MRS. JOE PERSON,
Franklinton, N. C.

DEAR MADAME:—In reply to your letter asking what I think of your Remedy, I would say that the sales have been very fair, and so far as I can learn, the Remedy has been very satisfactory to my customers who have used it, especially so in the case of a little girl of this city, ten years of age, who was troubled for a long time with sores breaking out over the face and neck, having the appearance of Scrofula, and which had resisted the usual alternative treatment for a long time. She took four bottles of the Bitters last Spring, when the sores entirely disappeared, and up to this time she has had no return of them, her skin looking as fair and clear as anyone's.

Trusting that you may receive the success which your Remedy seems to merit, I am, very respectfully yours,
