MRS. JOE PERSON'S
 REMEDY FOR

SCROFULA
 NEVER FAILS.

It Will Cure if Fairly Tested.

It gives me much pleasure to be able to state that I have derived an effectual cure of Scrofula from the use of Mrs. Joe Person's Remedy for that disease. I had suffered from Scrofula for more than three years, and had despaired of ever getting well. I was treated during that time by three very eminent physicians, without any good result. I then went to the National Surgical Institute, at Atlanta, Ga., and was treated there more than two months, with no better result than my family physicians met with. After returning from the Institute, I was persuaded to try Mrs. Person's remedy, and I had not used it more than a week before I discovered its curative and healing properties. My sores soon began to heal, and the color of my skin changed as fast as the sores healed. I had not thought of ever getting well again, but my hopes increased, my low spirits were banished by this remedy, and I am now enjoying splendid health and am in good spirits. The remedy is mild as a purgative, and a strong tonic; it will heal the most stubborn sores in three weeks if taken regularly. It is my opinion that it should be taken some time after the sore is healed, to remove the cause of its effects; it should be taken regularly by all means, for I have sometimes neglected it, from the pressure of business, and in all cases found that the cure already made would commence to retrograde, and for this alone it should be taken regularly until an effectual cure is completed. Nothing should prevent regularity in the use of the remedy and it should be taken at the proper time. I would recommend it to all who are suffering from Scrofula to try it. It will surely cure you if you give it a fair test. I speak from experience and not from hearsay. I am a grateful recipient of a cure from the use of it and am under many and lasting obligations to Mrs. Person for the great relief I have obtained from its use. Sufferers, try it and be cured, as my advice. I am, respectfully,
 Kirtland, N. C. JAMES A. MORRIS.

More than fifty carts in market this morning.

The receipts of cotton at this port today foot up 747 bales.

Steamship *Regulator*, Capt. Doane, sailed hence for New York this morning.

Study your interest. You can now buy Cook Stoves at factory prices at JACOBI'S.

Steamship *Benzafior*, Capt. Tribon, arrived in New York yesterday at 1 o'clock, from this port.

Steamship *Gulf Stream*, Capt. Ingram, arrived here today from New York, which port she left last Saturday afternoon. She left here one week ago today.

Call at JACOBI'S for Garden Hoses and Rakes, Shovels, Spades, Axes, &c. There you have the lowest prices.

The last excursion of the season of the Young Catholic Friends' Society will take place on the *Passport* to-morrow to Smithville and the Ports. If the day is pleasant there will almost certainly be a large attendance.

Thinking Men should take Warner's Safe Kidney and Liver Cure.

Richard Cowan, colored, was before a Justice of the Peace today, charged with assault and battery on the person of his wife with a knife. Failing to give bond for his appearance at the next term of the Criminal Court, he was sent to jail.

We had full details yesterday of the loss of the schooner *Mary Bear*, so far as they had been received here, but in compliance with the earnest request of one of the owners we did not insert it then. This is how, through the influence of our good nature, we failed to publish the news in yesterday's issue.

Sulicide and Dyspepsia.
 A most remarkable cure for dyspepsia, "Wells' Health Renewer." The greatest tonic, best bilious and Liver Remedy known. \$1. Druggists. Depot Jas. C. Munds.

The steamer *North State*, Captain Green, arrived here last night from Walker's Bluff, 56 miles above Wilmington, which is as far up as he could get on this trip. At that point the river had risen nine inches but this, he thinks, is mainly due to back water. He leaves here to-morrow morning and hopes to get above the Bluff.

Freshwater Perch, Trout and Black-fish Hooks and Lines. A full assortment and lowest prices at JACOBI'S.

At Clinton.

A gentleman who was at Clinton last Friday, during the storm, says that it was very severe in that section. There was no serious damage done to any of the houses, it is true, but trees were torn up and fences prostrated. From all that he can learn he thinks that it was very disastrous in the country and fears are entertained that the cotton crop is almost entirely destroyed.

A safe and sure means of restoring the youthful color of the hair is furnished by Parker's Hair Balsam, which is deservedly popular from its superior cleanliness.

The Drowned Boy.

The colored boy, Frank Fuller, who was lost when the schooner *Mary Bear* went ashore last Friday, was well-known here, where he was born and raised. He was a son of Balaam Fuller, Jr., the bill-poster. Frank was at one time employed in the Signal Office in this city and will be remembered by many for the pleasant politeness with which he delivered the weather bulletins.

Delayed for Repairs.

The steamer *Clinton*, Capt. Von Kampen, plying between this city and Bannerman's Bridge, on the Northeast Cape Fear, was lying at Mr. Morton's distillery last Friday, when the storm came upon us. She had her pilot-house blown off and her smoke-stack blown down, and is detained here for repairs. She may not be able to resume her trips for several days yet.

Jubilee Singers.

The Blind Jubilee Singers will give an entertainment this evening in the New Market for the benefit of St. Stephen's A. M. E. Church. They come here warmly endorsed and the entertainment will doubtless be a very pleasing one. We trust that a full house will respond to the call.

