"JUST IMAGINE HOW I FELT."  
BRUNSWICK, Co., Va.,  
November 5th, 1881.

Mrs. Joe Person,  
Franklin, N. C.

DEAR MADAM:—It is with pleasure  
that I write to tell you that your valu-  
able Remedy has entirely cured me of a  
most fearful looking and painful sore on  
my ankle. It came more than twelve  
months ago, very much like a ring worm.  
I painted it with Tinct. Iodine, until it  
became a very painful and bad looking  
place. Then I commenced to try every-  
thing I could think or hear of, until it  
became so very painful I could scarcely  
walk, when I went to the best doctor in  
the country for advice. He told me  
he could cure me if I would take my bed  
and there remain for four or five weeks,  
and if I did not do so pretty soon, it  
could not be cured at all, as the bone  
would become diseased, and my foot  
would have to be taken off. Just imagine  
how I felt, to be told there was no  
cure for the sore but to lose my foot, or  
give up all business—either of these Re-  
medies would have ruined me. Mind  
you this was the advice of one of the best  
doctors in the State of North Carolina,  
and this conversation took place last  
February. I continued to burn with  
anxiety, as he advised until September  
but derived no benefit from his treatment.  
I was advised then by a friend to try  
your Remedy, (Bitters and Wash) took  
the first dose the 17th of September, and  
I am now a well man, the sore is perfectly  
cured, and I can now walk as far,  
dance as much and jump as high as any  
man you know. Put me back to the list  
of September, let me know as much as I  
now do of the virtue of your Remedy,  
and I would not hesitate to pay ten dol-  
lars a bottle for it, if I could not get it  
for less. I think more of it than any  
medicine in the world. It is not only  
the best Remedy to purify the blood and  
cure all skin diseases, but I believe it will  
cure all kinds of blood diseases, and I  
know it will cure a love for strong drink.  
I hope you will have this published, as  
there are many sufferers who could be  
cured, if they could know of and get your  
Remedy I am truly and respectfully,  
JOSEPH B. MASON,  
South Gaston, N. C.

The Remedy is for sale in Wilmington  
by Dr. Wm. H. Green. Send for cir-  
lar of testimonials. nov 14-daw

## Fell from a Step Ladder.

We are sorry to learn that Mr. J. W.  
Zimmerman, the Princess street upholst-  
erer, while arranging some decorations  
last night at a residence in this city,  
slipped and fell from the step ladder,  
spraining his left wrist and bruising his  
face very much. He is said to be im-  
proving to day, however, and we hope to  
see him out again soon.

## For the Poor.

The collections taken up in the First  
Presbyterian Church on Thanksgiving  
Day, on the occasion of the joint services  
held there, and which were turned over to  
Mrs. C. G. Kennedy, President of the  
Ladies Benevolent Society, amounted to  
\$37.90. In addition to this, when Mrs.  
Kennedy went to the First National  
Bank to deposit the money, the gentle-  
men there made up \$10 more to be ad-  
ded to the sum.

On a pleasant fall day some persons  
will thoughtlessly expose themselves as  
in summer, and take a severe cold. For  
such, immediate relief offers itself in Dr.  
Bull's Cough Syrup. 25 cents a bottle.

## Burglars.

Two hungry rascals (at least it is  
thought there were two of them) broke  
into the premises of Mr. John U. Borne-  
mann, on Castle, between Seventh and  
Eighth streets, on Thanksgiving night  
and made away with nearly all of his  
supplies. They first effected an entrance  
into the kitchen by breaking out a pane  
of glass, and then got into the storeroom,  
robbing both of all of their supplies of  
provisions. There is no clue to the ras-  
cals.

## Flies & Mosquitoes.

A 15c. box of "Rough on Bats" will  
keep a house free from flies, mosquitoes,  
rats and mice, the entire season. Drug-  
gists.

## A Fine Opportunity.

We are requested to state that the  
beautiful Carpenter organ owned by the  
ladies of St. John's Church, and now at  
Mr. Heinberger's music rooms, is to be  
raffled off by them on or before De-  
cember 15th. The ladies have decided  
to reduce the number of chances from 200  
to 150 and those who have already sub-  
scribed will notice the change. The in-  
strument is well worth \$200 and he will  
be a lucky man who gets it.

## Silver Wedding.

Mr. and Mrs. James A. Willard cele-  
brated their silver wedding at their resi-  
dence in this city last evening. A num-  
ber of their friends were assembled to  
tender their congratulations and to wish  
the happy couple another quarter of a  
century of conjugal happiness. Many  
beautiful presents were received and it is  
needless to say that the guests were  
handsomely entertained. Mr. James A.  
Willard and Miss Mary Bonner Blount  
were married in Washington, N. C., on  
the 25th day of November, 1856. May  
they live to celebrate their golden wed-  
ding and may we be there to congrat-  
ulate them.

