**Died Suddenly.**  
 A telephone message was received at the City Hall about 2.30 o'clock, this afternoon, from Masonboro Sound, saying that a colored woman named Filby Farrow had died suddenly at Mrs. Grainger's place, now occupied by Col. Grafelin and family, and requesting that the Coroner be notified. A message was accordingly sent to Coroner Hewlett, who we presume will repair to Masonboro at once, and hold an inquest.  
 Study your interest. You can now buy Cook Stoves at factory prices at JACOBI'S.  
**A Breeze in a Whirl.**  
 A small-sized whirlwind made its appearance near the Union freight depot of the W. & W. and W. C. & A. Railroads this morning, about a quarter past eleven o'clock, and was witnessed by a good many people, who looked on with some curiosity, and a good deal of anxiety, not knowing, we suppose, in these days of hurricanes and cyclones, what this little tempest in a tea-pot might develop before it finished its course. The circle of the wind was about double the size of a car wheel and lasted only a few minutes. It went round and round in a small space, taking everything like paper up and carrying it upwards until nearly lost to view. It finally spent its force, however, without damage to any one of anything.  
 Beautify your names by using the N. Y. Enamel Paint, ready mixed and warranted. Sold only at JACOBI'S.  
**The Gigantean.**  
 They tell us that Leavitt's Gigantean Minstrels, who are to appear at the Opera House in this city on next Monday evening, is one of the very best on the road. From all that we can hear the theatre-going public may expect a first class performance. The press everywhere speak in the most favorable terms of the company—which is a strong one in talent as well as in numbers. In Richmond, where they have been performing for several nights, the papers speak in high praise of them. The *State* says: "We can really say the company is a good one, and the performance is decidedly new and refreshing. In fact the company gives an old-time minstrel performance, such as we might expect from Dan Emmett. The singing was excellent. The audience manifested appreciation by frequent and warm applause."

## Meeting of the Eastern N. C. Baptist Association at Magnolia.

**THIRD DAY.**  
 The Association met pursuant to adjournment, with religious exercises conducted by Rev. Mr. Bland, of the Cedar Creek Association.  
 The Moderator called the body to order, and the business, which was interrupted by adjournment yesterday, was taken up, and the balance of the salary (\$200) for Dr. Hafham was soon pledged.  
 The Committee on Foreign and State Missions, on Sunday Schools and Ministerial Education reported, and there were spirited addresses made in favor of the various objects. A considerable sum was pledged and raised for ministerial education. The other objects were strongly recommended.  
 A request was made for aid for the church edifice being erected at Richlands, in Onslow county, which enterprise had been begun by Mrs. Emma Nicholson, wife of Dr. J. L. Nicholson, who died over a year ago, and has been carried forward by her husband until it approaches completion. About \$80 were raised.  
 Rev. Mr. Purefoy presented the claims of the new chapel at Wake Forest College and received considerable contributions.  
 The Sunday School Board was continued, and the Rev. J. N. Stallings placed on the Board in place of Rev. W. M. Kennedy, who declined serving on account of being on the Executive Committee. The Board was instructed to co-operate with the State Sunday School Board.  
 The report of the trustees of Warsaw High School was very complimentary to the management, and strongly urged all to support that institution. Strong speeches of commendation were made by Rev. Messrs. Kennedy and Eason and by Dr. S. S. Satchwell, who by the courtesy of the Association, addressed the body. Rev. Mr. Kennedy and Dr. Satchwell are patrons, and spoke from actual experience and observation. The principal, Rev. J. N. Stallings, made a statement and distributed catalogues. The school is in a prosperous condition.  
 The Auditing Committee found the accounts of the Treasurer of the Association and of the Treasurer of the Executive Committee correct. About \$500 had been expended for the various objects during the past year.  
 The Finance Committee reported. About \$550 had been sent up by the churches and raised in cash for the work for the ensuing year. After paying off all the indebtedness, about \$150 are left in the hands of the Treasurer of the Executive Committee for Associational Missions, which, with the \$809 in pledges gives assurance of greatly extended work next year.  
 Resolutions of thanks to the community and to the railroads were passed.  
 It was decided to hold the next session of the Association with Emma's Chapel, at Richlands, Onslow county.  
 The Association adjourned. Prayer by Rev. W. M. Kennedy. The hymn, "Hail, Dearest, Sweetest, Tie," was sung and the parting had given. Benediction by the Moderator.  
 During the day services were held at 11 o'clock at Methodist Church, conducted by Rev. J. T. Albritton, and at 2:30 p. m., by Rev. Mr. Eason.  
 The session has been a most agreeable one, every one seeming delighted.  
 Our reporter desires to express his gratitude to the Moderator, Rev. J. L. Stewart, to the pastor of the church, Rev. W. M. Kennedy, to Rev. J. N. Stallings and others, whose generous courtesies has made his task the lighter. They will be long and gratefully remembered. He would also express his thanks to the citizens and others, whose generous offers of hospitality he received.  
 The case of Mr. Adam Rusk, of the Penna. R. R. Co., residing at Centreville, N. J., who was cured of severe rheumatism of many years standing by St. Jacobs Oil, is cited by a Philadelphia exchange. Neither physicians nor remedies seemed to do any good but the great German remedies cured him.