To cough and at the same time be entertaining is impossible. Dr. Bull's Cough Syrup will reach your case. Price 25 cents a bottle.

Unavailable.

Unavailable matter, addressed as follows, remains in the Postoffice in this city:

Johnnie Ratcliff, Abbottsburg, N. C.; Michael W. Hines, Planters Reel; Jas. Buffalo, care Lancaster; George Smith, Taber Inlet, Brunswick county, N. C.; J. A. Moncure, 124 W. 36th street, N. Y.; To the Co. Supt. of P. Instruction, Burgaw, Pender county, N. C.

City Court.

There was but one case before the Mayor this morning, that of John Carlew, a white man and a stranger here, who was charged with firing a pistol in the streets and also with carrying concealed weapons. The offence being against the statute laws of the State, defendant was bound over for his appearance at the next term of the Criminal Court.

The Storm at Calntuck.

A friend in the Calntuck section of Pender county writes to tell us of the disastrous effects of the recent storm in that section. He says that it almost completely destroyed the entire crop of corn, peas, potatoes, cotton and rice. Forage is also almost a total loss. The oldest citizens say that they have never seen anything to equal this gale, the disastrous three days' storm of '37—forty years ago—alone excepted. It is said that the water is still from one and a half to two feet deep in the swamp lands.

Beautify your homes by using the N. Y. Enamel Paint, ready mixed and warranted. Sold only at JACOBI'S.

Loss of the Mary Bear.

The tern schooner *Mary Bear*, sailing from this port and owned here, and plying between Wilmington and Baltimore, was driven ashore on Friday morning last, about 11 o'clock, on Stump Sound beach, about five miles South of New River Inlet. Capt. Chadwick and the crew escaped by swimming ashore but the cabin boy, Frank Fuller, belonging in this city, was drowned in the attempt. They succeeded in getting to the mainland and were taken in and cared for by Mr. Everett, whose place is near the scene of the disaster. On Saturday some attempts were made to save the cargo but with indifferent success. This information was brought here yesterday by Mr. E. S. Smith, of New River, who passed Mr. Everett's house on the way to this city, and it was afterwards confirmed by a letter from Capt. Chadwick to his son, Mr. David Chadwick.

The *Mary Bear* was owned in this city, and was the property of Messrs. Sol. Bear & Bros. She was originally the A. F. Randolph, and was built at Canning, N. B., in 1866, and about two years ago she went ashore on Erying Pan Shoals. She was gotten off and brought to this port and sold at auction, and purchased by her present owners, who placed her on the ways and had her entirely refitted, and called the *Mary Bear*. She registered 168 tons, a few tons more than her original tonnage. She left Baltimore on Friday, August 26th, with a cargo of 206 bundles hoop iron, for Worth & Worth; 177 packages carriage goods; 191 bars iron, 16 bundles iron and 75 kegs nails, for W. E. Spring & Co.; 125 bbls oil, for Chess, Carley & Co.; 892 bushels corn for W. P. Oldham & Co.; 4,000 bushels corn for B. F. Mitchell & Son; and 3,111 bushels corn for C. B. Wright; all of which is insured.

The *Mary Bear* was valued at \$6,000 and is insured, but to what amount we are unable to ascertain. Her freight money, amounting to \$650, was also insured. She will probably prove a total loss.

Mr. W. P. Ryder, 124 Lexington street, Boston, Mass., in making reference to his experience in certain directions thus remarks: I am pleased to say that I have used St. Jacobs Oil for rheumatism, with the best success. My case was one of two years standing and baffled all other treatment; but St. Jacobs Oil cured me.

A Card.

Editor Daily Review,

Wilmington, N. C.

DEAR SIR:—Through the columns of your valued paper, we desire to thank our former gallant commander, Col. William Lamb, of Norfolk, Va., for the two articles from his pen, recently published in the Review, in regard to the construction and defence of Fort Fisher.

We had been pained on reading other recent articles from the pens of other writers on the same subject, at seeing how little of the true facts, as we knew them to be, seemed to be known in the Cape Fear section.

Col. Lamb's articles are invaluable additions to North Carolina history, and for them we sincerely thank him, and most heartily endorse their correctness in every particular. We know whereof we speak. We were stationed at Fort Fisher—some of us before Col. Lamb took command there in 1862—remained there under him until captured in 1865; participated in the battles, some of us as officers and some of us as privates, and speak of our own personal knowledge. But our object in this is not to endorse Col. Lamb; he needs no endorsing in the Cape Fear section. Were it necessary hundreds of his old command would hasten to endorse him in all that he has said in both of said articles.

And now for our main object in writing this:—Some articles have been written and published on the subject of Fort Fisher; its capture, &c., whose writers did such gross injustice to the garrison, to both living and dead, that we earnestly call upon Col. Lamb to defend, in further articles, at least our dead comrades from the aspersions of said writers. This we know he is able to do, and we trust he will quickly respond.
