MRS. JOE PERSON'S

REMEDY FOR

SCROFULA

NEVER FAILS.

It Will Cure If Fairly Tested.

It gives me much pleasure to be able to
state that I have derived an effectual cure of
Scrofula from the use of Mrs. Joe Person's
remedy for that disease. I had suffered
from Scrofula for more than three years,
and had despaired of ever getting well. I
was treated during that time by three very
eminent physicians, without any good result.
I then went to the National Surgical Insti-
tute, at Atlanta, Ga., and was treated there
for several months, with no better result
than that which I had obtained elsewhere.
After returning from the Institute, I was
persuaded to try Mrs. Person's remedy, and
I had not used it more than a week before I
discovered its curative and healing prop-
erties. My sores soon began to heal, and the
color of my skin changed as fast as the sores
healed. I had not thought of ever getting
well again, but my hopes increased, my low
spiritedness fled before the remedy, and I
am now enjoying splendid health and am in
good spirits. The remedy is mild as a pur-
gative, and a strong tonic; it will heal the
most stubborn sores in three weeks if taken
regularly. It is my opinion that it should
be taken some time after the sores are healed,
to remove the cause of its effects: I should
be taken regularly by all means, for I have
sometimes neglected it, from the pressure of
business, and in all cases found that the
cure already made would be lost if it should
be neglected, and for this alone it should be
taken regularly until an effectual cure is
completed. Nothing should prevent regu-
larity in the use of the remedy and it should
be taken at the proper time. I would re-
commend to all who are suffering from
Scrofula to try it. It will surely cure you
if you give it a fair test. I speak from expe-
rience and not from hearsay. I am a grate-
ful recipient of a cure from the use of it and
am under many and lasting obligations to
Mrs. Person for the great relief I have ob-
tained from its use. Sufferers, try it and be
cured, in my advice I am respectfully,
Kittrell, N. C. JAMES A. MORRIS.

cure.