## Death of Judge Watts.

Hon. S. W. Watts, an ex-Judge of the Superior Court in this State, died last night at his residence, in Smithville, somewhat suddenly. He had not been well for some time past, but on the three first days of this week was able to attend court at Smithville. Judge Watts was one of the Judges in this State under the Canby Constitution, and was from the Northeastern part of the State, but for several years past had resided at Smithville. He is thought to have been about 60 years of age.  
**Serious Accident.**  
 Aaron Lord, a colored man in the employ of Mr. A. Y. Wilson, at his steam saw mills, in the southern portion of the city, met with a fearful and distressing accident to-day at 1 o'clock by which he lost both of his hands. The particulars, as we learn them, are that as the whistle was blowing to knock off for dinner, he happened to be standing near a circular saw that was in motion, and over which is a pipe from which water is kept running for the purpose of cooling it; turning around he placed his hands over the saw and under the pipe for the purpose of washing them, when by some means his hands came in contact with the saw and in an instant and before he could withdraw them they were both cut off by the saw, only the thumb of one hand being left. The unfortunate man was placed in Mr. Wilson's buggy and driven rapidly to his home, after ligatures had been bound around the arms to stop the flow of the blood, and surgical attendance was had as soon as the physicians could be summoned. We have not heard as yet of the result of the surgical examination. It is said that one of the hands was recovered, but that the other could not be found.  
**Criminal Court.**  
 The following cases were called for trial in this Court since our last report: State vs. Willey Phillips, charged with receiving stolen goods. Defendant found guilty.  
 State vs. Kane Peterson, charged with carrying a concealed weapon. Case continued.  
 The attention of the Court has been occupied to-day with the case of the State vs. Richard Reed, Alex. Stewart and John Campbell, charged with larceny. The Solicitor directed a verdict of not guilty to be recorded as to John Campbell, who was thereupon discharged. The trial of Alex. Stewart and Richard Reed was then proceeded with and up to the time of closing our report His Honor had just commenced to deliver his charge. This case is the same which was reported in the Review about two weeks ago in which the two first named defendants were arrested for the larceny of a barrel of pork from Messrs. Adrian & Vollers, early on Sunday morning. Jno. Campbell, who was discharged this morning, was the owner of the horse and cart into which the barrel had been rolled and this is why Campbell was implicated and arrested at the time, although he was not present when police officer Marsh Walker came upon Stewart and Reed and effected their arrest.  
**"Buchupalpa."**

**A Polite Invitation.**  
 Col. Jno. L. Cantwell, who now ranks as Captain of the Wilmington Light Infantry, received yesterday a most courteous note from Mr. J. W. Blick, Secretary of the Norfolk City Guards' Centennial Committee, extending an invitation to the officers and members of the W. L. I. to join with them in a city civic parade on the 21st instant; and also soliciting the pleasure of their company at a banquet to be given on the night of the 21st by the Norfolk City Guards in honor of their military guests. Capt. Cantwell made an immediate response to the cordial invitation, thanking the Norfolk Company for the courtesy extended the wish that the company, before whom the letter of invitation would be placed at the earliest possible moment, would find it within their power to accept the proffered hospitalities. The company, we understand, hold a regular meeting to-night when that, together with other matters pertaining to the proposed Yorktown trip, will be discussed.

