RALEIGH, N. C., Sept. 27, 1881.
Mrs. JOE PERSON,
Franklin, N. C.
DEAR MADAM:—In reply to your letter
asking what I think of your Remedy,
I would say that the sales have been very
fair, and so far as I can learn, the Remedy
has been very satisfactory to my customers
who have used it, especially so in the
case of a little girl of this city, ten
years of age, who was troubled for a
long time with sores breaking out over
the face and neck, having the appearance
of Scrofula, and which had resisted the
usual alterative treatment for a long
time. She took four bottles of the
Bitters last Spring, when the sores entirely
disappeared, and up to this time she has
had no return of them, her skin looking
as fair and clear as anyone's.

Trusting that you may receive the suc-
cess which your Remedy seems to merit,
I am, very respectfully yours,
WM. SIMPSON,
Druggist.

Military News.
We learn from the News and Obser-
ver that a general order has just been
issued from the Adjutant General's of-
fice, forming the seventeen companies of
infantry which will go to Yorktown, into
one provisional brigade, to consist of two

command the First Yorktown Battalion,
and Col. Albert H. Worth and Lt.-Col.
John W. Cotten the Second Yorktown

The First Battalion will consist of the
following companies: Raleigh Light In-
fantry, Goldsboro Rifles, Edgecombe
Guards, Washington Light Infantry,
Winston Light Infantry, Albemarle
Guards, Durham Light Infantry, Guil-
ford Grays and Rockingham Guards.

The Second Battalion will consist of
the following companies: Fayetteville
Independent Light Infantry, LaFayette
Light Infantry, Wilmington Light In-
fantry, Duplin Rifles, Hornets' Nest
Riflemen, Anson Veterans, Iredeil Blues
and Salisbury Rifles.

Leavitt's Minstrels.

The performance of Leavitt's Gigan-
tean Minstrels at the Opera House last
night was in many features a most ex-
cellent one. In some parts, however, it
was marred by that license of broadness
which is fast being banished (as it should
long since have been) from the minstrel
stage. The Company is a strong one,
both numerically and in point of talent.
There were twenty-six performers upon
the stage at one time.

The "Virginia Serenaders" was a plea-
sant revival of the original attempts at
negro minstrelsy and a part of the enter-
tainment which was thoroughly enjoyed
by the audience.

The musical performances of Messrs.
Wood, Beasley & Weston Brothers were
of the rarest excellence. In variety and
merit we have never seen them surpassed.

The "Golden Quintette" also gave
some very choice selections which were
thoroughly appreciated. Lew Benedict
is a deservedly popular Ethiopian come-
dian and his oration was very amusing.

We must not forget to pay our re-
spects to Dan Emmett, the author of
"Dixie" who sang our Southern national
song with a vim and appreciation we
had always accredited to the author.

We commend the performance as a
whole, and would like to see the troupe
here again.

A clear head and quick action must
be possessed for steady and successful effort;
but who can have such while suffering
from Cold? Use Dr. Bull's Cough
Syrup and procure immediate relief.

Narrow Gauge to Clinton.

Capt. Dick Paddison is in the city to-
day, exhibiting his map of the proposed
railway between Point Caswell and
Clinton, in Sampson county. It is to be
a narrow gauge road, and not a tram-
way, as was at first proposed, and as we
mentioned some days ago. The map is
a handsome one, very carefully drawn,
and was executed by Mr. Henry A.
Colvin, of Moore's Creek. The distance
from Point Caswell to Clinton is just
forty miles, and the road will run
through a country which has never
yet been opened up and which is capable
of great development. We know it well,
as in years gone by we have been all
over that entire country. The road will
cross Black River about two miles below
Black River Chapel and the Coharie in
Sampson county. These are the only
water courses of any importance and the
bridging will be very light. There are
high bluffs on Black River and the Co-
harie is a shallow stream. We are glad
to know that the prospects are very
good. The road, it is estimated,
will cost about \$130,000 and equipped
about \$150,000, say \$3,250 per mile for
construction. Capt. Paddison tells us
that he has been over the route twice and
that everywhere the people are warmly
in favor of it. The citizens of Sampson
county will themselves subscribe about
\$50,000 and it is hoped that the county
will add to this. The prospects here,
too, are very fine and Capt. Paddison
thinks that success may be considered
now as a mere question of time and prop-
erly directed efforts.

The Gallery Gods.

We are again forced to speak of the
conduct of the "lords of the gallery" at
the minstrel show last night. The sing-
ers on the stage were annoyed and the
interlocutor was frequently interrupted
by remarks. So great was the annoy-
ance to both the performers and the au-
dience in the lower part of the house that
Mr. Benedict was forced to speak once
or twice to the "gallery gods." The
crowning act of the bad conduct of some
of these persons was committed upon the
close of the last act and when the au-
dience were rising to disperse. Three
gentlemen who were sitting in the par-
quette each received a shower of tobacco
juice on their faces and clothes. The
outrage was probably premeditated.
In addition to this we understand that
there was much noise and disorder in the
enclosure in front of the Opera House,
during the performance, some reports be-
ing to the effect that rocks were thrown
against the building. There were no ar-
rests last night but we understand that
the names of some of the offenders are in
the hands of those who will see that the
law is enforced the next time there is a
disturbance there.

Board of Aldermen.

The Board of Aldermen met in special
session at the City Hall last night, pres-
ent, Mayor Smith, and Aldermen Worth-
Northrop; Bowden, Chadburn and
Sampson.

Alderman Chadburn offered the fol-
lowing resolutions, which were adopted:
Resolved, That the Treasurer shall be
held responsible for the amount of the
city tax list for the year 1881, now in
his hands, with interest at the rate of
eight per cent per annum from Novem-
ber 1st, 1881, and that he be credited
only with such amounts as he shall col-
lect. Provided, that on or before the
first day of April, 1882, he shall be also
credited with such amounts as appear
against real estate not collected, but for
which a deed has been made to the city
in legal form; one copy of which shall be
placed among the records of the Treasur-
er's office, and one copy among the
records of the Register of Deeds of New
Hanover county.

Resolved, That the Treasurer shall
not be credited with any uncollected poll
or personalty tax, unless he can show
that proper and diligent effort has been
made to collect the same, and then only
by a majority vote of the Board of Al-
dermen.
Resolved, That any balance that may
remain charged to the Treasurer after
the above credits have been made shall
be paid by the Treasurer, and his bond
shall not be released until the tax ac-
count is balanced.

Resolved, That all license taxes more
than sixty days in arrears, commencing
April 1st 1881, shall also be charged to
the Treasurer, and deducted from his pay
unless otherwise ordered by a majority
vote of the Board of Aldermen, and a
list of delinquent tax payers shall be
presented to the Board by the Treasurer
at every regular meeting.

Resolved, That the Treasurer, having
given good and sufficient bond, is hereby
permitted to deposit the city funds in
whatever bank he may select.
Alderman Huggins submitted a re-
port of the committee on Fire Depart-
ment relative to the erection of a belfry
on the City Hill building, and the placing
of the fire-alarm thereon.

Alderman Chadburn moved that the
resolution adopted August 8th, 1881, em-
powering the committee to erect a belfry
on the City Hill and remove the fire
alarm bell thereto be reconsidered.
Adopted.

"I'm all Played Out."

is a common complaint. If you feel so
get a package of Kidney Wort and take
it and you will at once feel its tonic power.
It renews the healthy action of the
kidneys, bowels and liver, and thus re-
stores the natural life and strength to the
weary body. It can now be had in
either dry or liquid form, and in either
way is always prompt and efficient in
action.—*New Bedford Standard.*
