MRS. JOE PERSON'S

REMEDY FOR

SCROFULA

NEVER FAILS.

It Will Cure if Fairly Tested.

It gives me much pleasure to be able to

state that I have derived an effectual cure of

Scrofula from the use of Mrs. Joe Person's

remedy for that disease. I had suffered

from Scrofula for more than three years, and

had despaired of ever getting well. I was

treated during that time by three very

eminent physicians, without any good result.

I then went to the National Surgical Insti-

tute, at Atlanta, Ga., and was treated there

more than two months, with no better re-

sult than my family physicians met with.

After returning from the Institute, I was

persuaded to try Mrs. Person's remedy, and

I had not used it more than a week before I

discovered its curative and healing prop-

 We learn from a prominent citizen of Pender county, who plants largely in the Caintuck section, that the reports of damages to the crops in that locality by the recent storm are very excessive. He has made it his business to inquire into the matter and he assures us that the entire damage to corn, peas, rice and cotton in that section will not exceed \$100.

Sudden Death.
 Alec Love, one of the oldest drymen in the city, died suddenly this morning. Alex. stopped work in the early part of the week, and went home, but was at no time, we understand, considered dangerous. He was up about his house this morning, but later in the day was taken very ill and died. In ante bellum days Alec was owned by John D. Love, Esq., deceased, and was hired by James Orrell, Esq., for whom he drove a dray for a number of years. Of late he was in the employ of the Carolina Rice Mills, and later of Messrs. E. Peschan & Westermann, as a drayman. Alec was a polite and industrious colored man and enjoyed the confidence and respect of those who knew him.

She is now reloaded and cleared to-day for her original destination by Messrs Geo. Harriss & Co., consignees.

Board of Aldermen.
 At a called meeting of the Board of Aldermen, held at the City Hall yesterday, the following proceedings were had. Present, His Honor, Mayor Smith, and Aldermen Worth, Huggins, Alderman Bowden, Chadborn, Telfair, Willis and Sampson.

The Mayor stated that he had called the Board together to announce officially to them the death of ex-Mayor John Dawson and ask what action they desired to take in the matter.

Alderman Huggins moved that a Committee on Resolutions be appointed, which was carried.

The Mayor appointed on said committee, Aldermen Huggins, Chadborn and Bowden.

The committee retired, and on their return presented the following resolutions, which were unanimously adopted:

Death has removed from our midst one of the most prominent citizens of Wilmington. It was with sorrow that the community received the announcement of the death of ex-Mayor John Dawson, who expired on the 29th of September. He came to the banks of the Cape Fear in early manhood, and by industry and strength of will he became a successful merchant and achieved high places of honor in this city. During the scourge of yellow fever that visited Wilmington in 1862 he remained manfully at his post, and discharged his duty as Magistrate of Police to his afflicted and suffering people; therefore, be it

Resolved, That we, the Mayor and Aldermen of the city of Wilmington, in view of the death of this eminent citizen, who, as former Mayor of this city rendered such numerous and efficient services, feel called upon to give this public official expression of our feelings upon the sad event.

Resolved, further, That in the death of ex-Mayor John Dawson the city of Wilmington has lost one of her most efficient and devoted friends, and the community one of its most prominent and useful members.

The meeting then adjourned.

The Last Sad Rites.

The funeral services over the remains of the late John Dawson were performed this morning. The body was conveyed to St. James' Church, and from thence to Oakdale Cemetery, followed by a large concourse of mourning friends. The funeral services were read by Rev. Dr. Watson, and the pall-bearers were Dr. A. J. DeRosset, Mr. E. E. Burrass, Dr. J. D. Bellamy, Mr. H. Vollers, Maj. Jas. Reilly and Mr. Geo. P. Lamb. Steam Fire Engine Co., No. 1, and the Liberator Association accompanied the remains to the grave.

The New Styles.

Capt. R. M. McIntire has returned from New York and the splendid stock bought by him is rapidly following. We glanced through the dress goods department this morning and can assure our lady readers that we saw there the prettiest goods and the most becoming styles that have been known to the world of fashion in many years. Capt. McIntire bought largely for his new establishment in Durham well as for that in this city and in a few days hopes to have everything here arranged and in order for display.

Magistrate's Court.

Before Justice Gaedner this morning, Sam. Larkins, colored, was arraigned upon a peace warrant sworn out by his wife, Emeline Larkins. Defendant was ordered to give bond in the sum of \$100 to keep the peace for three months and pay the costs in the case.

Upon the affidavit of Ambrose Moore, colored, the same defendant was arraigned for making an assault with a deadly weapon upon Emeline Larkins. In this case defendant was bound over in the sum of \$50 to the next term of the Criminal Court. In default of furnishing surety to keep the peace and also bond for his appearance at Court, Defendant was committed.

Andrew Bowden, colored, upon the affidavit of Ambrose Moore, was arrested and arraigned before the same Justice upon the charge of aiding and abetting Sam Larkins in his assault upon his wife. The case was dismissed at prosecutor's cost.

Joe Tucker, colored, was arraigned in the above named Magistrate's Court upon the affidavit of Mr. James Petteway for trespass upon land that was posted. Dismissed at prosecutor's cost.

Frank Andrews, colored, upon affidavit of same plaintiff as foregoing case, was fined one penny and costs.

Comparative Receipts.

A comparison of receipts of cotton and naval stores at this port for the year 1880 and 1881, as compiled from the books at the Produce Exchange, is as follows:

Receipts for Sept. 1880—Cotton, 15,329; spirits, 6,525; rosin, 28,926; tar, 2,471; crude turpentine, 6,042. September, 1881—Cotton, 10,932; spirits, 8,592; rosin, 32,166; tar, 3,949; crude turpentine, 6,944.

It will be seen by this statement that there has been a substantial gain for September, 1881, over the same month of the previous year, in everything except cotton, and this article shows a falling off everywhere.

The fire alarm this forenoon did not amount to much. It caught on a shed at the foot of Castle street, and a few buckets of water put it out before the members of the fire department could arrive at the scene.

Beer Affects the Kidneys.

and it may seriously interfere with the health unless promptly counteracted, and for this purpose Warner's Safe Kidney and Liver Cure has no equal.

The receipts of cotton at this port to-day foot up 326 bales.

Gen. Manning, Sheriff of the county, turned over to-day to the County Treasurer \$3,150, of which amount \$2,600 was for the general fund and \$498 for the special fund.

Mr. Joseph Lathrop, residing at Seventh and Church streets, Wilmington, Del., says that he had a severe attack of rheumatism in the hip. He suffered so much that he scarcely could walk. Having purchased a bottle of St. Jacobs Oil, before retiring he bathed his hip and repeated the act upon arising next morning and in a day or two he was as well as ever had been.
