, all that we hold most dear except that we are American citizens.
