MRS. JOE PERSON'S
REMEDY FOR
SCROFULA
NEVER FAILS.
It Will Cure if Fairly Tested.
It gives me much pleasure to be able to state that I have derived an effectual cure of Scrofula from the use of Mrs. Joe Person's remedy for that disease. I had suffered from Scrofula for more than three years, and had despaired of ever getting well. I was treated during that time by three very eminent physicians, without any good result. I then went to the National Surgical Institute, at Atlanta, Ga., and was treated there more than two months, with no better result than my family physicians met with. After returning from the Institute, I was persuaded to try Mrs. Person's remedy, and I had not used it more than a week before I discovered its curative and healing properties. My sores soon began to heal, and the color of my skin changed as fast as the sores healed. I had not thought of ever getting well again, but my hopes increased, my low spirits fled before the remedy, and I am now enjoying splendid health and am in good spirits. The remedy is mild as a purgative, and a strong tonic; it will heal the most stubborn sores in three weeks if taken regularly. It is my opinion that it should be taken some time after the sores are healed, to remove the cause of its effects. It should be taken regularly by all means, for I have sometimes neglected it from the pressure of business, and in all cases found that the cure already made would commence to retrace, and for this alone it should be taken regularly until an effectual cure is completed. Nothing should prevent regularity in the use of the remedy and it should be taken at the proper time. I would recommend to all who are suffering from Scrofula to try it. It will surely cure you if you give it a fair test. I speak from experience and not from hearsay. I am a grateful recipient of a cure from the use of it and am under many and lasting obligations to Mrs. Person for the great relief I have obtained from its use. Sufferers, try it and be cured, is my advice. I am, respectfully,
J. H. T. JAMES, N. C.

Mr Henning's Condition.
We regret to learn that Mr. Robert Henning, formerly of this city, but now of Richmond, Va., who was stricken with paralysis a week ago, as reported by us a few days since, is in a very critical condition; in fact, we understand that his life is despaired of and his death is almost hourly expected. His physicians state that he may die at any time but may possibly live for a week.
Magnificent Melons.
Talk about your big watermelons, your Cubas and rattlesnakes raised down in Georgia, North Carolina can beat Georgia and Alabama and Florida, all in one pile. Mr. Newbury received today from Major C. W. McClammy's farm, on Topsail Sound, 13 melons which weighed, all told, 525 pounds, an average of over 40 pounds each. They were all magnificent melons, the largest weighing 46 pounds. Verily, there is life in the old land yet.
Call at JACOBI'S for Garden Hoes and Rakes, Shovels, Spades, Axes, &c. There you have the lowest prices.
City Court.
His Honor had two cases for consideration this morning, one for disorderly conduct last night, which enriched the city treasury \$5, that being the amount of the fine imposed and paid, and the other, that of a countryman for refusing to remove his cart under direction of a police officer. The sentence in this last named case was a fine of \$5 also, but the defendant took an appeal to the Criminal Court and gave a justified bond of \$100 for his appearance at that time.
Back Home.
Mr. Isaac Shrier, who has been on a visit to relatives in Cleveland, Ohio, for more than a month past, returned here last night. He tells us that the change in sentiment towards the South among the people whom he has been with is something really remarkable. There is not one word now, he says, of Southern outrages, but when the people of our section are spoken of it is in the kindest language. This change has been brought about by the universal expressions of sympathy and regret from the people of the South, called forth by the attempted assassination of President Garfield. Verily, Guiteau may yet prove to have been a public benefactor in the guise of an assassin.

A Melon-choly Accident.
While a horse cart was being driven up the steep hill on Chestnut, between Water and Front streets, this morning by a man, the tail board accidentally fell out and several fine-looking watermelons which, owing to the steepness of ascent, had rolled back in the cart and were resting against the tailboard, fell to the ground and striking the paving stones were broken into fragments. But none of the melons were lost; several small urchins, both white and colored, immediately proceeded to gather up the fragments and stowed them all carefully away with lightning-like rapidity in their own bread baskets, so that in a few minutes' time there was scarcely a sign of the accident left.
I was cured by St. Jacobs Oil in one day of a bad attack of rheumatism of a week's duration, says Mr. Chas. Wetzel of Nauvoo, Ill.
Crude Turpentine Booming.
The buyers of crude turpentine were on their mettle this morning. The market, after sales at \$2.65, was run up to \$3.10, with sales of 50 barrels at that price; \$2.65 was the first quotation, which was bettered by a bid of \$2.75, when another buyer said he would give \$3.00; then another offered \$3.05; then the \$3.00 bidder went a little better and offered \$3.10 per barrel, at which price 50 barrels were sold to him; \$3.10 was then offered by the same bidder for 100 or 500 barrels. The market seemed to be in quite a feverish state and the competition seemed to be between the city distillers and parties who buy on Northern or foreign orders, to ship.