## Death of Mal. Johnson.

It is with great regret that we learn of the death at his home in Georgia, on yesterday, of Mr. M. M. Johnson, for many years past Assistant General Freight Agent of the Carolina Central R. R. He fell a victim to the fell destroyer, consumption, and it has been known for a long time past that his death from this disease was inevitable. We knew him well, and we do not think that a more clever, genial, whole-souled gentleman has ever trodden the streets of our city. He had a legion of friends, and not one enemy. He died young, and life was indeed to him a fitful fever. Peace to his ashes.  
**The Public Hospital.**  
 The papers, i. e. the deed and so forth, in regard to the recent purchase of the property known as the Wilmington Gardens, from Mr. Luhr Vollers, were passed this morning and the money planked down by Col. Roger Moore, Chairman, and Messrs. Bagg and Worth, Committee on hospital on the part of the county, and Messrs. Northrop and Chadbourne, from the Board of Aldermen, on the part of the city. The amount paid was \$6,000, the county, as we have previously stated, paying \$3,600 and the city \$2,400. The purchasers expect to enter into possession on Monday for thereabouts; in the meantime the present occupant of the premises has been notified that he is the tenant of the recent purchasers and so understands it, as we are informed.  
 We regret to learn, as we do from the *Nut Shell*, of the death of Mr. Seth M. Carpenter, of the *Newbernian*, at his residence in Newbern early on Wednesday morning, of broncho-pneumonia.  
 Steamship *Gulf Stream*, Capt. Ingram, cleared and sailed to-day for New York.  
 The receipts of cotton at this port since our last report are as follows: 1,000 bales, valued at \$1,000,000.  
 Made from harmless materials, and adapted to the needs of fading and falling hair, Parker's Hair Balsam has taken the first rank as an elegant and reliable hair restorative.  
**Improvement of the Cape Fear River above Wilmington.**  
 EDITOR OF THE REVIEW:  
 Your inquiry in the Review yesterday about the appropriation for the improvement of the Cape Fear river between Wilmington and Fayetteville was very timely, and as I am chiefly responsible for securing that appropriation (with the aid of Senator Ransom, to whom the Cape Fear people owe so much) I will say that you are right as to the facts.  
 I tried to get a larger allowance from Congress but the result was an appropriation of only \$30,000, out of which the Secretary of War was "directed" (not "authorized") to pay a sum not exceeding \$10,000 to extinguish the claim of the Cape Fear Navigation Company to tolls, provided said claim was extinguished before the first of December next, leaving \$20,000 for expenditure on the river.  
 The Company have notified the War Department that they would take the \$10,000 although they considered it too little. Numerous letters from disinterested persons have been written certifying that that sum was not by any means an unreasonable one to pay for the charter of the Company, and there is little doubt that it will soon be paid.  
 The delay has doubtless been caused by the great tragedy over which the country has been mourning, and which almost suspended the operations of the Departments temporarily. But now something ought to be done at once towards work on the river, as all business between Fayetteville and Wilmington has been stopped for a long time.  
 Very respectfully,  
 A. M. WADDELL.

 Mrs. JOE PERSON,  
 Franklinton, N. C.  
 DEAR MADAM:—In reply to your letter asking what I think of your Remedy, I would say that these have been very fair, and so far as I can learn, the Remedy has been very satisfactory to my customers who have used it, especially so in the case of a little girl of this city, ten years of age, who was troubled for a long time with sores breaking out over the face and neck, having the appearance of Scrofula, and which had resisted the usual alternative treatment for a long time. She took four bottles of the Bitters last Spring, when the sores entirely disappeared, and up to this time she has had no return of them, her skin looking as fair and clear as anyone's.  
 Trusting that you may receive the success which your Remedy seems to merit, I am, very respectfully yours,
