WEDNESDAY, AUGUST 2, 1881.

Entered at the Postoffice at Wilmington, N. C., as Second-Class Matter.

It is probable that more than 300,000 Germans will come to the United States during the present year.

Midhat Pasha and others, convicted as accessory to the murder of the late Sultan, have been sent to Arabia, to remain in exile for life.

The last published work of Dean Stanley was a criticism of the revised New Testament, which met with his approval, although he recognized difficulteis in the way of its adoption by the churches.

France has contributed but few citizens for our shores. Last year she contributed only 4,087 at Castle Garden. Her people, as a rule, are well to do at home, and not since 1852 has there been any great influx of the volatile French.

Another American custom, baggage checking, is likely soon to be adopted in England. The London and Northwestern railroad sent an emissary to report on our system It is assered that 35,000 pieces of luggage were lost or stolen in England last year.

The cotton crop of Georgia and Alabama is exceedingly fine, and is said to be better than the crop of other cotton States. The national bureau says as the conclusion of its numerous reports that the crop as a whole is not as promising as was last year's crop at this time of the year.

The run of salmon on the Fraser river surpasses all precedent or calculation. Steamers and rowboats laden to the guards with fish are arriving at the canneries faster than they can be packed, bed longer in the morning, and wrestle hands being scarce and labor high, causing many fish to be thrown away. One steamer has just arrived with over 9,000

" The statutes of Massachusetts are being elaborately revised. The work of codification was done first by three able lawyers, and the result sent to specialists for criticism. A legislative committee next dealt with the matter, followed by a second commttee. All that now remains to be done is the enactment of the work Porto Rico Molasses. by the Legislature next November.

One thousand two hundred employes of the Old Colony Railroad have been examined for color blindness, ia compliance with the Massachusetts law, and over 400 forty engineers, firemen, conductors and others have been dismissed because they have defective sight. Of this number is Conductor Cewan, who has taken tickets | Porto for 32 years and never had an accident happen to his train.

Two prominent candidates for the seat on the Supreme Bench left vacant by the death of Judge Clifford are Chief Justice Gray and ex-Attorney General Devens, of Massachusetts. Judge Gray's chances Judge Devens' friends believe that his 8000 Bushels CORN, experience as Attorney-General gives 1600 Bbls Flour, all grades, him a very good showing. There is no particular reason, however, why these men should be more prominent than some others in connection with the appointment. Even Hayes has a chance.

A special from Chicago to the New York Times states that the wheat mar ket is going through an experience that will result in a tight squeeze throughout August. It is estimated that the sales are 10,000,000 to 12,000,000 bushels in excess of the stock and receipts, and that a coterie of moneyed men have taken the contracts and propose holding until the end of the month. It is intimated that Mr. John D. Rockfeller, of Cleveland, Ohio, president of the Standard Oil Company, is the leading power on the

A New York correspondent writes :-"New building enterprises in the upper part of the island continue active, and the amount of capital going into them is something astonishing. Nothing is thought now of \$100,000 for a private residence anywhere near the park, and in a majority of instances, at this moment, the outlay averages nearer \$150,000 .-The demand for flats continues. One was commenced Saturday on the northwest corner of One Hundred and Twenty-fifth street and Sixth avenue, to cost \$75,000, and contracts have been signed for a group of six, in Sixty-seventh in and cool off. Judge Robertson assumed official charge of the New York Custom House on Monday last.

Kentucky elected a Legislature on Monday. The result is an overwhelming Democratic victory, although on a very light vote. The re-election of Senator Beck, we are glad to note, is said to be fully assured.

A fearful accident occurred at Mazatlan, Mexico, on Thursday last. The powder magazine exploded, blowing up one entire square and burying many families beneath the ruins. About sixty bodies have been recovered.

The tone of the official builetins is to the effect that the President is rapidly recovering. He rests well and eats well and is cheerful and hopeful and anxious to get out of bed. This the physicians hope to allow by the middle of the month. It was just one month yesterday since he was wounded.

Prejudice Kills.

"Eleven years our daughter suffered on a bed of misery under the care of several of the best (and some of the worst) physicians, who gave her disease various names but no relief, and now she is restored to us in good health by as simple a remedy as Hop Bitters, that we had poohed at for two years, before using it. We earnestly hope and pray that no one else will let their sick suffer as we did, on account of prejudice against so good a medicine as Hop Bitters."-The Parents.— Telegram.

SAIDOLUUE.

"This is the most protracted funeral ever attended."-Roscoe Conking.

KIDNEY-WORT DOES WONDERFUL WHY CURES!

Because it acts on the LIVER, BOWELS and KIDNEYS at the same time.

Because it cleanses the system of the poisonous humors that develope in Kidney and Urinary Diseases, Biliousness, Jaundice, Constipation, Piles, or in Rheumatism, Neuralgia, Nervous Disorders and Female Complaints.

SEE WHAT PEOPLE SAY: Engene B. Stork, of Junction City, Kansas icians had been trying for four years. Mrs. John Arnall, of Washington, Ohio, says

ner boy was given up to die by four prominent physicians and that he was afterwards cured by M. M. B. Goodwin, an editor in Chardon, Ohio, says he was not expected to live, being bloated beyond belief, but Kidney-Wort cured him. Anna L. Jarrett of South Salem, N. Y., says hat seven years suffering from kidney troubles and other complications was ended by the use of Kidney-Wort.

John B. Lawrence of Jackson, Tenn., suffered for years from liver and kidney troubles and after taking "barrels of other medicines," Kidney-Wort made him well. Michael Coto of Montgomery Center, Vt., suffered eight years with kidney difficulty and was unable to work. Kidney-Wort made him "well as ever."