## Badly Scalded.

We regret to learn of a very serious  
and painful accident which occurred to  
Dr. J. C. Walker's little boy, at Mr.  
Richard Bradley's residence, on Wrights  
ville Sound, yesterday morning. Mr.  
Bradley was preparing to kill some hogs,  
and had the hot water ready in the yard,  
in a huge pot. Being called off for a  
moment, he placed some boards over the  
pot and left it. During his absence Dr.  
Walker's little son (Mr. Bradley's grand-  
son), aged only about six years, climbed  
upon the boards, which slipped aside and  
one of the lad's legs fell into the steam-  
ing water. He was badly burned from  
the knee to the foot, all of which is said  
to have been blistered. At last accounts  
we are glad to learn that the little suf-  
ferer is much easier.

A few applications of St. Jacobs Oil  
cured Mrs. Sue Conyers, Cor. Spring &  
Olive Streets, Quincy, Ill., who had been  
ill with rheumatism and suffered the most  
excruciating pain.

There were three interments, two chil-  
dren and one adult, in Pine Forest Cem-  
etery this week.

To-morrow is known in the Church  
Calendar as the First Sunday in Advent.  
It is the beginning of the church year.

## The horn of the tooter is already heard in the land.

Three interments this week in Oakdale,  
all children.

Green pork was selling here yesterday  
at 10 cents per pound, by the pig.

Spirits turpentine is on a big boom.  
It sold to-day for 54 cents, the highest  
price recorded on the books of the Pro-  
duce Exchange, and threatens to go still  
higher.

The steamer *Gov. Worth*, which ar-  
rived here this afternoon, got a hole  
stove in her on the trip down. It is not  
serious, and a day or two only will be  
necessary to put her in trim again.

Freshwater Perch, Trout and Black  
fish Hooks and Lines. A full assort-  
ment and lowest prices at Jacobi's.

## Sad News.

We are grieved to learn of the sudden  
death at Cameron, in Moore county, this  
afternoon, of Capt. Ed. Batchelor, a con-  
ductor on the Raleigh & Augusta Air  
Line. There are no particulars stated,  
other than the fact. The sad news ar-  
rived in a telegram to Mr. Harry Loeb,  
whose wife is Capt. Batchelor's sister.  
Mr. and Mrs. Loeb will leave here to-  
morrow morning for Raleigh.

Many Miserable People drag themselves  
about with failing strength, feeling that  
they are steadily sinking into their  
graves when, by using Parker's Ginger  
Tonic, they would find a cure commene-  
ing with the first dose, and vitality and  
strength surely coming back to them.

## Kissing Fair.

As something new, and as a means of  
raising funds for any charitable object,  
we publish the following plan recently  
adopted in an East Tennessee city with  
great success, although, let it be distinct-  
ly understood, we don't recommend any-  
thing of the kind. A local paper says  
of it:

"If any had supposed it would turn out  
the way it did, the scheme would not have  
been adopted, but the object was a char-  
itable one, and the committee on invita-  
tion were very careful to avoid the  
presence of any disagreeable or unpopu-  
lar person. The following price list was  
finally adopted. For one go as you  
please squeeze of one minute, and one kiss  
terms cash in advance:

Girls under 16	25 cents.
Girls from 16 to 20	50 cents.
Ladies from 20 to 25	75 cents.
Married ladies under 30	\$1.
Married ladies from 30 to 40	50 cents.
Widows under 30	75 cents.
Maiden ladies from 30 to 40	50 cents.

The gentlemen were all gathered in  
the dining room, and all the ladies in the  
parlor. In the library was a committee  
of two—a lady and gentleman (the latter  
being time-keeper) and they called in the  
gentlemen one by one. Each was shown  
a schedule of prices and a list of the la-  
dies present, and when one selected the  
lady he wanted to kiss she was called in,  
and the transaction occurred in the pre-  
sence of the committee. In cases where  
the squeeze was prolonged beyond the  
schedule time, or an additional smack  
taken, a fine of double the price was  
charged for every minute in excess, and  
in several cases the fines were heavy, but  
were paid without a murmur. The whole  
affair was confidential and none but the  
committee were to know who kissed  
who."

## TO SUBSCRIBERS WILMINGTON TELEPHONE EXCHANGE.

YOUR ATTENTION IS CALLED to the  
following:

Whenever your Telephone is out of order  
don't fail to report it promptly. My en-  
deavor is to get all instruments in working  
order and to keep them so if possible.  
You understand, of course, that a Tele-  
phone Exchange, with its net-work of wires,  
forms a complicated system, and although  
the utmost vigilance is given, there will be  
times when some of the many wires will be-  
come crossed, grounded, or broken; but as  
soon as such cases come to our notice we  
will endeavor to remedy them in as short  
a time as possible. Subscribers are request-  
ed to answer calls promptly and to use num-  
bers, as it greatly facilitates the business of  
the Exchange. The party who first calls  
for a connection, must never fail to say,  
"disconnect," when through talking; for if  
this is neglected the wires may remain con-  
nected indefinitely and thus, operators can-  
not know by intuition when the wires are  
idle. If the above is complied with I see  
no reason why we shouldn't have a good-  
working Exchange. Address all communi-  
cations to