The Register of Deeds has issued but one marriage license this week, and that to a white couple.
Justice W. M. Poisson, one of the newly appointed Magistrates, qualified today before S. VanAmringe, Esq., Clerk of the Superior Court for this county, and will enter upon the duties of his office on Monday, the 1st prox.
A Fowl Remedy.
We wrote the other day requesting some remedy for chicken apoplexy and chicken cholera, and a friend tells us that Barker's Vegetable Horse and Cattle Powder is an infallible cure for every ill that fowls are heir to. The powder must be mixed with meal or other food and given to the chickens in that way. The medicine can be purchased at any of the drug stores and the chickens of the hucksters.
The Market Question.
The joint committees from the Board of Aldermen and the Board of Audit and Finance met yesterday afternoon at half past 3 o'clock and adjourned at half past 6, having spent three hours in consideration of the vexed market question. No decision was reached then and the meeting adjourned until next Wednesday, when something definite may be determined upon.
The Crops.
A gentleman who speaks from recent personal observation tells us that the crops in Pender, Duplin and Sampson counties are as a rule superb. There may be some local exceptions to this rule but in his journeys in various directions he found none. Corn and cotton are both also said to be very fine between this city and Laurinburg but beyond that point there has been much distress for want of rain and even with good seasons now hardly more than one-fourth of a crop will be gathered in many localities.
Magistrate's Court.
Lucinda Floyd was arraigned before Justice Gardner to-day upon a peace warrant, the affidavit for the issuance of the warrant being filed by J. R. Russ, colored. Defendant was ordered to give bond for \$50 to keep the peace until the 1st day of October, and to pay the costs of the trial, in default of which she was committed.
Jno. H. Whiteman, colored, was arraigned before the same Magistrate for violation of chapter 368 of acts of the General Assembly, ratified March 14th, 1881, entitled an act for the prevention of cruelty to animals. The prosecuting witness alleged that the animal was foundered badly which defendant was driving in a dray and gave evidence of great pain whenever a step was made. The case was finally dismissed, we hear, by the Magistrate, upon the advice or suggestion of the Solicitor up on defendant's paying costs in the case.
Before another Justice, Isaiah Farrow and James Redmond, both colored, were arraigned and committed for trial on Monday, the 1st of August, at 10 o'clock, upon the charge of obtaining money from Messrs. Northrop & Cumming under false pretences.

The Key to Health.
Have you found the key to perfect health and strength? It is Kidney-Wort, the only remedy that overcomes at once the inaction of the kidneys and bowels. It purifies the blood by cleansing the system of foul humors and by giving strength to the liver, kidneys and bowels to perform their regular functions. See displayed advertisement.
EDITOR REVIEW.
Is there a village of 200 inhabitants in North Carolina that would allow forty or fifty carts, (mule, horse and cow) to make a stable of one of the principal streets? I believe not.
Second street, corner of Market, is a perfectly hog-hole of filth, enough to breed cholera and yellow fever. It is impossible to pass there without holding the nose or vomiting. Is there no remedy? Cannot our Senator, who it seems controlled the last legislature, give us some advice or help?
If the Mayor and Board of Aldermen have no control of the city, let's sell out or present it to the members of the last Legislature, or quit paying taxes. About one more "poor man's bill" would kill the old town effectually. If the city cannot control her streets, and make her own regulations, how can they collect taxes, monthly &c.?
For one I am tired of paying taxes for the purpose of hiring hands to clean three or four blocks of filth every morning, left there by country carts.
A RESIDENT AND TAX PAYER.
Haunted Me.
A Workingman says: "Debt, poverty and suffering haunted me for years, caused by a sick family and large bills for doctoring, which did no good. I was completely discouraged, until one year ago, by the advice of my pastor, I procured Hop Bitters and commenced their use, and in one month we were all well, and none of us have been sick a day since; and I want to say to all poor men, you can keep your families well a year with Hop Bitters for less than one doctor's visit will cost."—Christian Advocate.
