MRS. JOE PERSON'S
REMEDY FOR
SCROFULA
NEW, PATENT.

It Will Cure if Fairly Tested.

It gives me much pleasure to be able to state that I have derived an effectual cure of Scrofula from the use of Mrs. Joe Person's remedy for that disease. I had suffered from Scrofula for more than three years, and had despaired of ever getting well. I was treated during that time by three very eminent physicians, without any good result. I then went to the National Surgical Institute, at Atlanta, Ga., and was treated there more than two months, with no better result than my family physicians met with. After returning from the Institute, I was persuaded to try Mrs. Person's remedy, and I had not used it more than a week before I discovered its curative and healing properties. My sores soon began to heal, and the color of my skin changed as fast as the sores healed. I had thought of ever getting well again, but my hopes increased, my low spirits rose, and before the remedy, and I am now enjoying splendid health and am in good spirits. The remedy is mild as a purgative, and a strong tonic; it will heal the most stubborn sores in three weeks if taken regularly. It is my opinion that it should be taken some time after the sores are healed, to remove the cause of its effects; it should be taken regularly by all means, for I have sometimes neglected it, from the pressure of business, and in all cases found that the cure already made, would commence to retrograde, and for this alone it should be taken regularly until an effectual cure is completed. Nothing should prevent regularly in the use of the remedy and it should be taken at the proper time. I would recommend it to all who are suffering from Scrofula to try it. It will surely cure you if you give it a fair test. I speak from experience and not from hearsay. I am a grateful recipient of a cure from the use of Mrs. Person's remedy, and I feel it my duty to take from it the greatest relief I have obtained from any use. Sufferers, try it and be cured. JAMES A. MORRIS, Kingston, N. C.

The Review carrier, for the route in the Southeastern section of the city, was taken sick to-day and we are forced to depend this afternoon on one who does not know the route thoroughly.

Duplin County Inferior Court convened in its first session at Kenansville on Monday, the 19th inst., but there was but little business transacted save the necessary acts of organization.

Spirits turpentine advanced in this market to-day one cent and is again firm at 50 cents; rosin dropped off a little but quickly got back to yesterday's figures, and cotton is one-eighth better than it was yesterday.

Something of a curiosity, a live fawn, was offered for sale here this morning. It was caught by Mr. Valley Reeves, of Brunswick county, who brought it in and who asked only \$10 for it. It was about a year and a half old.

Thanks to Mr. T. M. Long, the Secretary, for a card of admission to the Twelfth Annual Exhibition of the Roanoke & Tar River Agricultural Society, to be held at Weldon, October 31st, November 1st, 2d, 3d and 4th.

John Robinson's Circus sold nearly 4,500 tickets at Magnolia yesterday. There was an immense throng in attendance, not more than half of whom went into the show. The streets were in a perfect jam during the day and towards night there was considerable of a "jim jam."

John E. Owens.

The theatre-going public will be glad to hear that the celebrated comedian, John E. Owens, supported by a brilliant company, will appear at the Opera House in this city next Monday and Tuesday evenings. The pieces to be presented are Taylor's modern comedy of *The Victims* and the amusing comic drama of *Solon Shingle*.

Beautify your homes by using the N. Y. Enamel Paint, ready mixed and warranted. Sold only at JACOBS OIL.

Duplin Crops.

A gentleman who was at Magnolia yesterday tells us that the cotton crop in the Northeastern portion of Duplin county will not average more than one-half. The bolls were blown off by the storm and the seed are sprouting from the ground. Corn will hardly realize one-half of a crop. In some localities the potatoes are good and in others they are worth next to nothing.

Warner's Safe Kindey and Liver Cure.

A Scrimmage.
There was a ripple of excitement this forenoon, on Market street, caused by a scrimmage between two colored individuals, one a city man and the other a seaman. They were both taken in charge by Officer Costin and carried to the City Hall where the former was released on giving bail and the latter, not being able to furnish a bond, was sent below. The case will be investigated by the Mayor to-morrow.

Mr. Thomas Tormy, Scott Station, Putnam County, W. Va., in a late communication thus refers to his experience with the Great German Remedy: "When I received St. Jacobs Oil, I was in bed with rheumatism, and now I am walking about the room with a cane, and before I got it I could not be moved in my bed. To-day, however, I went to the stable."

A Mass Meeting to be Called.

We understand that Col. Smith, the Mayor of this city, proposes to call a mass meeting of the citizens of Wilmington, to assemble in the Opera House next Monday for the purpose of taking action towards expressing the grief and regret of the people of this community in the death of President Garfield. Monday has been selected because it is on that day that the remains will be interred. His Honor will also issue a proclamation calling for an entire suspension of business on that day.

To Builders and others—Go to JACOBS OIL for Sash, Blinds and Doors, Glass, &c. You can get all sizes and at the lowest prices.

Crop Matters.

We do not believe that the condition of the crops throughout this State is as bad as represented. There are localities in almost all sections, so far as we can learn, which have not suffered at all, or but very little, while there are other spots where the drouth was felt in its full effect. A subscriber to the REVIEW, a gentleman who lives in Anson county, tells us that the above is the case as regards his neighborhood, and as he is peculiarly interested in the success of the farmers he has made it his business to see for himself. He finds the situation much better than he was led to believe it to be and feels considerably relieved thereby. It would seem as though a county or a neighborhood is too often judged, in the crop estimates, by the evil rather than by the good reports.

Made from harmless materials, and adapted to the needs of fading and falling hair, Parker's Hair Balsam has taken the first rank as an elegant and reliable hair restorative.

Commissioner's Court.

U. S. Commissioner McQuigg has had before him for examination D. W. Walker, of Sneed's Ferry, Onslow county, who is charged with violations of the internal revenue law. The examination was begun yesterday and continued this afternoon and at 4:30 o'clock it had not been concluded. Marsden Bellamy, Esq., appears for the defendant.

Mr. W. C. Mooney, of Brunswick county, charged with making a fraudulent application for a pension, who was committed by Commissioner McQuigg to appear for trial, was released yesterday on giving bond in the required amount, \$200.

A Serious Accident to a Railroad Conductor.

Travellers on railroads often pity the hard life of a conductor of the train. One of them has had his life brightened. George W. Barkdoll, of No. 625 Cherry st., Norristown, Pa., a passenger conductor on the Perkiomen Branch of the Philadelphia and Reading R. R., was asked by a friend to allow him to spend a dollar on him in the purchase of a half ticket in the 135th monthly drawing of the Louisiana State Lottery on August 9th, and he drew \$15,000. He thinks of buying the road it is said. The 137th drawing occurs on Oct. 11th, before which time M. A. Dauphin, New Orleans, La., will be happy to reply to any inquiry made on the subject.
